

# STOP WASTING COAL

## Buy a Moore Range with a Hot Blast Fire Back and Get All the Heat You Pay For

It is a known fact that a third of the heating power of soft coal is contained in the gases generated by partial burning. In other ranges these gases—and with them a third of the coal's heating power—go up the flue and are wasted. In ranges like ours, with a Hot Blast Fire Back, these gases, together with smoke and soot, are entirely consumed, and you save one-third in fuel.

The Hot Blast feature of our ranges consists of a series of six round flues, located behind the Fire Back and opening into the fire box through slots about 5 inches long and 3-8 of an inch wide. The draft air, heated by contact with these flues, is discharged through the slots against the sides of the fuel. A powerful reverse draft is thus created, driving gas, soot and smoke back into the fire and compelling their consumption.

## LIFE HAS BEEN ON AN EASY GRADE FOR HUGHEY WILLIAMS

### Republican Candidate for Corporation Commission Is Proud of His Running Mate and Sends Love to the Folks.

#### THINKS HERNANDEZ IS SURE TO GROW

Republicans, hear Republicans and others in Albuquerque and throughout the state today received nice personal letters from Hughey Williams, who is running for the corporation commission on the stamp of Republican ticket. According to Hugh, life has been a pull on an easy grade for him with plenty of help at all times; and the general tenor of it all seems to be that life has been a soft snap for the ex-railroad. Hugh wants everybody to know his running mate, B. C. Hernandez, who he says is a "mighty square little fellow." It is Hugh's impression that Hernandez will grow if given a chance. The letter is an effervescent expression of kindly feeling for the folks at home and while no mention is made of oscillatory advances to the baby, the general impression of the infantile career is plainly evident. The letter follows:

Santa Fe, Sept. 7, 1914.  
My Dear Friends:  
Let me thank you for the help which you and the boys have given me, not only in the campaign for nomination just past, but before. I had a standing start in life with an up-hill pull; and, while no one man has been always ready to lend me a helping hand, there have been so many willing and kind enough to give a little push that it seems to have been, after all, a pretty easy grade, so far.

The work as corporation commissioner has been enjoyable; and three years' experience has taught me a great deal which, in the beginning, I really didn't know that anybody knew. If I am elected this time I feel that I can give a great deal better service in my next term than I have in the past. I shall certainly try to do the best I can. I wish you might know my running mate, Hon. B. C. Hernandez, our candidate for congress. He is a mighty square little fellow, who has worked his way up from the ranks just as I have; and who loves this old state just the same as we do. It would not make any difference where you might look for a man, you would have a lot of trouble in finding a better one than Hernandez. Where he has served our people for a little while back there in Washington we will all be just as proud of him as any state is of its congressman. Experience does a great deal for us all, and he has it in him to grow.

Of course, I want your support for both of us. We will need it; but we are going to win! This old party of ours gets right on public questions sooner or later every time, and it is right now.

I wish you would write me a letter and let me know how the folks feel. Yours very truly,  
HUGH EY WILLIAMS.

How Bad Backs Have Been Made Strong—Kidney Pills Corrected. All over Albuquerque you hear it. Doan's Kidney Pills are keeping up the good work. Albuquerque people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townpeople. They tell it for the benefit of those who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Albuquerque citizen's advice and give Doan's a chance to do the same for you.

Mrs. Thomas Blakemore, 216 S. Arno St., Albuquerque, says: "I knew I needed a kidney medicine as my back ached and I had other kidney ailments. I used one box of Doan's Kidney Pills and have never needed any kidney medicine since. My relatives have also used Doan's Kidney Pills with the most satisfactory results."

Mrs. Blakemore is only one of many Albuquerque people who have gratefully endorsed Doan's Kidney Pills. If you back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Blakemore had—the remedy backed by home testimony. 56¢ at all stores. ## EVERYTHING READY FOR CONVENTION TOMORROW NIGHT

### Meeting of Bernalillo County Democrats in High School Auditorium Promises Record Breaking Attendance.

#### CONVENTION WORK TO BE DONE QUICKLY

### Effort to Work up Row in Party Ranks Proves Pitiful Fizzle and Brings Laugh from the Rank and File

Arrangements for the meeting of the Bernalillo county Democratic convention to be held tomorrow night in the auditorium of the new high school building are complete and the convention promises to rival in attendance and in enthusiasm that remarkable state convention held in Albuquerque a month ago. The convention itself will be a detail of the evening meeting which will be in the nature of the first big mass meeting of the fall campaign. The delegates will be called to order at 7:20 sharp, by Chairman Louis A. McIlroe and organization is expected to be perfected quickly as there are no contests and complete harmony of program among the delegates. Nomination of three candidates for the state legislature are to be made and following the selection of a county committee the convention will resolve itself into a mass meeting.

The general public is invited to attend both convention and mass meeting, but especially the latter, since several prominent speakers are to be present whose addresses are certain to prove interesting. Governor McDonald is billed for the opening address. The governor has not entirely recovered from the severe cold contracted in northern New Mexico last week, but has signified that he will be here if he is able to travel. Secretary of State Antonio Lucero, one of the most gifted speakers in New Mexico, will deliver an address, and Adolph P. Hill, Democratic candidate for the state corporation commission, will deliver his first public address in Albuquerque. Mr. Hill is a strong speaker and there is much interest in what he will have to say. Especial care will be taken to see that ladies are provided with seats.

#### Caucuses on Nominations

Caucuses of the delegations of the two city precincts will be held at 5 o'clock tonight when reports of the committees on legislative nominations will be received and discussed. The two delegations are working in harmony with the idea of securing business men of standing and capacity to make the legislative race. No other element enters into the situation as regards the candidates.

#### Effort to Start Row Fizzles

The attempt to start a row by taking reports of the primary meeting in precinct 25 Monday night and industriously circulated by Republican machine interests, has resulted in an amusing fizzle. The effort broke down when in response to statements that prohibition had been injected into the situation as an issue, the men cited as doing the injecting indignantly declared that they had any thought of making an issue of any kind. The move to start dissension in precinct 25 by reviving the spring municipal campaign fight also fell flat when it became known that the men who led the April bell were working hand and glove with the rank and file in the effort to line up a legislative ticket which will win in November.

#### ELY SAYS CHARGES CALL FOR LEGAL ACTION

While considerable indignation was expressed yesterday at the effort to bring out a prohibition issue in the pre-convention situation, this changed today into amusement at the failure of the plan.

#### Republican State Chairman Refuses to Talk of Hernandez Matter but Says Formal Statement Is Coming

Ralph C. Ely, chairman of the Republican state committee, whose resignation from the position has been demanded by the Albuquerque Journal, in connection with that paper's charges of misconduct in county office against B. C. Hernandez, the Republican candidate for congress, came to Albuquerque last night and in a conference here today with a number of Republican leaders, local and from other sections of the state. Mr. Ely still refused to discuss the charges against Hernandez in any detail. "Mr. Hernandez is preparing a statement which will be issued in due time," said Mr. Ely. "Further than that I do not care to discuss the matter other than to state that charges of official misconduct against Mr. Hernandez are false and will be so proven. This is not a case for newspaper conversation. I know the charges brought by the Journal against Mr. Hernandez are malicious. I believe them to be defamatory."

## ALBUQUERQUE FILM CO. ADVERTISING ALBUQUERQUE

### Dot Farley in "The Price of Crime" Being Widely Exploited by the Warner Features.

That the Albuquerque Film company, organized here two years ago and now operating from Los Angeles, is proving a valuable medium of publicity for Albuquerque the city, is shown by this week's motion picture journals, professional and trade publications. Every one of them including the widely circulated Motion Picture News, carries full page advertisements of the Warner Features incorporated, featuring "Dot Farley; the famous and fascinating Albuquerque star, in the great production, "The Price of Crime." "The Price of Crime" appears to be Miss Farley's melodramatic masterpiece. In it she robs a train, runs away from several sheriffs and poses and otherwise conducts herself as an outlaw lady of considerable class.

## GRAY HAIR BECOMES DARK, THICK, GLOSSY

### Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and luster to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wright's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, thick and glossy and you look years younger.

## THIRTIETH ANNUAL CONFERENCE TO OPEN TONIGHT

### Sermon in First Methodist Church to Start Important Church Gathering. Bishop Hughes to Preside.

The thirtieth annual conference of the New Mexico Methodist mission will open tonight at the First Methodist church with a sermon by Rev. Henry Van Valkenburgh of Roswell. Many of the forty-seven members of the conference had arrived today and the remaining members will reach Albuquerque on tonight's train, including Bishop Edwin Holt Hughes of San Francisco who will preside at the conference and who will lecture in the church Friday night. Bishop Hughes is one of the most brilliant speakers in the Methodist church, an educator who has held positions of high responsibility and his presence will add materially to the interest of the conference.

The conference program for tomorrow follows:

9:00 a. m. to 9:30—Joint sacramental service of Spanish and English missions. Bishop Edwin Holt Hughes presiding.

9:30 a. m.—Organization of English missions, followed by a business session.

10:00 p. m.—Devotions led by Rev. L. Fernandez, followed by the organization of the Spanish mission conference.

11:00 p. m.—Business meeting of the Woman's Home Missionary society.

8:00 p. m.—Address by Bishop Edwin Holt Hughes, D. D., LL. D., to the Spanish mission conference. There will be an interpreter for this address.

## SELIGMAN NAMED TO LEGISLATURE BY DEMOCRATS

### Santa Fe County Convention Nominates Strong Ticket; Royal Second Candidate for House.

Santa Fe, N. M., Sept. 16.—Santa Fe county Democrats, after several adjourned sessions and conferences of delegates to the county convention, have named a ticket of legislative candidates which probably will carry the county by large majorities. They are Arthur Seligman, for years a leader in the party in the state and one of the leading business men of the capital, and Jose Inez Roybal of Pajarito, member of the state board of penitentiary commissioners. Both men are popular and recognized as men of high integrity. Their selection is highly approved and will bring out the full strength of the Democratic vote.

## MUCH COIN TAKEN IN BY COUNTY ROAD BOARD

### Between \$3,000 and \$4,000 in Taxes has Been Collected. Funds Well Spent on Improvements.

More than twice the amount ever collected before, will be taken in by the county road board as a result of

the road tax collections. So far between \$3,000 and \$4,000 has been garnered. The latter sum, at least, will be collected before the stream of payments ceases. The larger sum ever collected before from the road tax was \$1,800.

Before beginning this collection, Chairman John Beaven and the other members of the road board determined that it would be done systematically. It was. Every source of collection was tapped, and no favorites were played. No favors were shown, and when the collector went after the tax, he either got the money or the county will get the work equivalent to the cash. In the outside districts virtually all the taxpayers work on the road tax.

Naturally, as a result of the meeting, the road board has been able to do a good deal of work that otherwise would not have been attempted. The money made the canyon road possible and it brought about the work on the road from the bridge to second street and the county line. It will enable the board to do much more a addition to that.

Mr. Beaven said today that the knowledge that the road tax was being put into roads and that all the money the board got would be expended for the benefit of the taxpayers led numbers in the city to send their money in voluntarily. In the past there has been little of that spirit exhibited by the people.
