Hon. W. H. Andrews, Albuquerque, N. M. Albuquerque, N. M.

Dear Sir:—We the undersigned citizens of Bernalillo County, recognizing the conspicuous service rendered by you to the Territory of New Mexico while representing the Territory in Congress as its delegate, and further recognizing that there is a widespread demand throughout the state that you should represent the State of New Mexico in the next United States Senate, respectfully ask that you permit the use of your name at the next Republican state convention as a candidate for the nomination for the United States Senate. We individually pledge hearty support of your candidacy for the nomination and will do all we can to secure your election if you are nominated.

TO THE REPUBLICANS OF NEW MEXICO: Albuquerque, N. M.

In petitioning Hon. W. H. Andrews to permit us to use his name as a candidate for the United States Senate we believe that we are voicing the sentiment of a great majority of the republicans of New Mexico. The needs of our state are too well known to require extended comment at this time; suffice to say, that at no period in the development of the Territory was there ever secured by any other man, such beneficial legislation as was secured by Mr. Andrews during the period he was our delegate in Congress. Great as were the needs in those days, greater still is the need of a schooled statesman these days to represent this state in the United States Senate.

We as Republicans are firm in our belief that this year will see the return of the Republican party to power, and with it will come the prosperity so badly missed the past three years. When that time comes it will be well for the state of New Mexico to have a man in the Senate who is high in the councils of his party, one who, knowing the needs of the state, can have the experience and influence to bring about legislation which will be of lasting benefit to the entire state. We have faith in Senator Andrews, we know his ability and strength, and we know that with his election will come much needed assistance for every part of the state. Knowing these things, we, with three thousand other Republicans of Bernalillo County have asked him to become our standard bearer, knowing full well that this demand will be heartily met by Republicans of all sections of the state.

C. O. CUSHMAN, *President.* JOHN VENABLE, *Secretary.* For—THE BUSINESS MEN'S COMMITTEE OF THE CITY OF ALBUQUERQUE AND BERNALILLO COUNTY.

Albuquerque, N. M.

To the Honorable C. O. Cushman, and the More Than Three Thousand Other Gentlemen Whose Names Appear on the Petition Requesting Me to Become a Candidate for the Republican Nomination for the United State Senate:

I thank you for the confidence expressed in your petition, for the honor, and the high compliment implied by its request. The request you have presented is signed by men who are representative of a very large percentage of the business and professional interests of the city and county, together with nearly eighty per cent of the Republican voters of the city and county it represents a demand which can't well be ignored. On this showing of union and strength among my neighbors, I shall enter the race for the nomination, and I do so confident of the outcome, both in the primaries and the election next November.

Once more this year we will see the turning of the political tide, and the November election will bring to Washington a chief executive backed by a substantial majority of Republicans in both houses, pledged to the restoration of prosperity, in which event I will, if elected, be able to secure for New Mexico such needed legislation as will add materially to her development. I point with pardonable pride to my service to New Mexico. During her territorial days, while I was your delegate in Congress, I was able to secure for this territory more than was had from the federal government by almost any other congressional district in the United States, and that, too, notwithstanding the fact that I had no vote even on matters affecting the territory I had the honor to represent. I have a definite knowledge of the needs of the state, and I believe that I know how, and have sufficient influence, if elected, to get these things done. I therefore consent to become your candidate for the Republican nomination for the United States Senate, and I pledge myself, if elected, to fulfill the confidence imposed in me by the three thousand neighbors who have signed this petition. I will greatly appreciate all the assistance rendered to secure for me the nomination, I shall use all honorable means at my disposal to that end, and if nominated I will do my utmost to lead the party to victory in this state, and, if elected, I pledge my best energy and all my ability to serve the people of New Mexico.

Very respectfully, W. H. ANDREWS.
