CONTROL OF CONGRESS

The question of which party will control the house of representatives in the next congress is the subject of much discussion in Washington. The Republicans claim to have the support of a majority of congressmen in a narrow margin of perhaps 100 votes. It is not clear, however, whether the Democrats will be able to carry the house. The Democrats have a majority in the senate, but the Republicans claim to have a majority in the house. TO SHARE IN PROSPERITY

That the workers of the United States to the number of 27,000,000 will share in the prosperity of the country to the extent of \$200,000,000 is the prediction made by those who are in a position to know and based on reports made to Secretary of Labor W. B. Wilson. The number of persons affected by increases in salaries and wages, bonuses, profit-sharing plans and insurance benefits.

TO CHRISTEN 'NEW MEXICO'

It is announced that Governor McDonald has selected Miss Margaret De Baca, daughter of Governor-elect F. C. De Baca, to christen the new freighting New Mexico. The selection was made at the request of the navy department for the governor to choose a representative New Mexico woman to break the bottle of wine over the vessel's bow and formally christen the world that the United States had launched another fighting machine.

THE CHRISTMAS STAR
 Since ancient Bethlehem's birth
 The Christmas star arose,
 Astronomers have vainly sought
 It elsewhere in the skies,
 But when the bells on Christmas Eve
 Depict the glad refrain
 Of "Peace on earth, goodwill to men,"
 Should it shine again?

TO CLIP COUP'S WINGS
 When I'm all alone and sad
 And I'm all alone and sad,
 I'll take a book and read
 And I'll take a book and read,
 I'll take a book and read
 And I'll take a book and read.
