San Francisco, May 29.—The Steamship Colima with 163 persons aboard foundered off the coast of Mexico on Monday. Fourteen passengers and five members of the crew reached Mazatlan, Mexico, yesterday. The Colima sailed from San Francisco on May 18 for Panama and way ports. She carried 112 passengers, forty in the cabin, and fifty-six whites and forty-six Chinese in the steerage. Officers and crew numbered seventy. Alexander Center, general agent of the Pacific Mail company, says he is confident other boats will come in but if there was any loss of life it will be impossible to give a full list of the dead as on her way down the vessel touched, picked up other passengers in addition to those from this city. Following is a list of the passengers and destinations as far as known: Cabin, O. H. Orms, J. E. Roberts and wife, Prof. Harold Whiting, Mrs. Whiting and four children, Miss Helen Miller, W. H. Boyd, C. L. Collidge, T. W. Constantine, G. Rowan, Peter Golaiss, F. Bollean, John Keller, Albert Morton, Chas. Rumein, Allen McBeth, Mrs. H. J. McMorris, all of New York; George Farrell, Mrs. A. Glock and two children, John Stein, for San Jose, Guatemala; Antonio Bamez, Jose Antonio Saliz, Jose Meril, Breno Cerda, Felix Silvers, all for Panama; C. W. The names and rank of the officers of the Colima are as follows: J. F. Taylor, captain; D. E. Griffith, first officer; George Langborne, second officer; O. Hansen, third officer; W. T. Later.—The Merchant's Exchange has the following despatch from Manzanillo: "Steamer Colima total loss. One hundred and sixty passengers and crew lost. Twenty-one saved. Much bullion lost."

The Leader Dead.

New York, May 29.—A despatch to the Herald from Santiago de Cuba says it is unofficially announced here that General Maximo Gomez, leader of the Cuban revolutionists, died Friday last from wounds in the right cheek received at the battle of Dos Rios.

M'KINLEY TURNED DOWN.

The Foraker Faction Wins at the Ohio Republican Convention.

Zanesville, Ohio, May 29.—It was midnight when the Republican state convention, on the sixth ballot, nominated Gen. Asa Bushnell, of Springfield, for governor, yet the delegates were up early this morning working for their favorites for other nominations. They cheered Chairman Foraker heartily as he entered the hall. The convention reassembled at 9 a. m. Secretary Foster, chairman of the committee on resolutions, presented the platform which was adopted and cheered as it was read, especially the resolution on McKinley and Foraker. Gen. A. W. Jones, of Youngstown, was nominated for lieutenant governor by acclamation. General Jones was in the civil war, and both were on Governor Foraker's staff and are great friends of the general.

A CLEAN SCOP.

The Foraker men named the whole state ticket. They also secured control of the state central committee. The most notable defeat to-day was that of Major Charles Dick for auditor. He has been chairman of the Ohio Republican state executive committee for three years, and was Gov. McKinley's political manager. Dick was defeated by W. D. Gilbert, one of the most aggressive Foraker men in the state.

Senator Sherman, Secretary Foster and other old time leaders occupied seats on the stage and saw the slaughter of the "moss-backs" by the "kiddies" who were headed that McKinley will be accorded the Ohio delegation at the next national convention, but it is whispered that the delegation will be no more sincere than those which Sherman had from the state when a candidate for the nomination for president.

THE TICKET.

Later.—Following is the ticket complete: Governor, Asa F. Bushnell, Springfield; lieutenant-governor, Asa W. Jones, Youngstown; auditor, W. D. Gilbert, Caldwell; supreme judge, Thaddeus A. Minshall, Chillicothe; clerk supreme court, Josiah B. Allen, Athens; attorney general, Frank B. Monette, Findlay; treasurer, Samuel B. Campbell, Steubenville; for board of public works, E. L. Libarger, Coshocton.

Murder in Union County.

A shooting affray took place between two men employed on the sheep ranch of F. D. Wight, of Trinidad, forty miles north of Clayton, in which Castro Cordova was shot and instantly killed by Juan Hidalgo. Ill feeling originating in a quarrel a dance had long existed among them.

Cordova was shooting birds with a six-shooter and had fired away four of the six cartridges in his pistol. Some talk of an unpleasant nature passed, when Cordova is reported to have said to Hidalgo: "I'll show you how to shoot now." At the same time picking up a Winchester and aiming it at him. The latter was, however, on the watch, and instantly fired his two remaining cartridges at Cordova, causing instant death. Hidalgo at once gave himself up, was brought to Clayton and confined in jail.

Generous Pension Decision.

Washington, May 29.—Assistant Secretary Reynolds has decided that where a widow is denied or deprived of a pension by reason of open adultery, the pension may be allowed to her minor children, or children of the soldier under 16 years of age, in the same manner as if the widow's right to the pension had terminated by her death.

GEN. GRESHAM'S FUNERAL.

Scenes at the National Capital in Honor of the Distinguished Statesman.

Washington, May 29.—Before 8 o'clock this morning funeral tributes to the late Secretary Gresham began to arrive at the Arlington annex in which the remains of the secretary of state lay. Most of these were sent to the White house where religious services were held. Mrs. Gresham was so broken in spirit and exhausted that she was prevailed upon not to attend the services at the White house. At 9 o'clock the family retired from the apartment containing the body. At 9:15 President Cleveland's carriage arrived bringing the president and Col. Wilson. Mr. Cleveland looked far from well.

Five red-coated trumpeters marched up Lafayette place and stationed themselves outside the line of mounted police to give the signal when the cortege departed. Thirty seconds later a hearse drawn by two coal-black horses drew up at the door. The president, followed by members of the cabinet in the order of their rank, acting as honorary pall bearers, descended the steps and stood with uncovered heads while eight artillery men carried on the casket shrouded in the folds of the American flag. The stars and stripes could hardly be discerned for the flowers banked upon the casket.

At the White house the funeral services were conducted by Bishop Hurst, of the Methodist church, and thence the remains were escorted to the Baltimore & Ohio depot and sent by special train to Chicago where the burial will take place.

MEMORIAL DAY.

Program for the Observance of the Patriotic Event To-morrow—The Mayor's Proclamation.

To-morrow, Memorial day, will be generally observed by the people of Santa Fe. The mayor has issued the following:

PROCLAMATION.

In accordance with the time honored custom of the patriotic people of our country to observe May 30, as Memorial day, dedicated to the memory of the patriotic dead, and at the request of the members of Carleton post No. 3, G. A. R., to unite with them in the memorial services to be held at the National cemetery at Santa Fe, and believing that the time has come when all sectional animosities should be laid aside, and all our people united in cultivating a national fraternity, and patriotism;

Now therefore, I, Charles F. Easley, mayor of the city of Santa Fe, do hereby recommend and request that on that day, the people of the city of Santa Fe decorate their homes and places of business and during the memorial services, in the afternoon of that day, they close their places of business, and join with the members of the Grand Army of the Republic in their memorial services at the National cemetery.

THE PROGRAM.

The parade will form on Lincoln avenue, its right resting on Palace avenue. The forward command will be sounded by bugle at 8 o'clock p. m. sharp. The procession will move by the north and east side of the plaza to San Francisco street, and thence via Rosario avenue to the National cemetery.

ORDER OF PROCESSION.

Chief Marshal J. H. Sloan and Staff. Co. B. 1st New Mexico Militia, Capt. William Strover, Commanding. Carleton Post, G. A. R., and Visiting Sons of Veterans. Santa Fe Fire Department. Citizens Societies. Federal, Territorial, County and City Officials. Ladies of the Floral Committee. Citizens in Carriages. Citizens Mounted. The following are named as sides to the marshal: J. R. Hudson, S. S. Beatty, E. L. Bartlett, C. W. Dudrow, Evaristo Lazero, Jose Cortez. Orderly to the marshal, Master Carl Bergmann.

ROUND ABOUT TOWN.

Send flowers to Fireman's hall early to-morrow morning. No paper will be issued from the New Mexican office to-morrow, Memorial day. Chief Bacon requests all firemen to report at 2 p. m. to-morrow to take part in the Memorial day exercises. Santa Fe boasts of having the only national cemetery in the southwest, and to-morrow more than 600 graves will be decorated. A daughter was born this morning to Mr. and Mrs. John H. Walker and Judge Walker is grand-pa again. Mother and child are doing well. George North, of Cerrillos, was in town yesterday offering to bet two to one that the verdict in the Chavez conspiracy case would be hung up by a disagreement of the jury. His bets were promptly taken. Veterans Harry Snyder and Jim Bentley will lead the drum corps to-morrow, assisted by Messrs. Crighton, Hogle and others. The corps will meet to-night at Captain Hudson's store for practice. The Carleton post committee on decorations of graves outside of the national cemetery consists of W. S. Fletcher, August Weiler and Daniel Carter, and will meet at Fireman's hall at 9 a. m. to-morrow. Willie Prince and Seldon Day went wading up the canon yesterday and the former found a bed of goldsand that made life a very serious matter with him for a few minutes. In struggling to extricate himself he encountered a piece of tin that cut a deep gash in his foot. He will be laid up ten days as a result. The Texas, Santa Fe & Northern railroad, running from Santa Fe to Espanola, a distance of forty miles, will be sold in Santa Fe on June 3, to satisfy a judgment for \$1,160,288.83 held by the Farmers' Loan & Trust company, of New York. The Denver Republican says: "The Denver & Rio Grand should buy in the Texas, Santa Fe & Northern when it is sold on the 3d of next month. It is true that it can use that line now to reach Santa Fe, but it is not as though it were the owner. The Rio Grand never has paid sufficient attention to New Mexico as a traffic field."

A Week of Beneficent Rains Throughout New Mexico—Rejoicing Among Farmers, Fruit Growers and Stock Raisers—Prospects Bright.

U. S. DEPARTMENT OF AGRICULTURE, Weather Bureau, Santa Fe, N. M., May 28, 1895.

The past week has been one of rejoicing among the farmers, fruit raisers and stock growers of New Mexico. The week commenced with a general rainstorm in progress. This proved to be of great benefit in the southern part. The greatest total rainfall reported for the week was 3.71 inches at Gallinas Springs, about thirty miles southeast of Las Vegas. Circula, near Wagon Mound, was next in amount with 3.23 inches. Las Vegas with 2.97 and Ocate with 2.94 inches were next in line.

In the southern part of the territory the rain was generally less than half an inch except at Roswell, where the record was 2.27 inches. Everywhere the rain fell slowly and was all absorbed by the ground. The value of this rain can hardly be estimated. The weather during the week was cool and generally more cloudy than usual. The loss of young lambs was increased by the cool weather and rain. Some alfalfa that had been cut just before the rain was injured but the extent of such damage was very small. Fruit and crops of all kinds are in excellent condition and the stock ranges are rapidly improving.

The following extracts from a few of the reports received at this office will be found of interest: Albuquerque.—Prof. M. R. Gaines—Nice rains on 23d and 24th; rain falling quietly and all soaking into the ground. Conditions for feed and crops decidedly improved. Total rainfall for week half an inch. Alamo.—Wm. French—A nice shower on the 21st and a real good rain all over on the 23d and 24th. Look for marked improvement in the ranges from now on. Aztec.—Prof. H. H. Griffin—The weather during the past week has been cloudy and cool with considerable rain. No frosts or detrimental conditions. Bernalillo.—Brother Gabriel—Fruit is looking fine here. Immense improvement during the past week. Vineyards are better than years past. Corn and vegetables are quite large. Grazing is promising and will greatly improve on the close of the fine rains. Alfalfa now in bloom and first crop will soon be cut. Engle.—G. A. Foley—Two fine rains this week—just in time to save the grass. Patches of green beginning to show already on the ranges. Gallinas Springs.—J. E. Whitmore.—During the past week 3.71 inches of rain fell. Have not seen such a rain for years. The ground in fine condition. Rain was very slow and steady. A good many lambs were lost during rain from getting chilled. Water everywhere on ranges and soon will be plenty of food for the stock ranges. In irrigated sections too much water for pleasure, but no harm done except to small quantities of unstacked hay. Rainfall, 2.27 inches. Santa Fe.—U. S. Weather Bureau.—A steady soaking rain during the early part of the week was of the greatest benefit to all kinds of crops. Fruit in good condition. Springer.—J. C. Stansell.—Rainy week; total rainfall, 1.70 inches. Watrous.—Dr. J. E. Pring.—Past week very wet. Crops doing well. River very high.

CLOSE TO \$20,000.

This Amount to Be Expended in Improvements at the National Cemetery—Official Notice of Contracts.

Supt. Theodore Joseph, of the National military cemetery, has received official notices informing him that the depot quartermaster, U. S. Army, had awarded the building contracts for the cemetery as follows: Stone lodge and out-houses, Digneo Bros., \$5,851; 1,585 lineal feet of stone wall, Q. Monier, \$4,344.70. Contracts already let for the grading and laying of walks, placing sewerage pipe, the flag pole, iron gates, etc., cover nearly \$5,000 more, and before the year is out it is probable that fully \$20,000 will have been expended here. Beautifying this nine-acre suburban tract. The iron gates are elaborate in design and come from the Champion foundry at Canton, Ohio, at a cost of \$550. Mr. Phil Harroun is employed as civil engineer. Mr. Joseph is greatly elated over the progress of this work, and, if only the citizens will bring moral suasion enough to bear on the city council and have that new thoroughfare opened to the cemetery, he will be positively happy. N. B.—So will the New Mexicans.
