

THIRTY-FIFTH LEGISLATIVE ASSEMBLY

(Continued From First Page.) give statements of his revenues. He said he was opposed to pouring public money into the pockets of private individuals. Mr. Fall said that by repealing Section 2 the Council would repeal all laws requiring insurance companies to file bonds of any kind. He again insisted that the Council was doubling the fees of the auditor when he does not need it. He declared the auditor's office to be a magnificently paid one and said there was not one of the officers who would refuse it if the present salary was reduced. Mr. Fall moved to recommit the bill to the judicial committee. Mr. Spless thought it should go to the committee on territorial affairs. Mr. Duncan discovered that Mr. Hughes had moved to have it recommitted to the judicial committee and that the motion was seconded by Mr. Albright. Mr. Spless said it made no difference where the bill went and Mr. Jaramillo agreed with him. Mr. Hawkins said it was a poor state of affairs where councilmen were indifferent when a private snap was being fixed up. Then by unanimous consent the bill was recommitted to the committee on education.

Council Bill No. 9, An act to appropriate \$5,000 for the drilling of the Artesian well at the penitentiary was taken from the President's table. Mr. Fall moved to make the appropriation \$10,000 to be paid out of the permanent improvement fund from the sale of penitentiary lands. The amendment was adopted and the bill as amended was passed.

By unanimous consent Mr. Amado Chavez introduced Council Bill No. 96, An act granting certain lands in the city of Santa Fe to the Women's Board of Trade as a site for a public library. The land is on the west side of Washington avenue and has a frontage of 100 feet. It was referred to the committee on territorial affairs.

By unanimous consent Mr. Hawkins introduced Council Joint Resolution No. 4, calling on the treasurer, auditor and secretary to report at once the amount of salary received by each and of fees from all sources. It was adopted.

Mr. Spless from the committee on judiciary, reported House Bill No. 26, the Ortega acquita bill, and recommended that it be passed with the amendment that it shall apply only to Bernalillo and Socorro counties. As amended the bill was passed.

The Council then took a recess until 3 o'clock.

THE HOUSE.

(Morning Session.) The House was called to order promptly at 10 o'clock. In the absence of the chaplain, no prayer was offered. The journal was read and approved. A message was received from the Council that it had concurred in House Bill No. 95; failed to concur in House Bill No. 118, relating to archives and had passed a substitute; passed Council Bill

No. 63, relating to detaching Espanola precinct from Santa Fe county to annex it to Rio Arriba county; passed Council Bill No. 82, relating to authorizing cities to collect and dispose of garbage; passed Council Bill No. 84, for creating district attorney's districts.

Mr. Cristoval Sanchez moved to take up the bill to attach Espanola precinct of Santa Fe county to Rio Arriba county under suspension of the rules. Mr. Kilpatrick denounced the bill as rank injustice. Mr. Vargas urged that the rules be suspended and said he held petitions that it be done.

A petition which Mr. Vargas sent to the desk and which was dated Espanola was read. Mr. Baca moved to amend the motion to suspend the rules by having the bill referred to the committee on county and county lines as many members are absent. He said that this would give an opportunity to all parties to be heard before a fair and just committee. Mr. Baca said Santa Fe county should be given an opportunity to be heard and the committee should fix an hour for both sides to be heard. Mr. Baca made a strong plea for the bill to take its regular order. Mr. Ortega raised the point that a motion to suspend the rules cannot be amended. The Speaker ruled against him and Mr. Cristoval Sanchez moved to lay Mr. Baca's motion on the table. In explaining his vote, Mr. Baca made another strong plea that Santa Fe should be heard. Mr. Llewellyn said the request to refer was reasonable, but that he was satisfied that the House had determined to pass the bill and he could see no use in going against a majority that is determined to pass it. Mr. Eduardo Martinez said the request to refer is reasonable and he was opposed to rushing the bill through. Mr. Cristoval Sanchez said the people of Espanola were not consulted when they were annexed to Santa Fe county. Mr. Martin Sanchez complimented Mr. Baca and Mr. Kilpatrick for defending Santa Fe county, but said that this is a day of restitution and the request of the people of Espanola should be heard. Mr. Baca's amendment was tabled by 14 to 4. Messrs. Baca, Kilpatrick, E. Martinez and the Speaker voting nay. The rules were suspended by the same vote. On motion to read the bill the first, second and third times, the vote was the same, 14 to 4. The bill was then read. Mr. David Martinez, Jr., moved the passage of the bill. Mr. Baca on roll call, made an energetic protest against the passage of the bill. He declared it to be unfair and unjust. Mr. Martin Sanchez said that Santa Fe county must eat of its own cooking. Mr. Vargas said that there had been ample time to present arguments against the bill. The bill was passed by a vote of 15 to 3. Messrs. Baca, Kilpatrick and the Speaker voting nay.

A petition was presented from American trainmen working in Mexico asking for ample protection when held for railroad accidents and arrested therefor and asking that the petition be endorsed and a memorial to the president of the United States be adopted.

The committee on judiciary made the following report: House Bill No. 119, An act to amend the laws relating to the death penalty, passage recommended; House Bill No. 100, An act re-

specting the property rights of married women, passage recommended; House Bill No. 50, An act to repeal Sections 46, 47, 48, 50, and 51 of the Compiled Laws of 1897, and to amend Section 1860 of the same laws, passage recommended; House Bill No. 58, An act making Socorro county a separate district attorney's district, passage recommended; Council Bill No. 15, An act to amend the laws relating to pleadings, passage recommended; Council Bill No. 64, An act to amend the election laws, passage recommended; House Bill No. 48, the local option bill, passage recommended; House Bill No. 104, An act relating to the duties of peace officers, passage recommended; House Bill No. 51, An act relating to the rights of married women, passage not recommended; House Bill No. 132, An act relating to procedure in criminal cases, passage recommended.

The committee on territorial affairs favorably reported Council Bill No. 65, An act to amend Section 7, Chapter 47, Session Laws of 1901. The committee on irrigation favorably reported amended Council Bill No. 68, An act relating to the injury of pipe lines. The report of the committee which visited the College of Agriculture and Mechanic Arts at Mesilla Park was read in full. It paid a high tribute to the work and management of the institution. Mr. Martin Sanchez moved the adoption of the report with cheers and that it be spread on the journal. The report was adopted without cheers, however.

Mr. Llewellyn asked unanimous consent to take up the memorial for the protection of the lives and liberty of American citizens in Mexico. This was granted and it was amended by Mr. Ortega so as to apply to all American citizens and not only trainmen, and as amended was adopted.

The following bills were introduced: House Bill No. 146, by Mr. Baca, An act granting certain lands in the city of Santa Fe to the territory of New Mexico; referred to the committee on municipal corporations. House Bill No. 147, by Mr. McCash, An act relating to public highways; referred to the committee on roads and highways. House Bill No. 148, by Mr. Llewellyn, An act to amend Section 10, Chapter 81 of the Session Laws of 1899; referred to the committee on irrigation. House Bill No. 149, by Mr. Llewellyn, An act to encourage sanitarians in New Mexico; referred to the committee on judiciary. House Bill No. 150, by Mr. Coleman, An act to amend Section 2, Chapter 72, Session Laws of 1901; referred to the committee on railroads. House Bill No. 151, by Mr. Kilpatrick, An act to authorize county commissioners to have certain lands surveyed so as to provide for better tax returns; referred to committee on territorial affairs.

The House took a recess until 2 o'clock this afternoon.

THE COUNCIL (Afternoon Session.) When the Council met this afternoon Mr. Jaramillo asked unanimous consent to report Council Bill No. 96, An act granting land to the Woman's Board of Trade of Santa Fe for a library. It was recommended for passage. The report was adopted and Mr. Hawkins presented an amendment exempting the tract from taxation and this was adopted. The bill as amended passed.

The Council then adjourned until 10 o'clock Wednesday morning.

THE HOUSE (Afternoon Session.) When the House was called to order, by unanimous consent, Mr. Llewellyn's bill to encourage sanitary in New Mexico, was read in full for information, and under suspension of the rules was passed.

The committee on municipal corporations favorably reported Council Bill No. 54, An act providing for the annexation of land contiguous to cities and towns. Mr. Baca asked that the rules be suspended to take it up for passage. Mr. Cristoval Sanchez objected and moved to table the motion. It was lost by 6 to 12. The rules were suspended by 14 to 4. Mr. Cristoval Sanchez moved to adjourn and it was lost. He then moved to recommit the bill and Mr. Baca moved to table the motion and this was done by 13 to 5.

Mr. Cristoval Sanchez moved to adjourn and it was lost. The previous question was demanded. Mr. Pendleton flayed Mr. Sanchez for his dilatory tactics and his remarks were received with applause. Mr. Sanchez explained his vote at great length. Mr. Llewellyn and Mr. Baca reminded him he had asked a suspension of the rules in the morning. Mr. Stockton protested against Mr. Sanchez being permitted to speak so long. Speaker Montoya ordered him to confine himself to his rights or he would order him to his seat. Mr. Sanchez then sat down. The main question was ordered by 13 to 5. Mr. Cristoval Sanchez moved to adjourn, but it was lost. The bill was then passed by 16 to 2.

House Bill No. 76, An act to define the preference rights of ex-U. S. soldiers, widows of soldiers or heirs, in respect to leasing Sections 16 and 36, was then taken up and passed. The House then adjourned until 10 o'clock tomorrow morning.
