TWICE-TOLD TESTIMONY.

Santa Fe People Are Doing All They Can for Fellow Sufferers.

Santa Fe testimony has been published to prove the merit of Doan's Kidney Pills to others in Santa Fe who suffer from bad backs and kidney ills. Let any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Santa Fe people saying that the cures they told of years ago were permanent. Here's a Santa Fe case:

Ruperto Martinez, living at 106 Griffin Street, Santa Fe, N. M., says: "Some five years ago I was a good deal troubled with pain in my back and had been off and on ever since I was a young man. I had difficulty with the kidney secretions and there was a severe scalding sensation accompanying them. Procuring Doan's Kidney Pills at Ireland's drug store I took them and they cured me. My back was made as strong as ever, the kidneys were normal and natural and I have not had any trouble since. When I notice a slight symptom of the trouble returning Doan's Kidney Pills never fail to remove the difficulty immediately. I have nothing but words of praise for them and it gives me pleasure to re-endorse them." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

TO BORE FOR OIL NEAR GALLUP

Value of the Trans-Pecos Basin Soon to Be Determined—Prospects Are Very Encouraging.

McKinley County has entered the race for oil honors. During the past two weeks three companies have been formed to prospect for oil in the vicinity of Gallup. A number of experts who have visited the Gallup field are impressed with the geological formations of the district, which, they seem to think, warrant a thorough prospecting for oil.

The Gallup Oil and Land Company and the Crescent Oil and Land Company are the two companies lately formed to exploit the district. The officers of the Gallup Company are John Bowie, president; Peter Kitchen, vice president; F. P. Kendrick, general manager; W. H. Morris, treasurer; L. E. Gould, secretary. Enough money has been subscribed by the members to complete the organization, make necessary surveys and carry on other necessary expense.

Indications of oil have been found in Reeves, Brewster, Pecos and El Paso Counties, in Texas, and in the Pecos Valley of New Mexico.

Sufficient work has not been done to determine the extent or the value of the oil fields, but the recent formation of a number of companies indicates that the future of the New Mexico oil fields will soon be determined.

NEW RAILROAD FROM TEXICO TO TUCUMCARI.

Texico, N. M., July 26.—At an enthusiastic mass meeting held here Texico business men and citizens decided to at once organize a company to build a road from Texico to Tucumcari, a distance of about 80 miles. A committee consisting of Messrs. J. M. Hamlin, J. M. Kindred, S. F. Woodling and Mart Roberson was appointed to confer with Tucumcari people with a view of gaining their cooperation. Such a railroad line would connect the Santa Fe at Texico and the Rock Island at Tucumcari, and afford an outlet for the Dawson coal fields to Texico and eastern New Mexico and southwestern Texas. A fine agricultural country will be traversed and four townsites will be located. The land on the route is all good and recently surveyed.

The only apparent difficulty to be surmounted will be the scaling of a hundred foot drop known as Cape Rock, which is about midway between the two points and even that may be avoided by making a slightly circuitous route thereabouts. There is no doubt as to the commercial value of such a road.

Already between \$50,000 and \$75,000 have been pledged by local parties for the new road.

GUARDSMAN ATTEMPTS TO MURDER COOK

Las Vegas, N. M., July 26.—A tragedy was narrowly averted at the National Guard camp grounds here yesterday, where the Territorial militiamen are in annual encampment when T. F. Cox, a member of the Silver City Company ran amuck with a bayonet and made an unsuccessful attempt on the life of one of the camp cooks. Cox, who it is alleged was intoxicated, lunged at the defenseless cook with a bayonet and but for the prompt action of several of his comrades, would have committed murder. After a hard struggle he was overpowered and brought to this city and placed in jail. He will be returned to Silver City Saturday, where he will be court-martialed.

When there is the slightest indication of indigestion, heart burn, flatulence or any form of stomach trouble take a little Kodol occasionally and you will get prompt relief. Sold by The Ireland Pharmacy.

INSTALLING TELEGRAPHONES ON SOUTHERN PACIFIC SYSTEM

El Paso, Texas, July 26.—The Southern Pacific Railway Company is installing telegraphones over its lines in New Mexico and Arizona for the convenience of the service and general business. With one of these instruments a superintendent can talk with any station or section point from the train to the office or from his motor car. All that is necessary is to throw a temporary wire over the telegraph wire and attach a ground wire to a rail and any office can be called anywhere along the line, each having a different signal. The instruments work successfully and do not in the least interfere with telegraph messages that may be going over the wire at the same time.
