That's why you came west!

There is a beautiful little valley that nestles between the highest mountains of the Rockies on the upper Pecos river; ideal altitude, 7,000 feet, and temperature identical with Santa Fe. Its streams swarm with trout and the woods and ranges are filled with game large and small. The ranchers live the life of the west. There are mountain lion, bears, deer and wolves for the hunter. There are saddle ponies to be had for the asking, rooms in a big, rambling ranch house with wide verandas, tent rooms or a cabin if you want it. The days are never dull. You see a great ranch and the genuine western life. Fresh milk, butter and eggs—all you can drink and eat. Sleep in blankets at night—fish in your shirt sleeves during the day. You couldn't spend more than \$9 a week if you tried. It's the place you are looking for. Accommodations for both men and women.

Inquire this office or address THE VALLEY RANCH, Pecos N. M.

**METHODIST SPANISH MISSION GROWING**  
In Northern Part of New Mexico—A Large Increase Shown in Number of Communicants.

There passed through the city yesterday en route home three ministers belonging to the Spanish Missions of the Methodist Episcopal church in New Mexico. They were in return home from attending the conference of the missions last week in Albuquerque. Two of them live and work in the county of Taos and one in the county of Rio Arriba.

In talking to a representative of the New Mexican, they stated that mission work of their church in the northwestern counties among the Spanish speaking population was progressing favorably and quite satisfactorily. Where twenty-five years ago members of their church there were numbered by ones or twos they are now growing into the hundreds.

Rev. Eulogio Montoya, has a parish at Taos, the interesting and picturesque county seat of Taos county. He is forty-eight years old and has been in the service twenty-three years. He commenced with a half dozen communicants and now has one hundred and seventy-eight and eleven on probation.

Rev. Cruz C. Martinez, stationed at Dulce, Rio Arriba county, has one hundred and ninety communicants under his charge and seventy-five on probation. He is fifty-seven years of age and has been twelve years connected with church work; Rev. Romulo Suazo of Costillo, a fruitful section in Taos county, has fifty-six communicants in his charge and twenty-five on probation. He is fifty years old and has been in the church nineteen years.

Each pastor has a church edifice for services and Mr. Montoya at Taos has two, one in Taos proper and one about two miles off. A comfortable residence has also been provided for each pastor. All these buildings are the property of the Spanish Missions of the Methodist Episcopal church. They hold services and preach in the Spanish language and their congregations are almost exclusively composed of native citizens of Mexican descent.
