THE WOLFORD STOCK COMPANY

Commencing Monday, November 11 at the Opera House—A Good Show.

One of the best attractions that will appear in Santa Fe this season will be the old and ever popular Wolford Stock Company, presenting the talented actress, Miss Mamie Sheridan Wolford. Miss Wolford has the strongest company this season that she has ever had, and her repertoire consists of a full line of new and royalty plays, each properly produced and costumed. The gowns worn by the ladies of the company are the perfections of the costumers art and the admiration of the women of each town in which they appear. On Monday night Miss Wolford will wear an imported Paris gown costing \$300.

The play for Monday night will be the beautiful four-act pastoral comedy drama, "Why Women Sin." "Why Women Sin" is one of the most realistic dramas ever placed before the public. Not one line in the entire play is overdrawn. It deals with every day life and is without doubt the prettiest story ever written. The audience never for one moment loses interest in the play. It is a melange of pathos and comedy interspersed with up to date specialties.

This company will be at the opera house for one week commencing Monday, November 11th. An entire change of plays and specialties each night. Prices will be, 35 and 50 cents. Seats now on sale at the Ireland Pharmacy.

NEW PLAN FOR FILING OLD PATENTS TO LAND.

Washington, Nov. 7.—The commissioner of the general land office has formulated a plan whereby parties having some interest in lands patents for which were issued years ago, but which have never been called for by the patentee, may, without incurring the expense of searching for lost duplicate receipts or furnishing abstracts of title, have such patents sent directly to the proper county officer for record.

It is believed that this method will be the means of placing many of these ancient instruments of record and of straightening out title without imposing expense upon interested parties other than the fees of county officers. It is said that many valuable tracts are thus involved.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine, Wisconsin. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Sold by Cartwright, Davis Company.

BANKS MUST PAY PENSION VOUCHERS

Treasury Department Will at Once Forward Cash to Make up the Amount.

Washington, D. C., Nov. 7.—Word has reached the treasury department that because of reluctance to part with the currency they have on hand, the banks throughout the country are declining to cash pension vouchers, disbursing officers' drafts and other obligations of the government. The treasury department, through Treasurer Treat, took measures to relieve the condition of affairs and sent telegraphic advices to all the sub-treasuries to make prompt payment in currency to all persons holding such drafts of what may be due them. These advices were as follows:

"Upon any national bank forwarding to any sub-treasury officers' checks of United States disbursing officers, including pension certificates, for payment, thereof, if properly endorsed when presented and paid under guarantee by any bank, currency will be shipped in payment thereof by express."

Mr. Treat is taking all possible steps to relieve the tension caused by the present money stringency and is sending out hundreds of telegrams daily explaining the situation and suggesting remedial measures.

Cured of Bright's Disease.

Mr. Robert O. Burke, Elnora, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." Sold by The Ireland Pharmacy.

BEST OF PROOF. That Hyomei Will Cure all Forms of Catarrhal Diseases.

Testimonials could be printed by the thousands, many of them from Santa Fe and nearby towns, that Hyomei is an absolute cure for all catarrhal troubles, but the best proof of its unusual curative powers is the guarantee that The Ireland Pharmacy gives with every outfit that we sell, "Money back if Hyomei does not do all that is claimed for it."

Hyomei is not a secret remedy. Its formula is given free to physicians who want to know what they use when they prescribe Hyomei. It is guaranteed under the Pure Food and Drug Law by serial No. 1418.

By breathing Hyomei, the healing medication goes directly to every nook and corner of the air passages where the catarrhal germs may lurk, and dis-infects and heals. To be convinced of this you have only to give it a trial, remembering that if it does not cure we will refund your money.

The complete Hyomei outfit costs but \$1.00, and in most cases is sufficient to cure the disease, making it not only a scientific treatment but one that is highly economical. Get an outfit today from The Ireland Pharmacy if you have any catarrh.
