Beware of Frequent Colds. A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by all druggists.

RHEUMATIC FOLKS.

Are You Sure Your Kidneys are Well? Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended. Here is Santa Fe testimony to prove it.

Anselmo Armijo, living at 124 Cerrillos street, Santa Fe, N. M., says: "For several years my wife suffered a great deal from back ache, pain in the back of her head and rheumatism. Medicines that she used proved of little or no avail until she commenced with Doan's Kidney Pills which we had the good fortune to learn of and procured a box at The Ireland Pharmacy. The genuineness of this medicine as a cure for the kidneys was amply proven in her case. After using five boxes she was a well woman and has enjoyed good health ever since. I make this statement unsolicited, being prompted to do so that I may show my appreciation of this remedy, Doan's Kidney Pills." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
