AT SANTA FE READING ROOMS TONIGHT.

Mrs. Carrie Jacobs-Bond and Geo. O'Connell, who will entertain at the Santa Fe reading rooms tonight, arrived in the city this morning and will be in the city for the remainder of the week.

Regarding Mrs. Jacobs-Bond, S. E. Busser, of the Santa Fe reading rooms, makes the following announcement:

"I need only print the name Carrie Jacobs-Bond on this circular to gain your attention and interest. To hear her sing, and to see her, and to see her get a glimpse of something brighter and better by hearing her."

"The object in sending out this bill is to let my employer and family know that I am not a fortune teller, but a singer."

"Don't miss Mrs. Bond. I wish you to know her work, her motives, and her heart."

MEXICAN FINDS HIS MONEY ORDER.

Ottawa, April 20.—A Mexican dug up a money order for some \$90 from the grocery store of his pocket at the postoffice yesterday. Whether it was a happy or mad, was so much a question with him that those who witnessed his expression say it was a sight worth paying something to see. The discovery of the paper solved a mystery of long standing.

"The Mexican bought a money order for a big sum, to be sent to his people in Mexico, and he had it in his pocket some months ago. Since then there have been many visits to the office, and much butchering of English on the subject of the lost order. Tracers have been sent out, division officials of the postal department have been worried to distraction, and still there was no trace of the order. Yesterday was another pay day for the Mexicans, and the man who lost the order came into the postoffice to register another check. He did it carefully, for all his hand-picking of language. Finally it occurred to the postoffice people to demand the receipt, which is issued with every order. The Mexican reached into his pocket and triumphantly produced a paper. It was the original order, which had never been mailed. Just what the Mexican really had to know in English, and probably couldn't be printed if it were known."

OLDEST INSTRUCTOR IN THE WORLD WHO IS STILL ACTIVE
—KEEPS UP WITH THE TIMES.

Shazurine, Ia., April 20.—Miss Nancy Frey, of Sigourney, who is seventy-one, opened her eighth term of school a few days ago.

"I enjoy teaching now as much as I ever have, and I've always been very fond of it," she said. "I am very fond of children, and I have never had any difficulty in governing them. I have not found it hard to keep pace with the modern methods, as I attend all teachers' meetings held in the county; also the teachers' normals. When our new superintendent, a young man who thought he would find me a back number, visited my school he spoke in very complimentary terms of my methods, assuring me that as long as he occupied his present office I would be granted a

SPLendid TO USE.

This is the month to rid the system of blood disorders of all kinds, of which rheumatism is the most prevalent symptom and hardest to overcome during the winter months. When the kidneys have failed to filter out the uric acid and other waste matter.

A well-known authority writes that the worst forms of rheumatism, blood disorders, also kidney and bladder weakness are often readily relieved and prevented during an entire year by taking for a little while one teaspoonful of the following mixture after meals and at bedtime:

Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces.

A local druggist states that these are harmless ingredients, which any good prescription pharmacy can supply and anyone can easily mix them at home by shaking in a bottle.

It is said by many of the old folks that the above mixture, if taken during this month, will add years to life and prevent many a sick and miserable day during the year.

The new board will meet April 23 for organization. The thirty-six trustees elected are: Cyrus Curtis, William H. Lambert, Charles C. Brown, George P. Miller, Hugo Baring, George C. Rand, Louis Stern, Henry Phoyss, Leroy Springs, Sir Hiram S. Maxim, Charles A. Peabody, H. R. Duval, Thomas M. Mulley, Emory McClintock, Emil C. Philipp, George Gray, Benjamin F. Tracey, Henry W. Taft, William C. McMillan, Dunout Clarke, Charles Lancer, Charles N. Dickey, Theodore Norfolk, James N. Jarvis, Cornelius Vanderbilt, Julian T. Davies, August D. Julliard, Frederick Cromwell, Alfred E. Shook, John Auchincloss, George E. Baker, Harlow E. Higginbotham, Hamilton McKim, Twombly.

Samuel Untermyer, counsel for the International Policyholders' committee, in a statement tonight, called the canvass a farce. He is hoping to do what they did. They rejected genuine ballots for our ticket that were supported by affidavits of the policyholders and counted ballots for the administration that were shown by affidavit to be forgeries.

The international committee will continue this fight. We are hoping that upon presentation of the facts to the legislature many of the abuses will be rendered impossible.

"I began teaching in the days when teaching was the only profession a woman was allowed to enter with the consent of her relatives. I was aware of two alternatives left for a schoolma'am. I chose to remain a schoolma'am. I don't allow any one to call me an 'old maid.' I have never had a love affair. I am not a man hater. I think very much of a bachelor girl. I don't regard the light of a luxury. I never just exactly felt that I could afford to support myself and one too."

LOVE FOR CHILD ENDS DIVORCE CASE

WOMAN EFFECTED RECONCILIATION WITH HUSBAND RATHER THAN LOSE HER BABY.

Cleveland, O., April 20.—Rather than lose her baby girl, Mrs. George Madison has effected a reconciliation with her husband. Last summer Mrs. Madison created a sensation in the court by declaring she would kill herself if she were not awarded possession of her baby daughter. An arrangement was made giving the son to the father, the girl to the mother. But the husband was not satisfied with the arrangement. The father also was summoned, with a view to turning the daughter over to his wife. Mrs. Madison protested against being deprived of her child, and repeated her threats of self-destruction. When the daughter was asked which parent she liked best, she clung to her mother. The father's heart melted, and with a sob he declared he was willing the wife should have both her children if she came back to his home. The mother accepted the offer, and the reunited family left the court room together.

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of **Mother's Friend** before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. **Mother's Friend** overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first brought Dr. Shoop to the attention of the medical world. In the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. (Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting and beneficial success could have been achieved.)

For stomach distress, bloating, flatulences, bad breath and all other complaints, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
