MEXICO IS TRYING TO HEARING INVOLVES THE POLICE GUARD BISHOP RYANESUQUE ITS RAILROADS

Government Plans By Holding Company to Control All Lines in the Republic.

SOME STOCKHOLDERS OBJECT TO THE PLAN

Some of the stockholders in the Mexican railroad company are objecting to the plan of acquiring the entire system of the company, including the stock of the company, by the government of Mexico. The government is now in possession of the stock of the company and has appointed a group of officials to manage the affairs of the company. The stockholders are objecting to the government's plan and are seeking to have the matter settled by arbitration. The dispute has been going on for some years and has become a matter of serious concern to the government. The government is determined to carry out its plan, and the stockholders are determined to resist it, and the matter is likely to be settled by arbitration.

CLEAVELAND'S ILLNESS HOSPITALS, DOCTORS SAY

Cleveland is suffering from a serious illness. The doctors are careful in their diagnosis, and they are not able to give a definite statement of the condition of the patient. They are making every effort to care for the patient, and they are doing all that can be done to save his life. The patient is in critical condition, and there is much uncertainty as to the outcome of the case. The doctors are doing their best, and they are hoping that the patient will recover. There is much hope, however, that the patient will recover, and the doctors are doing everything in their power to save his life.
