NO. 266.

## CURRENCY CAUSES HOT DEBATE

A MOTION THAT THE HOUSE CON- deposits, the length of maturing of pa-MENTS IS LOST, AND, AMID GOES TO CONFERENCE.

#### MANN WANTS TO TAKE UP HITCHCOCK'S BILL

sent the currency bill to a conference defeated 294 to 59.

A group of middle west Democrats made a futile fight to accept the senits, re-discount of six months agricultural paper and five year farm mortgage loans by national banks.

On its way to conference, the bill convict. struck a snag in the house where a fight over the number of conferees ed delay. Representative Glass asked unanimous consent to disagree to the and Madden of Illinois, contended the house should have as many conferees as the senate and said they desired an opportunity to vote on some of the amendments. Majority Leader Underwood was given unanimous consent to take up the bill, but Representative Murray of Oklahoma, moved to concur in the senate amendments, and the senate amendments and said the desired and the senate amendments and the senate amendment and several senate amendments and the senate amendment and senate amendments and the senate amendment and senate amendments and the senate amendment and s reading of the fifty pages of changes accusation. made by the senate was ordered, causing a long delay in getting the bill before the conference committee.

The fight in the house developed a movement to insure retaining the senate amendment for guarantee of bank

Representative Glass declared the enactment of the measure into law, as

He pointed out several provisions in hearing. the senate amendments, which he

serve requirements as amended by the

"Under this provision," he said, "the total reserves of the banks in the system, both in cash and in credit, with the reserve banks, would be less than SPANISH MINISTER AT WASHINGTON IN holding Within a few months under these provisions we would have a saturnalia of expansion, of wild inflation."

He declared the senate guarantee provision was a "mere pretense". "There are things in this bill which would bring calamity to this country, and they ought not to be

house lined up for a vote.

lican Leader Mann moved to instruct fended his action in confiscating Spanthe house conferees to disagree to the ish property by charging that Spanish the last day of his trial confident of the acquisition of properties demandsenate amendments and agree to the residents in Chihuahua had violated acquittal.
