MANY MARRIAGES IN MONTANA INVALIDATED

BY MORNING JOURNAL SPECIAL LEASED WIRE.
Helena, Mont., Jan. 27.—Hundreds of marriages in Montana are rendered invalid by a decision handed down today by Justice J. Miller Smith in denying the application of Henry G. Collier, of Spokane, for appointment as special administrator of the estate of Mamie Cross Carter, his supposed wife.

Judge Smith held that the marriage of Mrs. Carter to Collier, two months after she had divorced also Collier of New York, was invalid under the Montana law prohibiting the marriage of an innocent divorced person within one year, and a person divorced for cause within three years.

An attempt was made to repeal this law in 1894, but it failed because of a defect in the title of the repealing act. Since that time it had come to be so generally disregarded that few persons were aware that it was upon the statutes.

Miss Mamie Cross was the daughter of Col. Thomas Cross, a soldier. Bank Robbers Make \$3,000 Hoard. If Our Grandmothers Had Only Known MUSTEROLE

How they would have welcomed it. For they knew the blessed relief that the old-fashioned mustard plaster gave for colds, aches and pains.

But they had to take the plaster and the burn of it.

You can get mustard's wonderful effect, without the plaster and without the blister.

MUSTEROLE does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tender skin.

Don't spread MUSTEROLE on a cloth. Don't find it on with a piece of flannel.

Just massage it in with the fingers, briskly. See how quickly it relieves—how speedily the pain disappears.

And there is nothing like MUSTEROLE for Sore Throat, Bronchitis, Neuralgia, Gout, Stiff Neck, Asthma, Stomachache, Headache, Constipation, Neuritis, Rheumatism, Lumbago, Pains and Aches of Back or Joints, Spasms, Sore Muscles, Bruises, Chills, Burns, Frost-bite, Colds of the Chest (it prevents Pneumonia).

At your druggist's. In 25c and 50c jars, and a special large household size for \$2.50.

Accept no substitutes. If your druggist cannot supply you, send 25c or 50c to the MUSTEROLE Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid.

J. T. G. EMERY, M. D., 89, Waterloo, Mo., 63382.

Musterole is much better in every respect than the mustard paste or the mustard plaster. I shall now keep it on hand for ready use at any time.

PRESIDENT NAMES GOETHALS FIRST GOVERNOR

Executive Order is Promptly Issued Establishing Civil Zone.

BY MORNING JOURNAL SPECIAL LEASED WIRE.
Washington, Jan. 27.—Organization of a permanent government for the Panama canal zone to supersede the Isthmian Canal commission, on April 1, was authorized by President Wilson today with the announcement that the nomination of Col. George W. Goethals, to be first governor of the zone, would be sent to the senate in a few days.

Colonel Goethals' idea of a "bonanza" government is carried out in the executive order which was made public by Secretary Garrison after today's cabinet meeting. The authority of the governor is to be supreme under the secretary of war.

Official notification of his selection was cabled to Colonel Goethals at Panama. Secretary Garrison said he was confident there would be no question about acceptance. The change in title will mean a loss of \$5,000 a year to the head of the zone, as the governor's salary will be \$19,000, and he now receives \$15,000 as chairman of the commission.

Secretary Garrison announced that it was proposed to resolve the members of the commission, with the exception of Colonel Goethals, into a new commission to arrange for and conduct the ceremonies incident to the opening of the canal. Congress will be asked to provide the necessary legislation.

As today's executive order not only terminates the existence of the canal commission on April 1, but also the present organization of the working force in the zone, many of the error officers connected therewith will have the increased pay which they have been receiving under the commission form of government. The order authorizes the designation of a number of such officers of the army as well as a few naval officers for duty in the various departments of the permanent canal government, but these acts of congress provide that they shall serve at their regular army and navy salaries. It has been assumed

Mayor Mitchell Still Hopes to Get Goethals

New York, Jan. 27.—Mayor John Purroy Mitchell indicated today that he hopes that Col. Goethals would become New York's police commissioner had not been removed by the canal engineer's appointment as civil engineer of the Panama zone.

"It will be all the finer if Col. Goethals serves as governor of the Canal Zone before he becomes police commissioner," the mayor said. "It will give him more distinction."

The mayor today told of Col. Goethals' talk at Panama with Gen. W. Perkins, who as the mayor's emissary sought to have the army support with any extension. "Mr. Goethals said that I was prepared to get a material increase in the salary of police commissioner, and Col. Goethals will be Mr. Perkins."

A Plain Business Proposition

Can you afford to go on suffering from biliousness, sleeplessness, heart flutter and various other troubles so often brought on by coffee drinking, just because you like coffee?

Thousands have quit coffee and are using Postum, and to their joy find that the annoying coffee troubles have quickly disappeared. Not only that, but they find Postum a delightful beverage, with a rich flavour resembling that of Old Gov't Java.

Postum, unlike coffee, contains no caffeine nor other drug. Made only from clean, hard wheat, with a small per cent of New Orleans molasses, it is a pure, wholesome food-drink which can be freely enjoyed with benefit by all the family.

Postum now comes in two forms:

Regular Postum—must be boiled 15 to 20 minutes.

Instant Postum—is a soluble powder. A scant teaspoonful to each cup of hot water dissolves instantly.

The convenience of Instant Postum is apparent. But, when prepared according to directions both kinds are exactly the same. The cost per cup is about the same.

—Grocers everywhere sell both kinds.

If coffee don't agree, try POSTUM
