Famous Vegetarians and Why They Are So

Members of Royalty, Statesmen, Poets

and Men of Science Are Among Those

Who Thrive on Fruits and Cereals

In a climate in which the choice of food is almost an act of worship, there have been many who have chosen a vegetarian diet. Among these are many members of royalty, statesmen, poets, and men of science. The reasons for this choice vary from personal preference to religious beliefs.

Princess Old Numbers

W. Tong Fang

In the case of politicians, the choice of food is often influenced by personal belief. For example, the vegetarian diet is often associated with the belief in vegetarianism, which is the practice of not eating meat. This belief is often based on ethical, environmental, or health reasons.

Sarah Bernhardt

Edwin Markham

August Rodin

Princess George of Greece

Russell H. Chittenden

Among the members of royalty, many have chosen a vegetarian diet. For example, the royal family of England is known to be vegetarian. This is often seen as a way to set an example for the rest of the country.

The Grand Duchess Serge

The Countess of Marischal

Among the statesmen, many have also chosen a vegetarian diet. For example, the former prime minister of India, Indira Gandhi, was a vegetarian. This is often seen as a way to set an example for the rest of the country.

The Duchess of York

The Countess of Erroll

Among the poets, many have also chosen a vegetarian diet. For example, the poet William Blake was a vegetarian. This is often seen as a way to set an example for the rest of the country.

The Duchess of York

The Countess of Erroll

Among the men of science, many have also chosen a vegetarian diet. For example, the scientist and mathematician Albert Einstein was a vegetarian. This is often seen as a way to set an example for the rest of the country.
