DELURY'S

LOUNGE SUIT. REEFER.

New Fall and Winter Stock of Woollens representa one of the largest and most choice collections of novelties imported into this country. This house avoids the two outrageous extremes practised among the tailoring trade in this country, viz.: Deceptive cheapness and fancy high prices. "Delury says!" His principle is to produce first-class, reliably made garments, commanding character and style, at strictly moderate charges.

No deposit required on orders placed with this house from reliable persons.

Samples, Books of Fashions, and instructions for measuring sent on application.
