

**GOWNS IN 4 WEEKS ARE OUT OF STYLE, SAYS WOMAN JURY**

Husbands Get a Jolt When Actress Wins Suit in Illinois Court.

CHICAGO, March 22.—A jury of young women in an Evanston court handed a jolt to husbands in general when they decided yesterday that a gown more than four weeks old is out of style.

The issue was payment for a \$175 gown ordered by Frances Kennedy, an actress.

"I ordered the gown for Feb. 4, and I had to go on the stage without it Feb. 6," she testified. "An actress's gowns are out of date in three weeks. When I returned, four weeks afterward, I refused to accept the gown because it was out of style."

"Consider," said the attorney for the plaintiff, feelingly, "what effect it would have on all the women in the country if they had to have a new gown every thirty days. Think of the misery of the countless husbands."

**INQUIRY INTO METHODS OF CHIROPRACTICS**

Illustrate to Discover if Diplomats Were Illegally Granted.

Investigation of twelve colleges of chiropractic and fifteen institutions in Manhattan which began today before Magistrate McFadden in the Criminal Courts Building, will not be permitted to become a debate on the merits of chiropractic, District Attorney Stanton says.

Acting on the complaint of Dr. William D. Cutter, secretary of the State Board of Medical Examiners of the State Department of Education, the inquiry, under direction of Assistant District Attorney Wilson, will seek to establish only if the law was violated by granting diplomas and degrees without consent of the Board of Regents. Dr. Cutter declared those named had incorporated in other States and practiced here as foreign corporations.

**"Put Your Thinking Cap On, Sir," He Said**

Sure enough, if men did more hard thinking upon important matters, things would clear up and almost everything would get on better and faster.

Loose and lazy thinking is a common habit and one of the chief difficulties of these unsettled times.

The deadlock in our heads would sometimes disappear if we could calm down the disturbances in our hearts.

**Never before on Sale**

This is the second (and last) lot of fine furniture purchased months ago at a discount which enabled us to sell at half price. This new lot is of uniformly higher grade than the \$67,000 we offered last week (all gone), and there is not so much of it, which prevents us from saying of this offer what we said of the one last week. But the VALUES are there—the same unapproachable, matchless values which swept the first lot out in a couple of days.

The only thing is—you must not procrastinate (like some did last week). For there are only 37 suites in all. And they are the kind of suites which to see is to buy.
