

HUMAN FLY CLIMBS 35 FEET AND ROBS HOME OF \$7,000

Detectives Watch Dr. Helmuth's Apartment to See If Burglar Returns for Silver.

That "human fly" burglar who operated on the upper west side is believed to-day to have transferred his operations further downtown. A thief using similar methods, it has just been learned, got property worth \$7,000 from the home of Dr. William Ted Helmuth in the Alwyn Apartments, No. 132 West 58th Street, ten days ago.

The burglar got in through a window thirty-five feet from the ground in the rear of the building. There is evidence that the robber had an accomplice. The \$7,000 estimate was Dr. Helmuth's. Others in the apartment house thought \$40,000 was

nearer the value of the loot. There are no fire escapes on the rear of the building, and the entrance to the ground floor is barred. It is believed one man stood on the other's shoulders and reached a ledge, then went up the walls by his fingers and toes. Dr. Helmuth, with his wife and daughter, occupies the first two floors.

The night of the robbery the family were downstairs until before midnight. When they went up they found windows open and bureaus and closets ransacked. Everything valuable that could easily be carried was taken. Valuable silverware, evidently too heavy for removal, was left.

Mrs. Helmuth and her daughter have been nervous since the robbery from fear the burglars would come back for the silver, and last night detectives were posted in the neighborhood watching for them.

"GOT OUT" WHEN ORDERED TO BY HUSBAND.

Justice Gavegan, in the Bronx Supreme Court to-day, reserved decision in the uncontested suit for a separation brought by Mrs. Alice Schultz of No. 153 St. Ann's Avenue. Mrs. Schultz was the only witness. She said her husband, Carl S., a manufacturer of dental supplies, after six years of married life, on Aug. 14, 1920, told her he had an affinity and cared for her no longer and she could get out. Mrs. Schultz, who is twenty-four and very pretty, said she "got out."

CAHAN TALK STIRS GARMENT WORKERS

Delegates Still Agitated Over Editor's Attack on Communism.

CLEVELAND, May 4.—The attack of Abraham Cahan, editor of the Jewish Daily Forward and virtual founder of the International Ladies' Garment Workers' Union, on Communist activity within union ranks is still agitating delegates to the sixteenth bi-ennial convention of that body here. Mr. Cahan's address came after the unseating of Hyman Shelly, a New York Communist leader.

Mr. Cahan paid particular attention to those Communists he said were "working for capitalists while members of the union." He declared they did this because they were disgruntled over failure to gain control. He also praised Benjamin Schlesinger, who threatened to resign as President of the International, due chiefly to the assaults of the Communists, and said:

"What is wanted now to save your organization is absolute unity. Stick together, bury your hatchets and try to understand the man who is running your union. Try to understand what is going on in his soul. He is not a happy man. He is not sure that it is possible to conduct your union under these conditions."

PLEAD NOT GUILTY OF WIRETAPPING

Indictments Charge Four With Cutting in on Telephone to "Get" Doctor.

Warren Leslie, a lawyer, of No. 2 Rector Street; John Sutter, a detective sergeant; James T. Shaw, a taxi driver, and Walter Schmidt, a steamship company official of White Plains, pleaded not guilty in the County Court at St. George, S. I., to-day on indictments charging them with wiretapping. They were given five days to change the plea and were held in \$2,500 bail each.

It is charged that the four tapped the telephone wire of Dr. Charles C. Allen, a St. George physician, on the night of Jan. 31, 1920, in order to get information for the use of his wife, who was suing him for a separation, which she afterward obtained.

GERMAN SHIP'S BUST OF KAISER FOUND IN JUNK

Vaterland's Decoration Found in Storage Yard to Go at Auction.

From a mountain of junk in the storage yards at Wilson Point, South Norwalk, Conn., the Shipping Board Emergency Fleet Corporation has dug up a bronze bust which bears the inscription: "Wilhelm II., Deutscher Kaiser, Konig v. Preussen."

When the onetime Vaterland started May 15, 1914, on her maiden voyage the bust of the Kaiser was one of her most admired decorations. It has been scrubbed until it glistens, and will be put up at an auction of odds and ends of Shipping Board stuff on May 15 at 10 A. M. on the premises.
