The Wanamaker Store. The Motive of Self-Interest

GROWTH is the object intensely sought in this business. We expect to attain it only by transactions that make good bargains for both buyer and seller.

Benevolence has no rightful place in buying and selling, and it would be the height of folly to base any appeal to you for the sale of our goods upon ground other than your self-interest. Our own deep self-interest inspires our efforts to sell goods—especially such as are advertised.

Upon that proposition and the square issue it creates your attention is asked to all that follows.

Tailored Costumes. Spring suits are here—elegant and interesting. A paradox—the earliest styles are the latest.

Kenneth Durward Driving Suit, Equestrienne Skirt, New Driving Ulster—many others equally prominent. Prices \$10 to \$105.

Summer Costumes. First showing and most worthy your notice. They float into view,—filmy, delicate, graceful. Which is the better importation—the costumes or the people that make them? Is genius dependent on atmosphere?

Three foreigners in New York give us their first designs for Summer. The dresses are made of organdies; Swiss muslins, printed, embroidered, dotted; satin striped batiste, embroidered grenadine and mousseline de soie.

The goods are novel, rare, exclusive. The gowns are masterpieces of dressmaking. The prices \$25 to \$70.

High Novelty Summer Dress Goods. With the exhibition of Summer Costumes on the second floor is a showing of light, delicate and rich Summer fabrics of our special importation—exclusive styles.

A Lawn Bargain. Fair value at 10c., to-day's price seven cents. Big buying makes little pricing. They are all fresh from print rolls; bright, clean, fine, even, and will launder well. Patterns are solid and flowered stripes and spots; colors are pink, blue and black; 31 in. Price hardly worth mentioning—so small.

Black Italian Dress Silks. The cost of an Italian silk maker wants to get his Black Satin Luxors presented to your favor and is willing to pay for it, thus:

Como A, \$1.15, instead of \$1.35. Como B, \$1.25, instead of \$1.50. Como C, \$1.50, instead of \$1.85. Como D, \$1.65, instead of \$2.00. Como E, \$1.85, instead of \$2.25.

All finished on both sides—two equal wearing surfaces. Quantity limited to five thousand yards.

Rich Here's richness cheap. The luxury of cut glass tableware is no longer an extravagance. Our policy with prices has made brilliant many a dinner table.

Elegant cuttings on new shaped blanks are offered to-day at prices that largely discount Saturday's cheapness.

8-in. Nappies, \$3.75; were \$5. 7-in. Bowls, \$3.75; were \$5. 6-in. Nappies, \$4; were \$5.50. 7-in. Bowls, \$4; were \$4. 7-in. Plates, \$2.75; were \$3.50. Carafes at \$3; were \$4.50. Querry Trays at \$4 each. Olive Dishes at \$1.75 each. Tumblers at \$2.75 doz.

Lamp Globes—50 to 75 Per Cent. Reductions. A closing out of a maker's stock, to which are added some globes from our own collection, occasions this offering. Fine 9 and 10 in. globes, many of which are hand-painted, that sell regularly at \$2 to \$4, go now at \$1 each.

Chamois Skins. Thirty packages of excellent quality, full size and weight, are to be sold at Thirty Cents for each skin. Trade value is fifty cents. A saving of forty per cent. will quickly set them at work polishing your brasses.

Cloth-bound Books. Publisher closed out this series to us at a low figure. Wishes to put the series in a new dress. Quite attractive in its present form, as was the former price, 28c. a vol. Choose from these titles to-day at 15c.:

By Mr. Walter Scott—The Betrothed, Forest of the Dead, Chronicle of Catherine Waterley, The Mysterious City of Inverness, The Heart of the Matter, The Mystery of the Red Rover, The Mystery of the Red Rover, The Mystery of the Red Rover, The Mystery of the Red Rover.

Candies. Fancy clips—beautiful to look at, pleasant to the taste. Clear candy, various flavors. 30c. a pound. Highest grade candies, 60c. Salted almonds and maroons glace, 80c.

Dinner Favors. A vast variety, tasteful and grotesque. Musical instruments, brownies, baseball players; for ices or candies—some very low priced. Sixteen sorts wedding cake boxes, \$3 to \$7.50 per 100. As comical as a toy store, this Candy Store of ours.

Other titles, but only in small quantities. The Book Store, Ninth Street.

FOR SALE. DEKES and other Furniture, new and second hand, special low prices this week, including fully equipped billiard tables, etc.

HARRIS BUSINESS, good trade, cheap. Inquire HILL & LANSTON, 79 Broome St.

The Orient at Half Prices. Some Moslems, some heathens, are in the personal attached to our Oriental Bazaar.

Some manners, customs and occupations of several ancient peoples of the East are illustrated in the show. Increased numbers daily display cumulative public interest.

When the show is over the large stocks cannot be crowded into former spaces. Simply to gain room a reckless disregard of values and costs marks certain most important reductions.

The Stock of Cloisssonne is very large, both of the fine Yokohama and the cheaper Kyoto types. Prices are cut in half. Plaques, Vases, Jewel Boxes, Tea-pots, etc., that were

\$2 to \$50 are reduced to \$1 to \$25. The Stock of Bronzes is large and elegant. Prices are cut in half. Vases, Koros, Jardinières, Incense Burners, etc., that were

\$1.25 to \$150 are reduced to 62 1/2 c. to \$75. These prices add interest to the show. Basement, Southeast Corner.

Matings, Linoleums, Oilcloths. If you will discount your needs we'll discount prices. Very shortly the rolling season will develop your floor matting needs. Let the following persuade you to anticipate them.

Four hundred rolls of Japanese and Chinese matings are to be sold at half and two-thirds prices. Forty yards to the roll.

2,500 yards matting remnants, in pieces that vary from 5 to 30 yards. Price is from 5c. to 30c. a yard, according to quality.

INLAID LINOLEUM. The kind in which pattern and color go through to the back, and as long as the fabric. Have been \$1.50 per square yard; we make what we have in stock \$1.25 per square yard. Short lengths will go at 75c. per square yard for what may be in the remnant.

SPRINTERS LINOLEUM. Sprinklers in the best qualities that have been slow to reduce for this sale to 75c. for the \$1 kind, 65c. for the 90c. kind. Short lengths in five grades of linoleums at one-half prices and less. Kinds that were 40c. to \$1 are now 20c. to 50c.

There are still good opportunities in the Carpet Sale, especially in the finer goods. We are offering carpet remnants at half price or less.

Odd Fellows Furniture that is out of fellowship because of popularity—pieces that remain single by the sale of their fellows. All such are requested to move on. Cheapness makes the movement and the march will be quick.

Few houses are too full to forbid the presence of another piece of furniture. Your economic sensibility is the line of introduction.

From a letter recently received from this well-known novelist and poet we take the following excerpts which will be of interest to our book-reading public: "I cannot express my pleasure too warmly. This set of books will be a lifelong delight. I can imagine no mood in which I could not turn to them sure of response of sympathy, if I am sad; mirth if I am gay, and literary interest and stimulus always."

"The International Library is admirably edited." The sole fault I have to find with it is that it is so hard to stop turning its pages when I know that I ought to be doing something else."
