NEARLY OUT, BUT WINS AT BOXING

McDermott Makes Sensational Recovery in N. Y. A. C.

Joseph McDermott, a lightweight of the Ozanam A. A., scored a sensational victory over Joseph Pushkal of the National A. C. in the first semi-final bout of the 130 pound class in the New York Athletic Club's boxing tournament for amateurs last night.

With only five seconds of the second round to go McDermott, who appeared to be on the verge of collapse, was saved from a knockout by the clang of the bell. The one minute of rest between the rounds worked wonders for McDermott, who came out of his corner for the third session greatly refreshed and full of fight. His work during the next three minutes made such a favorable impression that one of the judges declared that the Ozanam boxer had won, while the other cast his vote for Pushkal.

Dody Schmegler, veteran referee of the Mercury Foot organization, announced his inability to pick the winner and he ordered an extra round of three minutes. At the expiration of this period the judges agreed upon McDermott as the winner.

BAKER WINS SPECIAL RACE.

Beats Middle Distance Runners in Brooklyn.

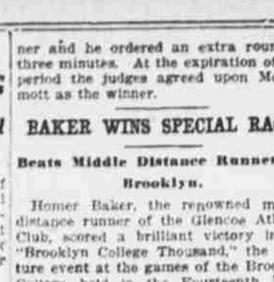
Homer Baker, the renowned middle distance runner of the Glencoe Athletic Club, scored a brilliant victory in the "Brooklyn College Thousand," the feature event at the games of the Brooklyn College held in the Fourteenth Regiment Armory last night. At the end of a thrilling race he was about three yards ahead of Mike Devaney, of the Millrose A. A. Earl Eby, of the University of Pennsylvania, was third, eight yards back and one yard in front of Sidney Leslie. Baker covered the distance in 2 minutes and 18 2-5 seconds. This is the fastest time made indoors this season.

HARVARD'S HOCKEY VICTORY.

CAMBRIDGE, Mass., Jan. 31.—Harvard defeated Princeton at hockey to-night by a score of 6 goals to 3.

Elderly People Have A Daily Health Problem

Stomach muscles and digestive organs slow to act as age advances



MOST people find the years slipping by without realizing it, until suddenly confronted with the fact that they can no longer digest everything they would like to eat. It then becomes their daily task to avoid what they know to be chronic constipation.

When exercise and light diet fail it will be necessary to resort to artificial means. Strong physics and cathartics, however, are not advisable for elderly people. They act too powerfully and a feeling of weakness results.

What is needed is a laxative containing effective but mild properties. This is best found in Dr. Caldwell's Syrup Pepsin which is a combination of simple laxative herbs with pepsin. It acts gently and without griping, and used a few days will train the digestive organs to do their work naturally again without other aid.

Dr. Caldwell's Syrup Pepsin has been on the market since 1892 and was the private formula of Dr. W. B. Caldwell, who is himself past 80 years of age and still active in his profession. It can be bought at any drug store and one bottle is enough to last even a large family many months. It is a trustworthy preparation.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

FLORIDA and CUBA

Tours Leaving Feb. 2, 9, 16, 23, Mar. 1 and 4, include both the West and East Coasts of the Summer Land, Florida, with an automobile trip across the Peninsula through the orange groves.

Tours Leaving Feb. 5, 12, 19, 26, include the East Coast and Havana, "The most foreign city in the New World," with its Old World customs and atmosphere, the real carnival Capital.

Leaving ice, snow, discomfort and all the hardships of the Northern Winter, you are quickly taken into the Summer land of Florida herself, with her blue skies, tropical palms, famous beaches, warm sea bathing, princely hotels, summer customs and costumes. The East and West Coasts need no crier. The Riviera itself does not call back its sojourners more than do Palm Beach and the Florida winter resorts.

You share with all Americans the desire to "cross the water" on the "sea-going railroad" to out-flung Key West. All tours give this unique experience. Cuba herself would be worth a tour, even with Florida omitted. Here you are transported overnight to old world customs with American comforts. The "Pearl of the Antilles" is as picturesque and foreign as the strangest parts of Europe.

Everyone wants to visit fashionable Florida in the height of the Palm Beach and Miami season. The only question is hotel accommodations. We have ours and can give you the room numbers when you book. Every member of a Raymond & Whitcomb Tour is thus assured comfort.

Raymond-Whitcomb Tours are strictly limited in membership.

They are unlimited in enjoyment and in all the luxuries of modern travel.

EUROPE
