Florida—Sale or Rent. Is This Your Idea of Florida? A little piece of land near the water, a leafy garden, a few scrubby plants and perhaps a few chickens is a very common idea of Florida.

The Land of Opportunity. A business man of large affairs and broad experience in agriculture and kindred lines, in talking with us recently, mentioned his own experience and the practical application of his own knowledge in Florida in various parts of this country. He is now in Florida investigating the possibilities of the citrus fruit industry.

DEAR HOMESEEEKER: THERE are practically no houses or apartments to rent. The same conditions will soon exist with reference to desirable homes for sale. The magnificent homes are gradually disappearing from the market and owners, on account of the activity of the market, are increasing prices as well as the amount of cash required. Do not deceive yourself into believing that prices are going to decline. The time to buy is NOW.
