

# The Wanamaker Store

## Guests Retained

WE have welcomed the coming,—but the occasion for speeding the parting, guest has not yet arrived. The hint of thermometer and north wind comes at a favorable time, and thousands of our out-of-town friends who have enjoyed our store attractions during the past few days are finding others, quite as enjoyable and even more profitable, among this wonderful stock of Fall goods.

The biting weather suggests a long list of things in which we are acknowledged experts and leading distributors. Some of them are mentioned below.

## Shoes—Some Inside Facts

The Fifth Floor Shoe Store has been in existence seven months. In that time one hundred and thirty thousand pairs of shoes have been sold from its counters, at a saving to their buyers of one-third to one-half.

The Fifth Floor Store handles nothing but abnormal values. It has nothing to do with regular prices. All the tid-bits of trade,—all the odds and ends of richness that fall to us in the regular routine of our shoe business—go up on the fifth floor for your delectation. Small lots, usually, but such values as these:—

- One for men: **\$2 a pair**
- And two for women: **\$1.65 a pair**

And black kidkin in every new shape, lace shoes and button, patent for kidkin tips; desirable sewed or welted soles; \$1.65 a pair

**Suits Ready for Women to Wear**  
Tailor-made costumes. Styles that attract, prices that surprise, qualities that hold admiration. From simple, jaunty ten-dollar suits to most elaborate importations. And every suit novel, stylish, digified. The costume store is always crowded. Here are just a few hints to tell you why:

**Flannel Pajamas**  
These, too, of Domet flannel. Properly made, and in sizes to fit any man. At \$1 the suit, you'll find it hard to complain.

**Women's Warm Wrappers**  
Of cashmere and of flannel, in various solid colors. Made attractively and priced moderately. Three examples:

**Men's and Women's Underwear**  
There is opportunity for much deception in the selling of underwear. It is frequently made to look well, though it may not wear well. You may buy underwear here, however, absolutely without fear of disappointment. The goods are only as good, sterling qualities throughout.

**Corsets**  
Grace for every figure; perfect, latest model, firm and flexible, convenient fitting rooms and competent fitters at your service. These corsets—the Lillian, our exclusive importation—and others:

**Portières**  
Venetian Velour, Reversible Portières, finished with heavy rope edging, 3 1/2 yards long.

**Steamer "Eager and nipping" Rugs**  
The yacht races, and, of course, you won't think of going down to the bay to view the contests without a warm, comfortable rug. You may easily find one to suit in this very complete line,—\$6 to \$20. One sort at \$10 that will be generally approved:

**Collegiate School**  
41 WEST SEVENTH AVENUE ST. NEW YORK, N. Y.

**Men's Warm Night Shirts**  
There are only 400 in the lot. Please bear that in mind, if the comfort, quality and little price told of here appeal to you. They are of Domet flannel, in neat stripes, all fast colors, and are liberally cut and well made throughout. 40c. each.

# FLINT'S FINE FURNITURE

Inlaying for Dining-Rooms. Originated by the cultured and color-loving Italians in the days of Brunelleschi and Paul Veronese, inlaying is to the severer furniture decorations of the North, what the velvet-robed Senator of St. Mark's was to the mail-clad Teuton.

To produce the original air of rich refinement, inlaying must be quiet and chaste—never overdone.

In many of our beautiful pieces, a bordering line or two is the only decoration. In others, Grecian urns and graceful festoons lighten the large, flat surfaces.

The simplest inlayings add greatly to the beauty, and only the merest trifle in the cost of manufacturing, as you
