

NOTES AND QUERIES.

It is no wonder history repeats itself. Nature—embracing human nature and all other sorts and conditions of life, is constantly re-producing its effects, its likes, its unlikes, its phenomena and its oddities.

and distracting causes, all discreditable to the city of Carson. If it is not availed of by another year we hope it may be so assessed as to cause it to be sold for taxes. It is not right to keep the place out of the market unless we are going to use it for the public purposes for which it was originally purchased.

ABOUT BODIE.

Under date of Sept. 30, Frank Tagliabue writes the following interesting letter to the Gold Hill News: "This is a very pretty town site and the prospects of the town are very good, but this place don't need a large population, for there is very little for them to do."

COUNTY HOSPITAL MATTERS.

Much has been recently said reflecting upon the management of the County Hospital, and in order to have the street talk corroborated, or contradicted, a representative of this journal visited that institution yesterday afternoon.
