

"NO THOROUGHFARE."

Another fine audience attended the Carson Opera House last evening to witness the really excellent acting of Mr. Florence as Jules Obenreizer in the drama of "No Thoroughfare."

A DARLING.—Last evening after the second act was concluded at the Opera House a gentleman stepped out upon the sidewalk where he was immediately besieged by a lot of boys begging for a "check."

ON A LARK.—A number of old stagers who were in for a good time, at an early hour yesterday morning, enticed a pair of drunken bummers into the saloon of the Ormsby and stood one of them up in a corner, with a lime placed on the top of his head, which one of the frolickers was to shoot off a la William Tell.

"GOSSIP.—On next Sunday evening at the Episcopal Church, the Rev. Geo. R. Davis will lecture upon the subject of "Gossip," its curses, its pernicious influences and the unhappiness which it scatters over entire communities.

ILL.—We regret to state that Mrs. W. J. Florence, who has been suffering with a very severe cold, a fact which every one noticed during the performance of the "Mighty Dollar," was quite ill yesterday.

DEPARTURES.—The following passengers went south on the stage yesterday morning: Mrs. L. Jones, Jas. Kelly, H. Feeney, W. Fitz, W. J. Beven, H. Ward, T. C. Sharp, John Pepper, John Howell, W. B. Rankin, W. C. Haight, G. M. Stephens and wife.

THE MANIA.—Since the performance of the "Mighty Dollar," the average Carsonite employs the initial language used by the Hon. Bardwell Slote. It is a good idea, for it saves the superfluous expenditure of considerable breath.

PERSONAL.—Hon. Jonas Seeley, Hon. W. E. F. Doal and Col. E. B. Stonehill were in the city yesterday.

COL. PETER CAVANAUGH is afflicted with a stiff neck, which lends him a regulation military air in his gait.

THAT ENTRE NOUS RECEPTION.

A TART SMILER IN EXPLANATION.

It will be remembered that very lately a party of ladies and gentlemen from Carson city went up to Virginia on special invitation to attend an Entre Nous party, at which the "German" was to be produced as the main feature of the entertainment.

"MY DEAR.—I enclose you clippings from the Carson Tribune: PLEASURE BENT.—The following gentlemen and ladies chartered a special train and went up to witness the production of the "German" by the Entre Nous Club in Virginia City last evening: Governor Kinkead, General Clarke, Captain Lyons, Harry Hunter, Peter Cavanaugh, Jr., John Forbes, J. T. Pantlind, Jack Marshall, T. C. Pinckney, Geo. Davis, Geo. B. Hill, W. Ricord, Geo. H. Davis, Jr., J. H. Martin, and E. J. Parkinson, Mrs. Martin, Mrs. Hunter, Miss Fannie Clarke, Miss Fall, Miss Small, Miss Anna Batterman, Miss Fannie Sutphen, Miss Nellie Parkinson, Miss Ricord, Miss Maggie Cavanaugh and Mrs. Hill.

Those who attended the Entre Nous German talk of getting up a testimonial for the colored usher.

These are rather unfavorable notices of the party given by the "German Club" last Wednesday evening. As I happen to be a member of this club, and, as like nearly all the members, I feel aggrieved at the action of the self-constituted Committee on Invitations and Reception, I would like to explain our situation in the premises, hoping that you will take it upon yourself to make a similar explanation to any of the Carson gentlemen with whom you may have opportunity to discuss the matter.

At It AGAIN.—Old Eolus, who respects neither persons, sex or condition, was out on a lark again yesterday. He blew off hats to the discomfiture of pedestrians, making them swear initially, as is now the custom; he filled peoples mouths, noses and ears with dust and cobble stones, and made himself generally as disagreeable as a cross antediluvian chap like he, can.

CAPITOL COMMISSIONERS.—The State Capitol Commissioners held a meeting yesterday to ascertain how far the \$5,000 appropriated by the late Legislature for those purposes would go towards bringing water into the Capitol building and grounds, making repairs to that building and improvements at the Orphans' Home. The sum is small and will scarcely be enough to make the contemplated improvements.

NEW SCENERY.—Mr. T. F. Laycock, of Reno, who painted the elegant scenery for the Opera House, is now in the city preparing scenery for the play of the "Nick of the Woods," which will be presented at the Opera House, under the auspices of the Curry Engine Company, on the 31st of March.

STAMPS WANTED.—The following letters are held at the Post Office for want of stamps, addressed to Seth Thomas Clock Co., Oakland, Cal., W. S. Harlow, Oakland, Cal., D. F. Norton, Dayton, Nev., Neil Cook, Penton, Ontario, Canada.

THE HIGHWAYMEN.—The examination of Watkins and Maguire, the alleged road agents, began before Judge Cary yesterday, but was postponed until 2 o'clock to-day, owing to the absence of some important witnesses for the prisoners.

VERY ILL.—A telegram was received here yesterday that Judge Parkinson, of the Tribune, is lying seriously ill in San Francisco. Mrs. Parkinson went below last night.

KOPPEL & PLATT want to reduce their stock to make room for Spring goods. Now is the time to secure bargains at that house.

CHARLES SCHULTZ, the celebrated director of the California Theater orchestra, is in the city with the Florence troupe.

THE force in the Secretary of State's office is so busy that no grass grows under the pens of any of the attaches.

A BOOMING stock market is predicted, in the near future, by knowing ones.

U. S. CIRCUIT COURT.

The following business was transacted before this court yesterday: Adams vs. Bradley (the old State Prison case); motion for a new trial denied.

F. Shrier vs. Platt & Rich; attachment dissolved and demurrer overruled.

Lonkey & Smith vs. Dardanelles M. Co.; decree ordered as per stipulation.

Doble vs. Mayberry; tried and submitted.

Brown vs. Leete; on trial.

The following gentlemen were admitted to practice: S. A. Mann, Charles L. Queen, J. H. Harris, George A. Rankin, N. Soderberg.

THE GAMBLING LAW.

The recent law passed by the Legislature licensing gambling, reduces the license for banking games to \$100 for the first month and \$75 for each subsequent month, and authorizes the issue of license monthly instead of quarterly, as under the old law. It also permits licensed games to be conducted on the first floors of buildings in counties where the vote at the General Election next preceding the time at which the license is issued, did not exceed fifteen hundred votes. The new law goes into effect on the first day of April next.

A DRUNKARD'S DROP.—Yesterday noon a man overcome with spiritual emotion was sailing towards the northern part of the city, and at every step he would box the entire compass. Now and again he would sit or lie down to rest. This he did several times when, on one occasion he got up to resume his voyage, a lady was passing by him carrying a small basket of eggs, the drunken man stumbled against her, knocking the basket out of her hand, spilling the eggs on the sidewalk and very nearly knocking the lady down. Unfortunately there was no one at hand to take the fellow into custody.

A NUISANCE.—A nuisance that ought to be abated at once, is base ball playing on our principal thoroughfares. It not only impedes the progress of pedestrians, but they are liable to be hit in the face or on the head by one of the soggy leather balls used, for the street base baller has no idea that any one has any rights but he. One of the principal spots where this nuisance is tolerated, is the Ormsby House corner, a corner where more people pass in an hour than at any other place in the city.

REQUISITION ISSUED.—His Excellency, Governor Kinkead, yesterday issued a requisition for the person of Pierce, the man who killed another for the trifling sum of twenty-five cents, in Esmeralda County some time since. After the commission of his crime the murderer escaped, but a few days ago he was captured at Silver City, Idaho, where he is now lodged in jail. Sheriff Clem Ogg, of Esmeralda County, will go for Pierce, armed with the necessary documents from the Governor.

At It AGAIN.—Old Eolus, who respects neither persons, sex or condition, was out on a lark again yesterday. He blew off hats to the discomfiture of pedestrians, making them swear initially, as is now the custom; he filled peoples mouths, noses and ears with dust and cobble stones, and made himself generally as disagreeable as a cross antediluvian chap like he, can. Fortunately his bidding time with us is growing to a close for the season.

CAPITOL COMMISSIONERS.—The State Capitol Commissioners held a meeting yesterday to ascertain how far the \$5,000 appropriated by the late Legislature for those purposes would go towards bringing water into the Capitol building and grounds, making repairs to that building and improvements at the Orphans' Home. The sum is small and will scarcely be enough to make the contemplated improvements.

THE STRASBURG CLOCK.

There is hardly any one who has not heard of the great clock of Strasburg; of its marvellous mechanism, and the cruel fate of the maker. The famous working model of this celebrated clock will be displayed to the public in the spacious store on Carson Street, which has been fitted up expressly, commencing this evening.

REMOVING THE DEAD.—Workmen were yesterday engaged removing the few bodies, which yet remain in the old burying ground opposite D. A. Bender's residence, preparatory to the erection of D. L. Bliss' projected mansion. Among the bodies exhumed yesterday was that of a man which had been buried nineteen years. Upon opening the coffin it was found that the corpse was in full possession of its hair and beard, with which it was buried so many years ago.

NEW MUSIC.—We are in receipt from M. Gray, music dealer, San Francisco, of a new song, entitled "Drifting with the tide." It is a beautiful song, and many a one would like to do the same thing, but they are tied so fast they can't drift. It takes coin to drift now-a-days.

It is reported that the C. P. R. R. Company will make a reduction of 25 per cent. in its rates between here and San Francisco. It is too liberal to be true.

W. D. MANN, of the V. & T. R. R. Co., who has been very sick, is out again, but he shows marked traces of a severe illness.

RECOVERING.—Hon. Charles Martin has so far recovered that he is able to move about his residence with the aid of crutches.

MR. AND MRS. W. J. FLORENCE, accompanied by the California Theatertroupe, go to Virginia this morning.

DISTRICT COURT.—The District Court will be in session again at 10 o'clock to-morrow morning.

JOINT STOCK.—The Reno Gazette has been sold and will hereafter be run by a joint stock company.

ILL.—Mr. J. B. Harnstead, of the Mint, is quite ill.

A Physician's 45 Years' Experience. COLUMBIA, Trullinger Co., July 16, 1878. W. J. Horne, Esq.—Dear Sir: For some time past I have had a severe case of Strabismus, with entire satisfaction in most cases of complicated forms of both sexes. During a practice of forty-five years I have found no truss that would, with the same ease and certainty, retain the required adjustment, the pressure being always under the immediate control of the patient. The simplicity and ease of application is of itself a guarantee to every experienced physician. I have the honor to recommend by mail the amount due, knowing that I contribute to the alleviation of afflicted humanity. Yours, truly, J. P. TIBBETS, M.
