THE CARDINALS.

The creation of nine new Cardinals will raise the number of members of the Sacred College to sixty-six. At present it consists of six Cardinal Bishops—Patrizi, (Dean), Amati di San Filippo e Sorsio, Die Pietro, Secconi, Guidi and Billio—fourty-three Cardinal Priests and eight Cardinal Deacons, or fifty-seven in all.

That was not a bad joke on the medical profession which was made by a clergyman, in the time of Cromwell, who was deprived of his living for non-conformity...

Stanley Matthews' father was a professor of mathematics.

A QUEER STORY.

An Unknown Animal in the Human Stomach.

[From the New York World.] Harlem has a sensation in the person of a negro girl named Hattie Brown, who is supposed to be suffering from the presence of a live animal, of some kind as yet unknown, in her intestines.

Between five and six years ago Hattie attended a picnic, and during the day drank some water from a running stream, and now she says, remembers noticing that she swallowed some object of appreciable size, though it was forgotten almost immediately afterward, and only recalled when it was supposed that some living creature had taken up its abode in her body.
