KIND WORDS.
The TONOPAH BONANZA began its second year of existence with its issue of last Saturday. We much doubt if, all things considered, there is another as paying piece of newspaper property in Nevada, or another paper which is generally, home and elsewhere, read with so much interest as the BONANZA. Booth turns out a lively and wide-awake journal, typographically the neatest in the State and certainly the best patronized by local advertisers. Continued prosperity to you.—Inyo Register.

The TONOPAH BONANZA has entered upon another volume, and the editor this week gives an eloquent review of the wonderful changes that have taken place in Tonopah during the existence of the BONANZA. It is one of the most complete, reliable and thoroughly up-to-date papers in the State, and deserves the success that has attended its publication.—Gardnerville Record.

A Truly Congressman.
C. D. Van Duzer was in Reno Saturday evening giving up political bearings. When seen by a "Gazette" reporter and asked for "a heart to heart" talk on the political situation, Van said: "The only information I can give you, sir, is that you are addressing the next Congressman from Nevada, and I would feel better satisfied if you would put the prefix 'minor' in front of my name in place of 'Van'."
"Do you really think, Mr. Van Duzer, that you are the political 'it'?"
"Yes, sir, I do, and to use the vernacular of the street, I will 'be there with both feet,' and don't you forget it."
The "Gazette" man, feeling that he was in the presence of a truly Congressman, stood uncovered until Van called for a beer, then all was off.

A New Mining Incorporation.
Articles of incorporation of the Belle of Tonopah Mining Company have been filed with the County Clerk of San Francisco. The directors are: James L. Butler, Wallace Everson, Albert P. Redding, W. C. Van Fleet, Albert C. Stock, F. K. Turner, F. S. Rowley, George P. Reynolds and George H. Mastick—the latter two of Alameda. The capital stock is placed at \$500,000, of which \$300,000 has been already subscribed.

Inquiries for good mining claims are coming into the Tonopah Mining Bureau from Eastern capitalists.
