Mill for Mountain Springs.

The Independent of Independence, Inyo county, Cal., says: "George Vornberg writes that he is about to install a ten-ton reduction plant with concentrators at Mountain Springs canyon, for the Corona Mining company. Mining has been in progress in a desultory way in this district for the past ten years, and but little has been accomplished in the way of successful working. Mr. Vornberg will try up-to-date methods of extraction and if successful it will be the forerunner of far more extensive plants. He is reputed to be a thoroughly competent mining man, and will no doubt be successful."

Water Short at Vegas.

Owing to a lack of water, Los Vegas has been given up as an end of a division. The officers of the San Pedro road will make a division terminus in the vicinity of Moapa, where there is an abundance of water for all necessary purposes, it will be a railroad town. This change will be a benefit to the whole of Muddy Valley, as it will furnish a market for their produce near at hand.—Delamar Lode.

Stopped en Route.

J. F. McCambridge arrived this morning from Tonopah, stopping over here on a short visit to Geo. S. Nixon. Mr. McCambridge is on his way to his old home in Youngstown, Ohio, to spend a few weeks' vacation. He is superintendent of the Boston-Tonopah mines at Tonopah, Mr. Nixon being president of the company.—Winnemucca Standard.

Death of Mrs. Plummer.

Mrs. Minnie Plummer, the eldest daughter of ex-Governor Sadler, and wife of Ben Plummer of Elko county, died Saturday afternoon at the residence of her parents at Carson. Mrs. Plummer had been ill but a short time and the news of her death came as a shock to her many friends. Her funeral took place at Carson Tuesday.

WIT AND HUMOR.

Anxious to Pay Bet.
Gerald—"You remember that you bet me a kiss on the election?"
Geraldine—"Yes, but I understand that an official count will be required to decide the result."
Gerald—"Well, I'll pay the bet now, and if it turns out later that I have won, you can pay me back."—Brooklyn Life.

Mother Was Wrong.

Bobby—"Ma, you said that I wasn't to eat that piece of cake in the pantry because it would make me sick."
Mother—"Yes, Bobby."
Bobby (convincingly)—"But, ma, it has not made me sick."—Cincinnati Enquirer.

Had Just Been Pressed.

"Why, how rumpled your shirt-waist is, Edith!"
"Dear me! And in has just been pressed, too."
Edith was quite as self-possessed as ever, but St. John colored deeply.—Detroit Free Press.

Caught a Lobster.

"You were out fishing with someone yesterday, weren't you?" inquired the first summer girl.
"Yes, Mr. Softun."
"Did you catch anything?"
"Yes, Mr. Softun."—Philadelphia Press.

Try Oars Next Time.

Sir Thomas, when you come again To race around our shores, Why not be foxy and equip Shamrock the Fourth with oars? —Chicago Record Herald.

Get It Either Way.

Poet—"My wife said if you accepted this poem I'd get a swelled head."
Editor—"Oh, you'll get that anyway. Johnny, bring me the ax."—Judge.
