

TIME'S UP

HERE THEY GO

A MIDWINTER SALE

We have just taken inventory, and we are pleased to say that we have had a most satisfactory business during the past season. Still, we have too many goods. We want more room for our Spring stock. We would rather have the money than the stock. We are going to commence right now and make

GREAT SACRIFICES

in our prices in order to convert clothing into cash. Don't stop to look in your pocketbook. You won't need much money to participate in this sale. Note these prices and see if you think you can afford to stay away. The early buyers will get the plums.

BUY COPPER STOCKS NOW

Copper stocks today present the safest and most attractive speculation of any class of mining shares for the reason that the demand for the metal increases 20 per cent while the supply increases at about the rate of 6 per cent annually. As a natural consequence, based upon the laws of supply and demand, the price of copper, the metal, continues to advance.

It should be very plain to those who look far enough ahead to place their money where it will bring the biggest and quickest returns of profit. Get all the copper stocks you can carry, using the same judgment you would apply when making an investment in any other line of business.

There are opportunities in the copper stocks of the Ely District that will make you more money in the next three months than most anything you can find would net you in a year. But these better things don't hang around and wait for you.

We can tell you of several stocks of unusual merit where your money is safe and the chances for a quick raise of the market the best that could reasonably be predicted.

Write us. We will make you our client by making money for you.

To Joe Son

Ely, Nev., January 21, 1907.
You are hereby notified that we, D. P. Curto and W. N. Curto, both of Ely, Nev., have expended, during the year 1906, the sum of one hundred (\$100.00) dollars in labor and improvements upon the JAMES McDUGALL lode mining claim, situated in Robinson Mining District, in White Pine County, State of Nevada, the location certificate of which is found of record in Book 6, page 422, Mining Location Records, in the office of the Recorder of said county, in order to hold said claim under the provisions of Section 2324 of the Revised Statutes of the United States and the amendment thereto approved January 22, 1880, concerning annual labor upon mining claims, being the amount required to hold said lode for the period ending the 31st day of December, 1906.

And if, within ninety (90) days after the first publication hereof, you fail or refuse to contribute your proportion of such expenditure as a co-owner, which amounts to thirty-three and thirty-three one-hundredths (\$33.33) dollars, your interest in the claim will become the property of the subscribers, your co-owners, who have made the required expenditures according to the terms of said section and the amendment thereto.

D. P. CURTO,
W. N. CURTO.

Notice of Application For Per-
mission to appropriate the
Public Waters of the State
of Nevada.

Notice is hereby given that on the 22nd day of November, 1906, in accordance with Section 23, Chapter XLVI, of the Statutes of 1905, one LEANER A. RUPPE, of Lund, County of White Pine and State of Nevada, made application to the State Engineer of Nevada for permission to appropriate the public waters of the State of Nevada. Such appropriation is to be made from springs at points about 9 miles south of Lund by means of an open cut and 10 cubic feet per second is to be conveyed to points S. W. 1 of S. E. 1 and S. E. 1 of S. W. 1 of Sec. 1, T. 10 N. R. 61 E. by means of a ditch and there used for irrigation.

The construction of said works shall begin before May 1st, 1907, and shall be completed on or before May 1, 1908. The water shall be actually applied to a beneficial use on or before May 1st, 1909.

SIGNED: HENRY THURTELL,
State Engineer.
