LOCAL AFFAIRS.

DRY GOODS COMING.—The firm of Amiraux & Bowie are not going to leave Carson yet. They say they will see it out. One of the firm will leave for San Francisco and send up a new and large stock of goods, and are certain to do business, as they always have, on the square.

THE LECTURE LAST EVENING.—Mr. White delivered the last of his very interesting and instructive lectures on Pahranagat, Death Valley and the intervening country, last evening. Those who have had the pleasure of hearing these descriptive discourses all agree that they have been favored with a highly gratifying treat; and we heartily regret the fact that our space is so limited as to preclude the publication of the whole three of these lectures. Judging from the average attendance, we infer that a considerable sum has been realized in favor of the Methodist Church.

VOTERS REGISTERED.—During the entire month of July there were just ten voters' names registered in Ormsby county. Indeed, we believe that number to be the sum total registered this year. It may be well enough to inform some of our readers that the law provides for the annual registry of voters. Because you registered last year you are not exempted from that duty this year if you want to vote. We may as well also make this an occasion for urging citizens to attend to their registration as promptly as possible in order to be prepared to participate in the primaries and to make certain of not neglecting a most important duty until too late.

PAHRANAGAT.—Professor Stretch handed us last evening a letter from Silver Cañon, Pahranagat, from which we learn that parties from Utah and further East are flocking into that country. The writer speaks of encouraging prospects for future mining operations and speaks of some ore from the Frazier lode which yielded two ounces of silver to two pounds of rock. He also alludes to the presence in that delightful region of "quite a number of ladies." He quotes spring water at 10 cents per gallon' Beef and mutton are from 18 to 25 cents per pound, and "flour and the luxuries of life are plenty." He also says that certain contumacious parties still contend that Pahranagat is in Utah and not in Nevada. The letter is written by Mr. John F. Williams and is dated July 12th.

CHANGES IN THE MONEY ORDER SYSTEM.—The Postoffice Department at Washington has put the new law of Congress relating to the money order system in force, commencing with the present fiscal year. The working of the system is changed in several respects, and orders of $50 and under are now sold; while under the old system the maximum was $30. The fees for money orders have also been changed; orders from $1 to $20 being now issued at 10 cents, and over $20 to $50, inclusive, at 25 cents. Under the old law it was necessary for a duplicate to be issued. An affidavit with stamp was first required, for which the party had to pay, as also a fee for the new certificate. Under the new law postmasters can administer oaths free of charge, and the certificate is also furnished without cost, the only expense to the party being the 5 per cent. revenue stamp. Besides these changes, quite a number of other objectionable features have been removed. On the 2d of August 300 additional money order offices, mostly in the South and West, will be put in operation. The system is daily increasing in popularity among all classes.

A BRUTAL MURDER.—The Reese River Reveille of the 28 ult. relates the following:

We learn from Mr. H. B. Blake, that a Shoshone Indian killed a squaw yesterday at a place called Florence, three miles southeast of Canon City, Big Creek. The savage ruffian charged the poor wretch with having stolen his flour and raised his rifle and deliberately shot her. When our informant left the place, the body of the squaw lay where it had fallen. It would have been a manly and virtuous deed to have killed the woman slayer on the spot. These are the cowardly brutes that enlist the liveliest sympathies of the people of the East.

ROBBERY IN NAPA.—Recently in Napa one Joseph Howell was stopped by two men near the Catholic Church and robbed of a silver watch and a few dollars in silver. One of the robbers seized his horses by the head and presented a pistol, while the other brandished a bowie knife. After Howell gave up the money, the man with the pistol asked "if that was all," and being answered in the affirmative, said he didn't believe it, and the two robbers then searched him. They found no more money, but took his watch, a silver one worth $20, cutting the guard with the bowie knife. Howell was then told by the robbers to "leave," and he did so, in good order. On the same night, and in the same neighborhood, two butchers, employed by Gengnagel & Co., were stopped and robbed of a watch and a few dollars, probably by the same men. Subsequently a supposed State Prison convict named Charles Horace Dade was arrested and committed.—*Exchange paper.*

Lieut. Gov. Crossman is somewhat interested in the last named individual, if we mistake not.

CARSON CITY BREWERY FOR SALE.

JOHN WAGNER,
JACOB KIRIS.

Carson City, March 29, 1866.

S. T.-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafrass, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imposters. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by DYER, BARNES & Co., New York, Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N. Y.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere, at 50 cts. per bottle. Ask for "Lyon's" Pure Extract. Take no other.

DEATH TO FLEAS.—It is well known that Lyon's genuine Magnetic Powder will perfectly destroy everything in the shape of fleas, ticks, bed bugs, roaches, &c.; that it is perfect poison to the insect tribe, but entirely harmless to the human family and domestic animals. The genuine has the signature of E. LYON, and the private stamp of DYER, BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will have no other.
