## LOCAL AFFAIRS.

EDUCATIONAL PRIVILEGES IN NEVADA—LAWLOR'S INSTITUTE.—Nevada State has an excellent and efficient system of common schools, one which has been carried into so successful operation as almost to preclude the possibility of independent schools. This is owing to the efforts of their able State Superintendent, Rev. Mr. White, of Carson. We visited some of the schools and would especially mention the one at Carson City as admirably conducted. We there, also, visited the Academy of Mr. Lawlor, in which we spent half or three fourths of an hour. We heard two classes in arithmetic, and must say we never heard the equal in mathematical recitations. Long examples were performed in interest and complex fractions with rapidity and ease, and then explained with readiness by boys ten and eleven years of age, in a manner perfectly delightful to witness. At our request, long rows of figures were written for them to add up, when, with a rapidity never before seen by us, they added them, repeating no name of figures, but only uttering each increasing amount as the teacher's pointer hastily passed up along the columns, surpassing all we had known before. We were told out of the school that all the recitations were of the same rapid and correct character, but none of them appeared to be of the parrot manner of mere memorizing; all seemed well understood, the particular manner of one scholar being different from another, and all readily explained when requested.

The above extract is from the pen of one of the able editors of "The Pacific," whom we understand has himself been a successful teacher for many years in early life. The candor and disinterested spirit which prompted the expression of these convictions is characteristic. At the late examination of the School, the pupils acquitted themselves in a manner highly creditable, and which proved to all present that Mr. Lawlor is not over estimated as a teacher. When their scholarship was subjected to a severe test by gentlemen of ability and position who happened to be present, their answers were prompt and surprisingly accurate. These tests were varied over several different branches of study, spelling, reading, geography, English grammar, arithmetic, composition, &c., and in every instance manifested pleasing evidences of accurate acquirements and thorough training. The facility with which difficult solutions were given was a matter of real astonishment, and is one of the excellencies of Mr. Lawlor's system. It is characteristic of the School, and pertains to the efforts of the least and youngest as well as to those of the largest and oldest of the pupils. A young lady wrote a composition in about ten minutes upon a subject assigned her by one of our Supreme Judges, which called forth the Judge's highest commendation for correct orthography, punctuation, accuracy of style and justness of sentiment. Well may our citizens be proud of such a School, and feel themselves fortunate in the opportunity of placing their children under instruction so thorough and so complete and discipline so gentle, and yet so firm and parental.

INSTALLATION OF OFFICERS.—The officers elect for the quarter commencing Aug. 1st, instant, of Union Lodge No. 4, I. O. G. T. will be installed at Masonic Hall on to-morrow, (Monday) evening at 8 o'clock precisely. All sister Lodges and the public generally we are requested to say, are respectfully invited to attend.

THE POSTAL ORDER SYSTEM goes into operation at the Carson Postoffice to-morrow. We believe the Aurora office will also begin with the system at the same time. This will be a very great convenience, as well as a saving to the people, and we rejoice that the arrangements have been finally completed.

PERSONAL.—We had the pleasure of meeting, yesterday, Mr. Griswold, traveling agent for Langley's Pacific Coast Directory. Mr. G. will remain a few days in Carson on business connected with his agency.

PREACHING.—Rev. A. F. White is expected to preach at the Presbyterian Church, at the usual hour, to-day.

THE SUPREME COURT meets to-morrow. Lawyers and litigants will arrange their matters accordingly.

THE BOARD OF COUNTY COMMISSIONERS hold their monthly meeting to-morrow (Monday) Aug. 6th.

OLCOVICH BROS have a very choice assortment of Dry Goods, &c., on hand. Attention is directed to their advertisement.

GOING TO THE BAY FOR GOODS.—P. Amiraux, Esq., of the enterprising dry goods firm of Amiraux & Bowie, starts for the Bay to-morrow to lay in a new stock of goods for the Fall trade. We advise the ladies to be prepared for the arrival of his purchases, which will no doubt be very choice.

NOVEL SUIT.—The Governor of Virginia is about to inaugurate proceedings for the recovery of jurisdiction over the counties of Jefferson and Berkeley, which, it will be remembered, were transferred to the State of West Virginia. It is stated that he has retained Judge Curtis of Boston, to assist the Attorney General and Hunter in conducting the proceeding. We are not informed what particular course of procedure the Governor has decided on, or to what tribunal he will address himself. The case is a novel one, wholly without precedent in this country.—*N. Y. News*

MOVEMENTS IN THE SOUTH.—Governor Hamilton, of Texas, has drawn up a call for a Convention of Union men through out the South, to meet at Washington on the first week of September. Signers are being obtained and letters sent South to invite the co-operation of Union men there.

Governor Hamilton calls the August Convention, to be held in Philadelphia, another rebel invasion of the North, to form an alliance with the Democratic party for the reinstatement of the rebel leaders in their former political power, to the utter seclusion of the Union men who have been persecuted, oppressed and ignored for the last few years.

Carson City, March 28, 1866.

S. T.-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sarsaparilla, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imposters. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plants in one corner, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by Dyer, Barnes & Co., New York, Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N. Y.

LYON'S EXTRACT OF PURE JAMAICA GINGER.—For Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere, at 50 cts. per bottle. Ask for "Lyon's" Pure Extract. Take no other.

DEATH TO FLIES.—It is well known that Lyon's genuine Magnetic Powder will perfectly destroy everything in the shape of flies, tick, bed bugs, roaches, &c.; that it is perfect poison to the insect tribe, but entirely harmless to the human family and domestic animals. The genuine has the signature of E. LYON, and the private stamp of DYER, BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will have no other.
