LOCAL AFFAIRS.

IRON DOORS AND SHUTTERS.—We think it would be a measure of economy, and certainly a very prudential one, if our Honorable Board of County Commissioners would cause the openings in rear of the County Buildings to be furnished with good substantial iron doors and shutters. They are certainly much needed, and we apprehend that intelligent tax payer in the county would not object to an expenditure of $1200 or $1500 in currency for this purpose. It would cost no more than this sum, and can in all probability be done for considerable less. The building pays an annual revenue to the county of seven thousand dollars cash, to say nothing of its great value in affording a good secure Jail and commodious offices for the County Clerk and Sheriff. Moreover if it should burn down, might it not be good cause for removing the Capitol to some other place. In view of all the circumstances we think the matter of sufficient importance to the vital interests of our city and county, for the serious consideration of the Commissioners. And perhaps too, while we are upon the subject it may not be inappropriate to say that a new pavement in front, would not be seriously objected to by any class of our citizens. A property which pays so well and is of such importance to our future interests, ought not to be neglected, but should be well preserved and securely protected against fire. By all means, say we, give us the fire-proof doors and shutters, first, and after them, the pavement.

THE INSTALLATION.—The ceremony of installing the officers of Union Lodge, No. 4, I. O. G. T., came off last evening at Masonic Hall. The services as performed by Lodge Deputy Bro. A. Waitz were very appropriate and impressive. A very fine intellectual audience of ladies and gentlemen were present to witness the ceremonies. Following are the names of the officers installed: Thomas Wells, W. C. T.; Miss Mary Hamilton, W. R. S.; Miss Jennie Campton, W. L. S.; Mrs. Elvira S. Cowan, W. V. T.; Silas Caulkins, W. S.; Miss Sarah M. Wells, W. A. S.; John Cavill, W. F. S.; James Duffy, W. T.; J. B. Cormack, W. M.; Miss Susan Holmar, W. A. M.; Henry Caffell, W. J. G.; A. T. Tabor, W. O. G.; Rev. A. F. White, W. C. At the conclusion of the exercises a very bountiful and tastefully arranged collation of cake and other good things got up by the ladies of the Order, was partaken of by the guests, and the evening's entertainment wound up with a very agreeable little "hop" of three or four hours duration.

SPORTING EXTRAORDINARY.—A party of four gentlemen of this city, four or five days since, went on a sporting expedition to Hope Valley. As the result of their efforts they captured, with hook and line, eight hundred of the finny tribe, sixteen grouse, fifty snipe, sixteen ducks, and any amount of rabbits, hares, and small birds. They report having fine sport and a good time generally, and advise their friends to visit Hope Valley when they want to hunt.

ATTENTION.—The attention of our readers is called to the card of Dr. A. W. Tjader in another column of to-day's APPEAL. The Doctor has taken up his quarters at Hammer's drug store in the post office building, where he can always be found by those so unfortunate as to need the services of a physician or surgeon.

PERSONAL.—The Reynolds Melodeon Minstrels [illegible]

AT HOME.—We understand that Governor Blasdel will arrive at home this evening. He came to Strawberry yesterday. A carriage will be sent this morning to meet him. We cordially welcome him back after his somewhat protracted absence and are glad to learn of the good state of his health.

IN TOWN.—Our friend Crawford of Como, a. e. Jeems is in town looking exceedingly healthy for a man of his years. Candor compells us to say however that Jeems is getting to be considerably obese—all same like Tuffy pretty near. But then he's all man! you bet you.

CURRYS ATTENTION.—The regular monthly meeting of Curry Engine Company, No. 2, will take place at their engine house this evening at 8 o'clock. A full attendance is requested.

RETURNED.—Gus Lewis, Foreman of Warren Engine Company, No. 1, after an absence of some days at Lake Tahoe, on a pleasure excursion, returned to town yesterday.

JUSTICE MCKEEBY'S COURT YESTERDAY.—W. & C. C. Morra vs. John Isaac. Suit on account. Continued until the 9th instant at 2 o'clock, P. M.

Catherine A. Harvey vs. Isaac Warren. Suit for personal damages. Trial by jury. Verdict for plaintiff, and damages assessed at $147.

SUPREME COURT PROCEEDINGS.—Monday, August 6, 1866. Present, full Bench. Adam Walters vs. Reilley & Johnson. Motion to place cause on Calendar under rule 30 overruled. State vs. Wm. Salze. Same motion and order. J. J. Corbett, appellant, vs. H. F. Rice and P. W. Rice, admrs., &c., respondents. Cause heard, submitted, and decision reserved by the Court. Thomas Wells for appellant. R. M. Clark for respondents. Champion vs. Sessions, et al. Continued until Monday, 13th instant. Lockhart vs. Mackin. Continued to Monday, 13th instant. Court adjourned until to-morrow, August 7, at 10 o'clock A. M.

CHEAP FOR CASH.

Carson City, [illegible]

S. T.-1866-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.
They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafrass, roots and herbs all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imitations. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plantation scene, and our signature on a fine steel plate side label. See that your bottle is not refilled with spurious and deleterious stuff. Any person putting up or selling Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by DEMAS BARNES & Co., New York, Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.
