THEN AND NOW.—The secession convention of Virginia, in 1861, by ordinance declared:

"That any citizen of Virginia holding office under the Government of the United States after the 31st of July, 1861, should be forever banished from the State and declared an alien enemy; if any citizen of Virginia hereafter undertakes to represent the State of Virginia in the Congress of the United States, should, in addition to the above penalties be considered guilty of treason, and his property liable to confiscation."

This mild and conservative gem of legislation would, doubtless, have been enforced to the letter of the law had secession succeeded in breaking the back bone of the Union. Confiscation and exile are the softer penalties Rebellion could offer to loyalty—and yet a pleasant quiver is raised when it is proposed by Constitutional amendment to exclude from office under that Government which they plotted and sought to destroy a few of the arch criminals.—*Lyons Union.*

SAN FRANCISCO.—A dispatch to the Sacramento Bee of 13th says:

The Union County Committee met and organized last night. President, Frank M. Pixley; Vice President, D. D. Shattuck; Secretary, T. J. Riskeney; Treasurer, E. B. Vreeland; Sergeant-at-Arms, James Riley. Leonard Muse resigned his position as member of the Committee, and on his recommendation Wm. Moore was appointed in his stead.

OF DR. CRAVEN'S career in the army, we find the following singular episode:

Every spare moment of Craven's time was employed in making collections of insects, fishes, herbs and geological specimens or other curiosities for his own or the Smithsonian Museum. Once, when a very scoundrelly deserter, convicted of going over to the enemy and other crimes too abominable to be mentioned, was "shot to death by musketry," in pursuance of his sentence, Dr. Craven obtained the privilege of skinning him and tanning his hide—the skin itself, tattooed all over while the fellow was a sailor, with pictures too blasphemously and obscenely horrible for contemplation, being a dreadful commentary on the multiform crimes and offenses of which the soul therein dwelling had been greedily guilty. On his breast was our Saviour suspended on the cross, tattooed in various colors, and on each side of it men and women—and even worse than this—in every conceivable attitude of public shame. It was, also, I have heard—for I did not see the execution—over all the rest of his body; and certainly such his hide, with the eighteen holes in it through which nine bullets entered and passed out, is no bad sermon on such a life as had been led by this villain.

S. T.-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.

They make the weak strong, the lame walk and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafrass, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imitations. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plain glass stopper, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by Dows, Barnes & Co., New York, Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair curl, soft and silky.
It prevents the hair turning gray and falling off.
It restores hair upon a person entirely bald headed.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—it sells. It is literally sold by the carload, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N. Y.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere, at 50 cts. per bottle. Ask for "Lyon's" Pure Extract. Take no other.

DEATH TO FLIES.—It is well known that Lyon's genuine Magnetic Powder will instantly destroy everything in the shape of fleas, tick, bed bugs, roaches, &c., that it is perfect poison to the insect tribe, but entirely harmless to the human family and domestic animals. The genuine has the signature of E. LYON, and the private stamp of DOWS BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will have no other.
