BY STATE TELEGRAPH.

[From the Gold Hill News of last evening.]

CHICAGO, September 3.—Special dispatches from Philadelphia report the arrival of a great number of delegates from all parts of the country on Saturday night and Sunday, including Senators Harris, of New York; Wilson, of Massachusetts; Sprague, of Rhode Island; Yates, of Illinois; Lane, of Indiana; Creswell, of Maryland; Chandler, of Michigan; Brown, of Missouri, and Howard, of Michigan. Governors Fenton, of New York; Morton, of Indiana; Curtin, of Pennsylvania; Fairchild, of Wisconsin; Hawley, of Connecticut; Fletcher, of Missouri; Boreland, of West Virginia; Cornelius Cole, of California; John A. Andrew, of Massachusetts; General Butler, of Massachusetts; O. S. Ferry, of Connecticut; James Speed, of Kentucky; Ex-Gov. Pease, of Texas; John Minor Botts, of Virginia; Lieut. Gov. Bross, of Illinois; O. A Brownson, and Chief Justice Chase, and others.

The chief feature yesterday was the mass prayer-meeting of delegates held last evening. Senator Harris led the meeting. In his opening remarks he said they had assembled from various parts of the country to attend a convention, the results of which might affect essentially, if not vitally, the welfare of this distracted country. It was, therefore, appropriate that on the evening of the Christian Sabbath they should meet together and commend that country to God, who had signally favored the country in the trials through which it had passed, and plead with God that, as the country was now entering on unexpected trials, it would not be deserted by Him. He closed by announcing that prayer would be offered by Rev. Dr Newman, of Louisiana. Senator Lane, Lieut. Gov. Bross, Rev. Thos. W. Conway, General Eaton, Horace Maynard, Judge Potter, of Tennessee, and others, followed in exhortation and prayer.

Fourteen members of the National Republican Committee had arrived at Philadelphia, yesterday, and six more are expected to-morrow.

The Ohio State Central Committee appointed B. R. Cowen a member of the National Committee, vice Geo. B. Senter, who goes with Raymond and Cowen.

The Committee will take steps for securing the $20,000 election funds now in Raymond's possession.

Governor Smythe, of New Hampshire, has appointed George G. Fogg United States Senator, vice Mr. Clark resigned.

Washington, during the past 5 years, has never worn so deserted an appearance as now. The hotels are empty, all kinds of business, including that of lobbying, is dull for the moment, and there is consequently a dearth of news.

BUFFALO, Sept. 3.—The President was waited on at Niagara Falls by a committee headed by ex-President Fillmore, and arrived here at 10 A. M. The procession moved through the principal streets to Niagara Square, where ex-President Fillmore formally welcomed President Johnson.

The Presidential party took the cars for Cleveland, at 1 P. M., and will arrive in Cleveland about 9 P. M.

There has been but little excitement here—the principal curiosity being to see Gen. Grant and Admiral Farragut, who were frequently cheered.

BY THE ATLANTIC CABLE.

HEART'S CONTENT, Sept. 2.—The news of the successful picking up of the Atlantic telegraph cable of 1865 reached here at 45 minutes after six o'clock this morning. The expedition, with the Great Eastern, had been out twenty-four days, and all hope of success had been abandoned by the telegraph people here. The news reached Valencia at 40 minutes past five o'clock, one hour and five minutes before it was received even here. Signals are sent through the cable with perfect accuracy, and we are talking with the Great Eastern every moment, via Valencia, Ireland!

About three hours after the recovery of the cable, the splice was made with the cable stowed in the main tank of the Great Eastern, and the lowering of the cable into the sea immediately took place. The big ship is now paying out the wire and approaching Heart's Content on her return, at about the same speed she maintained in the late expedition.

The telegraph fleet is expected here next Saturday.

SANTA ANNA AND THE UPSTART "EMPEROR."—It would seem from the following statement that the wooden legged hero of Mexico, is at outs with Max, and that Senor Romero's suspicions to the contrary are all unfounded. We quote from correspondence of the New York Herald:

CITY OF MEXICO, July 16th.—Santa Ana was by far the richest man in Mexico; others had more acres, but his ready money he counted by millions. During Juarez' Administration the General's haciendas near Jalapa, in the State of Vera Cruz, were confiscated, but never sold; soon after Maximilian came into power he revoked the confiscation decree and restored the property to its owner. On Thursday last the Emperor reconsidered the matter, and issued a decree again confiscating this property to public uses, and appointing an administrator to take charge of it. These estates are among the most valuable in Mexico, and worth several millions of dollars. The proceeding shows the rupture between Maximilian and Santa Ana to be complete, and removes the last doubt which might have existed that Santa Ana was earnest and true in his hostility to the Emperor.

A JUDGE AND A LAWYER AT FISTICUFFS. The Sacramento Union of Monday tells of a fight which occurred at Judge McKune's chambers the other day, between the Judge and Mr. George Cadwalader, a well known lawyer of that city. They got into a dispute about the disposition of a certain case, and, as the Union says:

The altercation waxed warm. McKune gave Cadwalader the "lie," and Cadwalader in return called the Judge "a puppy." McKune opened the door and ordered Cadwalader out, who in return said he would not go until he got ready. The fight then commenced, and the belligerents worked gradually out of the room and along the hall until they approached the head of the stairs. Although "actions speak louder than words," the actions of the two were not sufficiently loud up to this period to attract the attention of any of the clerks in the adjoining rooms. As they passed the door of the Recorder's office, however, they were seen, and John Parnell, Thomas Edwards and others intervened and ordered a "stay of proceedings." Cadwalader's coat was badly torn, but neither party was injured to any extent. Cadwalader seems to have had the advantage as to length of arm and strength of muscle, and McKune as to agility of action and accuracy of aim. It was agreed among the belligerents and their friends that they would keep the affair "out of the papers," but "the best laid plans of mice and men gang aft agley." We can only request of the public that they omit reading this item.

A SPENDTHRIFT CONGRESSMAN.—A Washington despatch says that one of the California Congressmen, who receives about $17,000 from Congress as pay and mileage, has been so overdrawing his account that, should he die before his mileage and pay for the next session become due, his creditors would be losers to the amount of $7,000; so, to protect themselves, they have had his life insured for that amount.

S. T.-1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.
They make the weak strong, the languid brilliant, and are exhausted nature's great restorer.

They are composed of the celebrated Calisaya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of imposters. Examine every bottle. See that it has our private U. S. stamp unmutilated over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an imposter. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

P. H. DRAKE & CO.

MAGNOLIA WATER.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1 00 in large bottles, and by Demas Barnes & Co., New York Wholesale Agents.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. T. HASLYON, Chemist, N. Y.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere, at 50 cts. per bottle. Ask for "Lyon's" Pure Extract. Take no other.

DEATH TO FLEAS.—It is well known that Lyon's genuine Magnetic Powder will perfectly destroy everything in the shape of fleas, tick, bed bugs, roaches, &c.; that it is perfect poison to the insect tribe, but entirely harmless to the human family and domestic animals. The genuine has the signature of E. LYON, and the private stamp of DEMAS BARNES & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine if you insist you will have no other.
