

THE DAILY APPEAL

H. R. MIGHELS

TUESDAY MORNING, SEPT. 18, 1896

ANTIETAM

Yesterday, he is remembered, was the fourth anniversary of the great battle of Antietam.

WHO IS BEING FAD BY THE FREEDMEN'S BUREAU?

Those "political economists" who have been glad to re-echo Johnson's howl against the Freedmen's Bureau.

The Assistant Commissioner of the Freedmen's Bureau for Missouri, Arkansas and the Indian Territory.

COLFAX ON THE "RECONSTRUCTED."

In a late speech at Indianapolis, Speaker Colfax, in his usual clear, apt and forcible manner, made use of the following illustration to show the absurdity of the claims of rebels.

If, at the close of the Revolutionary war, Benedict Arnold, after having thrown his sword in the scale against his country.

THE PRODIGAL'S RETURN.

The Chicago Tribune, in an able article showing the rapid decline of that Palladium army, the Bread and Butter Brigade.

The editor of the Albany Evening Journal resigned his post office in order to regain his political liberty.

THADDEUS STEVENS.

The Washington correspondent of the Worcester Spy relates the following incident: On Sunday evening it was my fortune to see the Hon. Thaddeus Stevens leaving for his home.

BIG TURTLE.

The Portland Press says that last month some men fishing for porpies off Sequin, with nets, captured a large turtle of the African species.

TO VOTERS—THE REGISTRY LAW.

We hope this article will be read by every voter in Ormsby County, inasmuch as it contains a very important statement of fact with regard to the Registry Law.

UNDER THE LAW AS IT WAS AMENDED LAST WINTER, IT WILL BE IMPOSSIBLE TO REGISTER NAMES UPON THE POLL BOOKS AFTER THE 19TH DAY OF OCTOBER NEXT.

A STORY FOR HANK MONK.

The probability is that Hank Monk "has the call" on any stage driver, living or dead, in the matter of "good things."

A BIG POKER GAME.

The New York Alderman's circle is excited just now over the hapless fate of one of their ilk, who, on his way up town in that city one day last week.

HOW WISCONSIN DISCRIMINATES IN FAVOR OF HER FAITHFUL REPRESENTATIVES.

The Racine, Wisconsin, Journal contrasts the reception of Senator Howe (Radical) with that accorded to Senator Doolittle, by the people of that city.

VASTLY DIFFERENT THIS RECEPTION FROM THE MANNER IN WHICH SENATOR DOOLITTLE WAS RECEIVED AT HIS HOME.

No delegation of his constituents were in waiting to receive him. During his stay in the city, while no insult was offered him.

GOLD IN GEORGIA.

A letter from Dalton, Georgia, says that one company took out \$10,000 worth of gold from the mines in one day.

JAS. W. NYE.

The neighboring State of Nevada has been ably represented in Congress during the past session. Not only has her delegation procured the passage of measures beneficial to the interests of their State.

Wonder who it can be that the Telegraph refers to as "seven by nine California politicians?"

YANKEE-PHOBIA IN ARKANSAS.

Arkansas has been called a thoroughly reconstructed State. The following from the Fort Smith (Ark.) New Era hardly confirms that idea:

A gentleman traveling recently in the northern part of this State, while making a short stop at a store in Marion county, learned during a conversation with the merchant that he procured his goods from Jacksonville, some 150 miles distant.

BITTEN BY A RATTLESNAKE.

A man, whose name we did not learn, was bitten in the hand by a rattlesnake a few days ago, at his ranch on Fish Creek, about fifty miles north of Austin.

A NEW HOUSE, TO-DAY.
