**It Pays to Read Advertisements**

You've often heard the saying, "It pays to advertise." That is true. And it also pays to read advertisements --- pays you. If you read advertisements consistently for any length of time you will agree that this statement is also true.

**IF PAYS YOU IN MONEY SAVED.** There are many real bargains offered from time to time in the advertisements that appear in the Appeal. Watch for them.

**IT PAYS YOU IN SATISFACTION.** When a merchant asks you to come to his store he obligates himself to sell you quality goods "as advertised." And you have a right to expect satisfaction from what you buy and you get it.

It pays you in the time saved. When you know exactly what you want to buy and where to go to buy it, you don't have to "look around" and waste time finding it.

Do you want to save money and time? Wouldn't you like to be sure of getting satisfactory service and quality goods every time you go to a store? Then read the advertisements and patronize the stores which can serve you best.

**APPEAL ADVERTISEMENTS**

are read by people who buy.
