

**Water!
Water!**

for your Battery

Water is as necessary to battery life as it is to plant life.

The water should be pure—and it should be put into the battery regularly, at least once every two weeks.

You can easily put this water in, but we will gladly do it if you prefer.

We are also equipped to recharge and repair batteries. We carry a complete line of Willard battery parts, rental batteries and Willard Threaded Rubber Batteries.

Ask us how Willard Threaded Rubber Insulation puts an end to the separator replacement expense caused by warped, cracked, punctured and carbonized wood separators.

a Cup

of Cocoa on a Summer Morning aids a good beginning of the day.

Or you may add a little more sugar and call it CHOCOLATE. Under any name, it is a luxury; but, unlike most luxuries, it is also a valuable, healthy food.

And remember, I am still selling COCOA—Genuine Lipton's Bulk Cocoa—at only 25c the pound.

Express work of all kinds, trunks and baggage hauled to and from depot. Bath, phone 941.

People and Notes of Interest

Jack Mackey, who has been confined to his bed with tonsillitis, is able to be up today.

J. G. Scragham, state engineer, was among the arrivals from Reno this morning.

Mrs. Mark Cecil, who has been visiting her son Clyde in Reno, was among the morning arrivals.

P. A. McCarran, former chief justice, drove in from Reno this morning, having business before the supreme court.

William Woodburn came in from Reno this morning and represented a client before the supreme court today.

George A. Cole, state controller, was a departure for Reno last evening to attend to some state matters at that place today.

Harvey Payne, who journeyed to San Francisco to hurry up the shipment of tents and cots for the encampment at Lakeside, arrived home on the morning train.

Mrs. D. R. Session is the guest of her brother, Dorsey Noteware. Mrs. Sessions made the trip to Carson from California with Mr. and Mrs. Fred Seymour in their car.

Miss May Kenney returned this morning from Carson valley, where she had been on professional duty. She states that the valley people were much pleased with the entertainment provided in this city on the Fourth.

Dan Sullivan, state auditor, returned yesterday from an official visit to a number of the eastern and southern counties. Speaking of business conditions, he said they were rather quiet in all the places he had been.

TOURIST TRAVEL HEAVY

This week has marked the heaviest tourist travel of the season. It is estimated that close to 100 machines a day have been passing through this city, either going east or west.

The camp ground is receiving liberal patronage as twenty machines were parked there one night this week. A dozen cars is nothing unusual at a time since the first of the present month.

OAKLAND WOMAN ALMOST A WRECK

Only Weighed Eighty Pounds Before Taking Tanlac—Now Weighs One Hundred and Ten.

"When I began taking Tanlac I was in a dreadful state of health and weighed only eighty pounds; now I weigh one hundred and ten and never felt better in my life," said Mrs. Dolores Oest, residing at 3415 Chestnut St., Oakland, Calif.

"Two years ago I was in the hospital, where I had just undergone an operation, and was a complete wreck of my former self.

"My stomach went bad and I was not able to eat anything nourishing, and what I did force myself to eat gave me such terrible pains they nearly drove me wild.

"The pressure on my heart from gas in my stomach kept me in misery all the time, and I was afraid I had heart trouble. Then I'd have choking spells that would interfere with my breathing and make me more miserable than ever, and I'd get so dizzy I couldn't stand up.

"Nervous headaches pained me more than I can describe and usually put me in bed for a couple of days. To add to my miseries, my back got to hurting me right over my kidneys. I was that sick and nervous and many nights I never closed my eyes in sleep, and I got so discouraged over my condition I feared I'd never get well.

"My first bottle of Tanlac helped me so much I knew right away I had found the right medicine. I was so surprised and happy over the results that I bought a bottle and sent it to my mother in Mexico, and persuaded my brother in Albuquerque, N. M., to take Tanlac for his stomach trouble."

Tanlac is sold in Carson City by Charles L. Kitzmeyer, and leading druggists everywhere.

SHOULD BE DONE

Complaints are becoming so numerous that the city trustees are thinking of appointing a pound master to round up the stray horses and cattle that are continually ruining lawns.—Carson City News.

The Appeal would also suggest that the rounding up of some few dozen stray cats might not be amiss. The nightly fights of the felines are rapidly bringing some of our most estimable citizens to the verge of nervous prostration and heart failure.

TOUCHING UP NEVADA

Miss Peggy Hager is busy at present touching up the face of Nevada and she is doing a good job at that. The big profile map hanging in the corridor of the Capitol was found to be shy a few peaks, some valley points were disturbed, a few of the rivers had lost their course, owing to the extreme dryness of the surroundings and other mishaps had taken place while the state's profile was visiting in California.

Miss Hager has replaced the summits where they belong, refurbished several valleys and is now doing a few things to the Smokey range down south. The whole map is taking on a more pleasing appearance following the application of a touch here and there, more umber to the hills, a touch up of lapis pigment to the lakes and an occasional riverway marked so that one may find it.

MAKING GOOD PROGRESS

The contractors having the bridge building under way near Cradelbaughs are making good progress, according to members of the highway force who are keeping tab on this work.

The new bridge is about half a mile east of the old wooden structure and means the construction of a highway to its approach, both north and south.

This new connection at the bridge will straighten out the road at both ends and will cut in considerably east of the Pony saloon.

The bridge, which is of pre-cast concrete, is now assuming shape, most of the work up to the present being the casting of girders and sinking of concrete piles. When finished it will be one of the best river bridges in western Nevada.

TO PLACE TABLET

On August 8th a number of Californians are to dedicate a bronze tablet at Kit Carson summit. From arrangements announced a large number of machines will make the trip to the Spur from California points.

The tablet is to be placed at the summit at the point where the Kit Carson tree stood for many years.

Chism's Famous Ice Cream

Farrell's New Ice Cream Parlor

Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarette aftertaste,

It's Camels for you.

Camel

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

VISITING FRIENDS

Bob Reiggs, a former resident of this city, spent the day visiting friends here. Bob is getting over a severe accident when he was injured in a head on collision last February. Injury to the spine followed and he has been in hospitals since that time. He is employed in the railway mail service between Sacramento and Placerville.

Soft Drinks

Billy Kearns, formerly of this city, has been granted a soft drink license in Virginia City and will open up a place of business in the Young building on C. street.

Called Home

Mrs. Ivy Wilson arrived in this city yesterday from Honolulu, being called home by the serious illness of her mother, Mrs. H. B. Millard.

Job work that will stand the test at the Appeal office.

A Friend of the Family

Over fifty years ago a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called his "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective, and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Introduce pure red blood into the system, and health is assured. When you feel run-down, out of sorts, blue and despondent try the energizing influence of this reliable tonic. You can obtain Golden Medical Discovery in tablet or liquid form at all drug stores, or send 10c for a trial package to Dr. Pierce's Laboratory in Buffalo, N. Y.

STARTS CHAIN GANG

In order to control the hobos who are infesting Winnemucca a change gang is to be inaugurated. The Silver State says:

"It is reported by officers that not only men are bumming their way from one part of the country to the other, but also women, and even families with small children have been seen riding the freight trains."

Guests at Mansion

Governor and Mrs. Boyle had as their guests Monday and Tuesday of this week Mrs. J. S. Mitchell and two daughters, and Miss Loalita Heer of San Francisco.

DON'T DESPAIR

If you are troubled with pains or aches; feel tired; have headache, indigestion, insomnia; painful passage of urine, you will find relief in
