ADVERTISING RATES.

We will send the INDEPENDENT
to any address, for the campaign,
for 60 cents. If the friends of the paper
will but go to work and earnestly labor
for it for a few days, they can make
its circulation larger than any paper
ever had in Morgan county. The
campaign is now fairly begun and it
belongs to every prohibitionist to labor
for the cause. All contracts
for advertising must be made with the
manager, and on questions of this kind,
through the public press. Go to
work then, and give the cause the ad-
vantage of having an organ larger in
circulation than any other in the
territory.

begin in McConnelville on the 31st of
July. Let every teacher be prepared
to attend.

A week or two ago, in mentioning
the superior mechanism displayed by
Hiram McGrath in his work on R. L.
Morris' new residence, we should have
stated that Edgar Sharp and H. M.
Fiskerson assisted him in a portion of
the inside work. The stairway, how-
ever, is the work of McGrath solely.

Erast prominent Democratic paper in
the South endorses the "New De-
parture" of the Ohio Democracy if we
except one. This action of the South-
ern Press shows the position of the
South, as well as the Northern Democ-
racy, is satisfied that the questions
decided by the late war shall remain
settled forever.

J. S. Wilson has opened out a
Queensware Store on Bell street in
Malta. His room is neatly fitted
up, and well stored with goods.—
Joe means business, and will make
the new establishment a success.—
A first-class Queensware Store has
long been one of the needs of Malta,
and the citizens should be rejoiced
at the prospect of having one estab-
lished in their midst.

Very recently a Juror sat on a
case in the Muskingum County
Court of Common Pleas who was
no drunk as to fall over and go to
sleep when in the line of duty.
Judge M. M. Graner presided as
Judge, and seemed to think the
matter all right, or at least he did
not evidence any disapproval of it.
Will the Judge claim he discharged
his duty by allowing a drunken man
to sit on a Jury in his court?

The following named gentlemen
were chosen, last Saturday, as dele-
gates to represent Morgan County in
the approaching Republican State
Convention.—Arthur Pond, D. C.
Pinkerton, E. M. Kenedy, Newell
Corner, Cyril Hawkins, Richard
Stanton, C. C. Cheadle, J. C.
Murray, Joe. E. Vanlaw, H. L.
Jones, Alexander Higgins, Leah
Kinnison, W. P. Sprague, J. W.
Barkhurst, Bill Shields and Thos. E.
Poneros. The delegates were au-
thorized to fill any vacancies that
might occur and to cast the full
vote of the county.

COLORADO BUG.—The Colorado
Potato Bug is doing great damage
in Morgan county as well as else-
where. We have heard of many
means of getting rid of them, some-
times which are prominent the use
of Paris Green, also the use of
water in which Tobacco stems have
been soaked. We have seen Paris
Green used, and must confess that
it is not advisable to use it. It not
only kills the bugs, but also the
potatoes. Those who have used the
water off of Tobacco stems tell us
that the bugs are completely annihi-
lated by it, also that it acts as a
manure to the potatoes, making
them more vigorous and healthy in
appearance than is usual. It gen-
erally takes two or three applica-
tions of the tobacco water to do
the work. The manner of applica-
tion by those we know have tried
it here, is by means of a gardener's
watering pot.

In our issue of the 2nd, we pub-
lished the Premium List of the
Morgan Co. Agricultural Society for
1871, and would now call atten-
tion to the date of the Fair once
more. Bear in mind that it will
be held on Wednesday, Thursday
and Friday, September 27th, 28th,
and 29th, 1871. Persons who read
the List will notice that the Society
offer premiums this year, and for
the first time, for Leicester sheep.

Another new feature is the offering
of premiums for the fastest walking
horse or mare. Another matter
important to the Society will not
allow anyone to make entries after
the first day of the Fair. This last
change will admit of more time for
the exhibition of Stock. Persons
can begin to make their entries a
month or two prior to the holding
of the Fair by calling on the Sec-
retary at the Book Store.

Kerr Hix Soss.—A few days ago,
William Bewick, Esq., of Stockport,
had occasion to go to Waterford, and
he invited James Brannon, Jr., the
Democratic editor, that is to be,
to go along with him. Just as they
were about to start, Brannon sug-
gested that they should have a pint
of whiskey "to keep them cool" as they
journeyed. Squire Bewick thought
the suggestion a good one, and pur-
chased the above named quantity
of the poison and wrapped it up in a
copy of the Independent, and laid it
away in his trunk. When they were
on their trip in, when they had jour-
neyed far enough for them to get "pre-
tired," they pulled forth their bottle,
unwrapped it and to their utter as-
tonishment and disappointment they
found the bottle was uncorked and empty.
Brannon's rage on this discovery was
unbounded, and he swore that "Bewick
might have known that the In-
dependent would have destroyed their
whiskey." Bewick says that "if the
Independent never done any good be-
fore, it did on this occasion; it kept
Brannon sober for once." Squire
Bewick is responsible for this story.

ELLENBERG in this paper will be
found a card of the American Hotel
situate on the corner of Market and
5th streets, Zanesville, Ohio. This
Hotel ranks second to none in the
city either in its bill of fare or in its
comforts and well-furnished
and pleasant rooms. It is true that
the proprietor does not charge you
four prices for the accommodations he
furnishes you, and some people
may take this as evidence of its
being second class; but such per-
sons belong to that class that have
more money than brains. Every-
thing that the traveller or sojourner
in Zanesville can desire can be
found at the American, and at rates,
too, corresponding with the times.
We are pleased to note that the
American is receiving the greater
portion of the patronage of Morgan
county people when they go to
Zanesville, and we would advise all
to give it a call whenever there.—
Mr. GETZ, the gentlemanly and
accommodating landlord, is ever
ready to do his utmost to surround
you with every comfort.

ALBANY: ALBANY!!
Splendid stock of Photographic Apparatus—
the handiest and cheapest ever offered
in this locality—just received at ADAIR'S
Book Store in large supply.

McBride, Sloan & Jones.
When in Zanesville a few days
since, we called at the place of
business on the corner of Third and
South sts., and was shown through
the establishment by W. R. Jones,
the Junior partner in the firm, and
who for many years was one of our
citizens. Their business is that of
manufacturers of Italian and Ameri-
can Marble Monuments, Tomb and
Headstones, and Importers and
Dealers in Scotch and American
Granite Monuments, &c. On in-
quiry we learned that the firm is
doing about all the "heavy busi-
ness" that is done in their line in
the vicinity of Zanesville, and we
found that they were engaged in
filling some rather large orders
from McConnelville. They had
just imported a very large and
beautifully designed monument of
Scottish Granite, which will cost
about one thousand dollars, and
which will be set upon in our
cemetery, and they showed us the
design of another, to be made of the
same material, and which is to
come here also, which will cost
about six hundred dollars. Besides
their main business of manufactur-
ing and furnishing beautifully de-
signed and durable Monuments and
Tombstones for the departed, they
are largely engaged, also, in the
Marble and Granite Mantel trade,
whereby the abode of the living may
be made beautiful and com-
fortable. We are told that their
trade in this line is surprisingly
large, and well it may be from the
elegant stock they keep on hand.
Sloan & Jones a call and look
through their establishment. It is
worth your while whether you de-
sign purchasing anything in their
line or not.

ness as follows:
Added ten per cent. to the value

ship, except the items of moneys
and credits. Added five per cent.
to the value of all the property in
Union tp., except the items of moneys

Amongst a mass of the enthusiasm
created among farmers by the use of the
"Clippers," as shown by the numerous testimo-
nials received, we were hardly prepared
for the following statement by one of our Ohio
patrons:
Of all the Mowers East or West,
I have tried the farmer best;
It is the lightest, neatest one
of all the region 'neath the sun.
Now we do not cut any more
This one will mow the horses well;
And when it clips the golden blade,
It leaves the gavel neatly laid.
It clips the grass, it clips the grain,
It clips the hillside and the plain;
It clips around the stumps and trees,
And does the work with greatest ease.
It clips the weeds, it clips the soil;
It clips the bushes, leaves and briar,
And spreads the hay the folks do share.
It is the "Clipper clipping" all.
Lodge the business best or tall.
Farmers, if you only try it,
Without a doubt you'll surely buy it.
