HELMHOLD'S GENUINE PREPARATIONS.
HELMHOLD'S HIGHLY CONCENTRATED
COMPOUND FLUID EXTRACT BUCHU,
For diseases of the bladder and kidneys, Sec-
ret diseases, stricture, weakness and all dis-
eases of the sexual organs, whether in male or
female, from whatever cause they may have origi-
nated, and no matter of how long standing.
If you have contracted the terrible disease
which when once seated in the system, will
surely exonerate from you, and gradually
undermining the constitution and sapping the
very vital spirits of life do not trust yourself in
the hands of quacks, who start up every day in
the land, and sell the powder with glaring
falsehoods, and well extended to the young,
and those not acquainted with their tricks.
You cannot be too careful in the selection of a
remedy in these cases.
The Fluid Extract Buchu has been pronounced
by eminent physicians to be the only remedy
known. It is a medicine perfectly pleasant in
its taste, and very innocuous in its action, and yet
so thorough that it annihilates every particle of
the rank and poisonous virus of this dreadful dis-
ease, and in its stead remedies does not dry up
the disease in the blood.
Constitutional debility, brought on by self-
abuse a most terrible disease, which has brought
thousands of the human race to untimely graves,
thus blasting the brilliant hopes of parents, and
obliterating in the bud the perianth of matrimony,
may a noble youth, can be cured by this ineffa-
ble remedy. And as a medicine which must
begeth the body, from the simply delicate to
the robust and hardy, no equal is
to be found acting as a cure and preventive.

Helmhold's Highly Concentrated
Compound Fluid Extract Sarsaparilla,
For purifying the blood, removing all diseases
arising from excess of Mercury, exposure and im-
purity in life, chronic constitutional disease,
arising from any cause, and the blood, and the
only reliable and known remedy, known for the
cure of scrofula, salt rheum, scald head, ulcerations
of the throat and legs, pains and swellings
of the bones, tetter, pimples on the face, and all
scaly eruptions of the skin.
This article is now prescribed by some of the
most distinguished physicians in the country,
and has approved more efficient in practice than
any preparation of Sarsaparilla yet offered to the
public. Several cases of secondary syphilis,
mercurial and scrofulous diseases, have been
recovered in the innumerable wards of our public
institutions which had for many years resisted
every mode of treatment that could be devised.
These exact family striking examples of the salu-
tary effects of this medicine in strutting cases
of the most intractable diseases after the glands
were destroyed, and the bones already affected.
Notice—Letters from respectable physicians
and professors of several Medical Colleges, and
certificates of cures from patients will be found
accompanying both preparations.
Price, Fluid Extract of Buchu, \$1 per bottle or
six bottles for \$5.
Fluid Extract of Sarsaparilla, \$1 per bottle or six
bottles for \$5.
Prepared and sold by H. T. HELMHOLD,
Chemist, 243 Chestnut Street, near the Girard
Hotel, Philadelphia.
To be had of J. P. Brookins & Son, Eaton, O.,
and of Druggists and Dealers everywhere.

will receive immediate attention.

DR. HOOFLAND'S CELEBRATED
GERMAN BITTERS,
Prepared by Dr. C. M. JACKSON,
No. 120, Arch Street, Philadelphia, Pa.
WILL SPECIFICALLY CURE
LIVER & BILIOUS AFFECTIONS,
CHRONIC OR NERVOUS
Debility, Diseases of the Kidneys, and all Diseases
arising from a disordered Liver or stomach;
Such as Constipation, inward Piles; Fullness of
blood to the head; acidity of the stomach; nausea,
heart-burn; Disgust for food; fullness or weight in
the stomach; Sour eructations; sinking or fluttering
at the Pit of the Stomach; Striving of the
head; Hurried and Difficult Breathing; Fluttering
at the Heart; Choking or Suffocating Sensa-
tions when in a lying posture; Dimness of Vision;
Drops or Weals before the sight; Fever and Pall
Pain in the Head; Debility of Prostration;
Yellowness of the Skin and Eyes, Pain in the
Side, Back, Chest, Lungs, &c.; Sudden Flushes of
Heat; Burning in the Face; Constant Imaginations
of evil, and Great Depression of Spirits.
In all these and such valuable Medical properties
to this remedy, no rash or unwarrantable asser-
tion is made, but is simply stated as a fact: proven
undeniably and conclusively by the extraordinary
cures and benefits derived from its use, under
the direction of its illustrious originator, Dr.
Hooftland, among all classes of European society
and from the immense mass of testimony, from
all parts of the American continent, accumulated
during the last ten years, in the hands of the
present proprietor. The prevalence of diseases
to which the German Bitters are adapted, it is
with sorrow we say, is almost universal. In-
deed, there is scarcely a family throughout the
whole extent of our country in which there can-
not be traced among its members that pallid,
sallow and languid appearance denoting a
diseased Liver, or an enfeebled and suffering
system.
