A False Report Corrected.

It is reported that S. H. Beard stated at the Fairfield Church on Sunday last, that the Republican meeting held in Leesburg on Tuesday night, had been set for the purpose of interfering with a meeting to be addressed by M. Redkey, Esq., the same evening. It is also reported that Beard said that Redkey had sent him to the Fairfield Church to tell the meeting the above.

We know positively that Mr. Redkey's meeting at Leesburg was not thought of, nor had the Committee, which authorized the Gardner meeting, even heard of the Redkey meeting, until after the bills had been sent out. The Republican Committee had no idea of interfering with Mr. Redkey's meeting.

The splendid steamer, Robert E. Lee, said to be the finest on the western waters, was totally destroyed by fire last Saturday morning at 3 o'clock, about 30 miles below Vicksburg. Seventeen of her passengers and crew were lost. The value of the boat and cargo are estimated at \$175,000. The pilot and engineer behaved with great courage and remained at their posts until the boat was safely landed. The flames spread so rapidly that within ten minutes from the time the fire was discovered, the boat was burned to the water's edge. Her cargo consisted principally of cotton.

To the Polls!

Let every Republican be at the polls early next Tuesday morning, first vote himself, then see that all his Republican neighbors do the same. Let no pains be spared to bring out every Republican vote. Remember that a full vote is always a Republican victory.

REPUBLICAN MEETINGS.

Republican meetings will be held at the following times and places: Morgantown, Thursday Night, Oct. 5. Speakers, Judge Gardner and Cyrus Newby, Esq. Hardin's Creek School House, Friday Night, Oct. 6. Judge J. H. Thompson and Cyrus Newby. Hillsboro, Saturday Night, Oct. 7. Hon. J. J. Pugsley and Hon. A. Hart. West Settlement, Monday Night, Oct. 9. H. N. Patton and John Johnson. By order of the Executive Committee. A. HARMAN, Chairman. H. D. WADDELL, Secretary.

Let every Republican arrange his business beforehand, so that he can be at the polls next Tuesday and vote and work for the Republican ticket.

The country is prospering as it has never prospered before, under wise Republican rule. Why make any change? Vote the Republican ticket.

Every man on the Republican ticket for State, district, and county officers is well qualified and worthy of support. Vote the clean Republican ticket from top to bottom.

Let every true friend of temperance cast his vote next Tuesday where it will do the most good. Vote for the party which the liquor dealers are trying to defeat and you will be sure to vote right. Vote the whole Republican ticket.

Let no friend of law and order, of temperance and morality, stay away from the polls next Tuesday. Remember that the whole liquor interest of the State is arrayed against the Republican party, and that every vote will be needed to insure the victory to the side of right.

The brewers and liquor dealers of the State are spending their money like water to gain the victory on Tuesday next for their friend and ally, the Democratic party, because it has promised not to interfere with their unlawful business. Let every Republican do his duty, and we will rebuke and defeat this unholy alliance.

The great issue to be decided in Ohio next Tuesday is whether the brewers, saloon keepers, and liquor dealers shall rule the State and set its laws at defiance, or whether they shall be compelled to obey the laws like all other citizens. The Republican party insists that they shall submit to wholesome and just laws, such as are necessary for the peace and welfare of community. The Democratic party is for letting them have their own way. On which side will you vote?

The Gazette Picked Up.

Hon. Daniel Hill spoke to a good audience in Wilmington last Thursday on Prohibition. The Temperance people are pursuing their course with vigor, and their speakers have met with warm welcome every where except in this city, last Saturday night.—Hillsboro Gazette.

The above will be in the nature of news to the people of Wilmington. Hon. Daniel Hill was to have spoken in Wilmington, but, as it rained heavily at the hour for assembling, there were only eight persons present, and Mr. Hill did not speak at all.—Clinton Republican.

NEAL'S RECORD.

Neal belonged to the Virginia regime, which held that a colored man had no rights that a white man was bound to respect.

As a member of the Legislature of Ohio, Neal voted to withdraw the assent of the State of Ohio to the Fifteenth Amendment to the National Constitution.

Neal voted against Specie Payment. As a member of Congress Neal voted with the Bourbons against the Civil Rights Bill.

Neal voted against all the laws designed to protect the ballot box in the South from wholesale frauds and infamous crimes and murders which disgraced that section.

A BASE FALSEHOOD.

Got Up to Prajudice Colored Men Against Gov. Hart.

THE COLORED JUROR REFERRED TO DENOUNCES IT AS FALSE AND UNFOUNDED.

Just on the eve of the election, when there is no time to answer the charge by procuring and publishing the proof of its falsity, the Democratic papers have trumped up a charge that Gov. Hart, during the trial of Young in Georgetown, objected to a colored man sitting on the jury, and said the verdict would have been different if it had not been for "that d—d nigger!" Gov. Hart authorizes us to pronounce the whole story a base falsehood, without the slightest foundation in fact, as every one who knows the Governor does not need to be told it is. He has always proved himself a friend to the colored men, and this reckless and unprincipled attempt to turn them against him, will utterly fail. They will vote for Hart to a man.

POSTSCRIPT.

A Card from the Colored Juror, Mr. Marshall.

Since the foregoing article was written, we have received the Ripley Bee and Times, of last week, in which we find the following card. Read it. It speaks for itself:

A CARD. RIPLEY, OHIO, Sept. 25, 1882. To the Editor of the Bee and Times.

In regard to the article which appeared in the Brown county News, some time since, signed "Justice," in which certain charges are made against Hon. Alphonso Hart, Republican Candidate for Congress, in which he is represented as having said something disrespectful of the colored man that was on a certain jury in a case tried in the Court at Georgetown, Ohio, I will say that I am the colored man that was on the jury referred to, and that I have read the article referred to carefully and have taken trouble to inform myself in regard to the matter, and I am fully convinced that Mr. Hart made no such statements as he is represented to have made, and that the whole thing was gotten up and published for the purpose of defeating Mr. Hart.

I therefore, after fully investigating the matter, shall vote for Mr. Hart and do all in my power honorably to assist in his election. WM. P. MARSHALL, Late a member of the jury.

Don't be Silly.

Don't let a foolish prejudice against popular medicines stand between you and the health of your wife, child, or baby. It is always right to advertise a blessing. Dr. Kennedy's "Favorite Remedy" is a blessing. It has saved innumerable and it will help you. If you are sick and miserable, we advise you to spend One Dollar for this medicine, and then write to the Doctor, at Rondout, N. Y., to tell you how you feel. For troubles of the Kidneys, Bowels, Liver, and Blood it has no equal.

The Cincinnati Gazette proves that the 4,000 saloon keepers of Hamilton county pay only an average tax of \$2 a head, and that 700 of them actually pay no taxes at all. Yet this is the class of men who are seeking to defeat the Republican party because it insists that they shall pay their just share of taxes and shall not be allowed to debase the Sabbath, by carrying on their nefarious business in defiance of God's law and the laws of the State.

Mr. Neal Playing a Double Game.

The Wilmington Journal says that Mr. Neal told some of the temperance men in Clinton county that he was in favor of the Pond bill and Smith Sunday law. At the same time, it is notorious that he is supported by the saloon keepers of Chillicothe to a man, and it is openly charged that he "has an understanding with them." Thus, while he talks temperance in Clinton, he is the friend of the saloons in Ross. Can honest voters support such double dealing and hypocrisy? Can the promises of such a man be depended upon?

Durbin Ward says the Democratic party is for Civil Service reform; or, as he frankly explains, it intends to "reform into private life the whole army of Republican office-holders."

Gov. Hart in Clinton County.

The Clinton Republican of last week, has the following notice of Governor Hart's speech at Martinsville, mentioned in last week's News:

Governor Hart has a good presence and a fine voice, and proves himself an entertaining speaker. He announced that, as he is a candidate for Congress, and, if elected will necessarily be called upon to take part in the settlement of National questions, he deemed it important that he discuss the issues that will be prominently before Congress in the approaching session. Before entering upon the discussion of these questions he alluded briefly to the history of the party and its connection with the great questions with which it has been engrossed since its organization.

Devoting an hour to the discussion of these National questions, he had but brief time to give to matters of State and local import, but in presenting these proved himself to be thoroughly in accord with the advanced thought of the party thereon.

Taxes Paid by Liquor Dealers.

Gen. Foster, in a recent speech, made the following statement:

The average amount paid by the saloons of this State is about \$2 each; the 18 brewers in Cincinnati, aside from their real estate, pay about \$7,000. The 15,298 saloons in this State pay not over \$35,000. These statements the friends of the liquor dealers can not deny.

The Cincinnati Gazette lately took the pains to ascertain the amount of State taxes paid by all the brewers and liquor dealers of Hamilton county, and found that the single dry goods firm of John Shillito & Co. paid more taxes to the State than all the brewers, distillers and saloon keepers put together! Yet it is estimated that these men make a clear profit of not less than 100 per cent. on their sales, while men engaged in other business are satisfied with 20 to 25 per cent.

Challenge for a Joint Discussion.

FROM REV. DANIEL HILL TO, HON. L. T. NEAL.

Challenge! The District Prohibition Committee speaking for, and in behalf of the Rev. Daniel Hill, Prohibition candidate for Congress in the 12th district, do issue this challenge to Hon. L. T. Neal, Democratic candidate for Congress in said district, for a joint discussion of the Temperance question, before the people at any suitable point in this district, selected by the challenged party, and at any time prior to the October election.

A. MANNING, Dist. Com., J. W. KILSE, Cen. Com., GEO. T. BYLAND, " M. REDKEY, "

Colored Voters, Remember.

That Mr. Neal, when in Congress, voted against the Civil Rights bill, giving colored men equal rights on juries, in hotels, public conveyances, etc.

Remember also, that when in the Ohio Legislature he voted to withdraw the approval of Ohio to the Constitutional Amendments. Let no colored voter cast his vote for a man who thus proved himself an enemy to the colored race. Vote for Hart.
