

LATE FOREIGN NEWS

Arrival of the Steamer Cambria. SEVEN DAYS LATER FROM EUROPE. PHILADELPHIA, August 19th.—9 P. M. Editor Ohio Statesman: Both lines were cut between New York and this city to day, which caused great confusion in the report of the foreign news and prevented the receipt of the details, until the express arrived with foreign papers. IRELAND.—The confederates as soon as the proclamation of the Queen, respecting the habeas corpus act, was issued, returned to the southern strongholds. The first encounter was with the police near Mullinahone. The police retreated to a house where a siege under Bryan commenced, but the insurgents were dispersed by cavalry. All the southern counties were proclaimed. Several leaders were arrested and taken to Dublin. The repeal clubs in Dublin are discovered. The barracks at Thurles was attacked by the insurgents, who were almost immediately repulsed. At Ballingarry a battle was fought between the insurgents and royalists. The former showed no concerted action. The royalists fought from a house, and each man took deliberate aim. They had two hundred and fifty rounds of cartridge, which told dreadfully. The priests came in praying permission to bury the dead and remove the wounded. The Tory papers say that O'Brien fled, but through other sources it is understood that he behaved bravely, received many wounds, and strove gallantly to rally his comrades. The Irish doubtless acted bravely, making bare their bosoms to shots in the sacred cause, but cool discipline had the advantage over raw levies, without practiced military leaders. The London Times says Dillon was wounded, and Brien had a narrow escape; his coat and neck-cloth both perforated. He first summoned the constabulary to surrender, and negotiations failing, he gave orders to commence the siege of the house, shouting, "Blaze away, boys, slaughter them all." He is now probably concealed near Cullam, but Dillon was taken to Dublin. The details are full concerning skirmishes, and it is impossible to digest them so as to have an intelligent report by Telegraph.

LATER AND IMPORTANT.

IRELAND VICTORIOUS!

New York, August 21, 1848. The secret correspondence of the New York Tribune, brought over by the steamer, and written in cypher to avoid the vigilance of the British Government, says that the Irish Patriots have achieved a glorious victory, at Slevenan, over the British forces. General McDonald the leader of the British forces is killed, and the loss of the British, in killed and wounded, is estimated at SIX THOUSAND. The road for three miles was covered with dead soldiers. Kikeany and Limerick have been taken possession of by the Patriots and Dublin, it is said, will promptly rise, probably on the Sunday following, and free the Patriots from prison.

BOWEL AND SUMMER COMPLAINT, NO CURE NO PAY.

Dr. Jayne, will guarantee that his CARMINATIVE BALSAM will cure Diarrhoea, Colic, Cramps, Griping Pains, Cholera Morbus, Summer Complaint, and other derangements of the Stomach and Bowels, in ninety-nine cases out of a hundred, and in less than half the time it can be effected by any other means. It is extremely pleasant, and children are fond of it. It is equally as efficacious for adults as children, and when the directions are followed, and a cure is not effected, the money will be cheerfully returned. Price 25 and 60 cents a bottle.

From the Rev. Charles C. P. Crosby.

Messrs. A. B. & D. Sands—I am glad to inform you that the medicine sold by you for bowel and summer complaints has proved singularly efficacious in my family. My wife has for years been extremely liable to a most distressing dysentery in hot weather; but by the use of JAYNE'S CARMINATIVE BALSAM for two seasons, the attack has been obliterated in the course of two or three hours. I have known children, when attacked by a violent Diarrhoea, cured immediately by this medicine. I consider Dr. Jayne's medicine prepared with great skill, and highly beneficial to our infirm human nature. Yours respectfully, C. C. P. Crosby. New York, Sept., 1837.

Dr. D. Jayne—Dear Sir—Having used in my family, for eight years, your Carmivative Balsam, I deem it due to yourself and the public to state that I have uniformly found it efficient in relieving and removing the complaints for which it is intended. I am strongly opposed to all quackery, but touching the above medicine, "I have testified that which I do know," and that which I have experienced. Respectfully yours, JOHN C. HARRISON. Pastor of Baptist Church, Bordentown, N. J. Prepared only by Dr. D. Jayne, Philadelphia, and sold on agency by J. G. FLEMING, P. M., Woodfield, MOSES P. MILES & SON, Somerton, J. K. HOLMES, Clarington, F. MYERS, New Castle, E. HEADLEY, Jamestown, ELI BROCK, Stafford.

COSTIVENESS, headach, giddiness, pain in the side and breast, nausea and sickness, variable appetite, yellow or swarthy complexion, &c., are the usual symptoms of a disordered liver. Wright's Indian Vegetable Pills are certain to remove the above complaints, because they remove from the system those morbid humors which cause not only all disorders of the liver, but no every malady incident to man. A single 25 cent box will in all cases give relief, perseverance according to directions, will most assuredly drive every particle of disease from the body.

Beware of Sugar-Coated Counterfeits! Remember, the original and genuine Indian Vegetable Pills have the written signature of Wm. Wright on the top of each box. The genuine for sale by J. A. & G. H. Davenport, sole agents for Woodfield. For other agents, see advertisement in another column. Office and General Depot, 169, RACE ST. PHILADELPHIA.

FROM MAINE TO MISSISSIPPI, from Oregon to Florida, the wonderful effects of Wistar's Balsam of Wild Cherry in curing all diseases of the lungs, are as familiar as household words. Where there is a constitutional pre-disposition to consumption, it keeps the insidious destroyer at bay, and we venture to affirm that no every medical complaint, which had recourse to this remedy when the first symptoms of its approach appeared. Thousands who have sought another climate in the hopes of being relieved from Bronchitis and Consumption, and who have laid their bones in a foreign land, with none but strangers to perform the last office of respect, might now be living in health, encircled by friends and kindred, had they taken themselves to this infallible remedy, instead of going into voluntary exile. Coughs, Colds, Asthma, Bronchitis, Pleurisy, Sore Throat, Rheumatism, Croup; and all those diseases of the organs of respiration which invariably lead to Death if neglected, can be removed by a few bottles of Wistar's Balsam. See advertisement.

FEVERS, AGUES, are generally bilious affections, a curable by reading with Wright's Pills, and good nursing. Read the directions in Dr. Brandreth's pamphlet, which may be had gratis from the Agent for Brandreth's Pills. No disease can be received unless our blood is in the requisite state of impurity; it is so in all cases, the principle is universal; for even water must be adapted to the nature of the soil, or there will be no propagation of the species. The soil must be adapted to the seed, or there will be no increase. The climate must have those materials in it which will unite and keep alive epidemical or contagious poisons, or they will become extinguished, as a lamp that is un supplied by oil. So it is likewise with the human frame, it cannot be materially affected by epidemical or contagious maladies, unless there be those matters floating in the circulation which offer the appropriate soil. By purifying our bodies with the Brandreth's Pills, which have affinity with the impurities upon which contagious fevers, we may always feel secure, whatever disease may rage around us. True, we may have it, but it will soon be over, our sickness will be the affair of a day or two, while those who have been too wise to use this simple and excellent remedy, either die or have weeks, perhaps months of sickness. Sudden changes from very hot to chilly weather are unfavorable to health, and it is a fact universally admitted, that heat and moisture are powerful agents in producing disease, and that constant dry and constant wet weather are both favorable to its generation. It does not signify what we eat; it may be ague, it may be bilious fever, it may be yellow fever, it may be dysentery, it may be rheumatism, it may be bronchitis, it may be cholera, it may be constipation of the bowels, it may be inflammation of the bowels, it may be inflammation of the stomach, it may be a nervous affection; but still it is disease, and a disease curable by the Brandreth's Pills, because they remove all impurities from the body, all that can in any manner feed the future progress of the malady, no matter how called; these pills are not only the most proper medicine; but generally the only medicine that need or ought to be used. At the present time it is every man's duty who wishes to secure his health to use them; it is the duty of every one who knows anything of their health-restoring powers, to make it known to his immediate circle. For agents in producing disease, and that constant change of temperature are more to be feared and guarded against than any contagious malady. N. B. There is no surty that you get Brandreth's Pills unless you purchase of the duly authorized Agent.

BEWARE OF COUNTERFEITS.

Be very careful and go to the Agent when you want Brandreth Pills; then you are sure of the genuine article. When you purchase otherwise, inquire whether the person selling them knows the Pills he offers you are genuine Brandreth Pills. Every man knows whether the article he offers you is true or false. Beware of cheats! To insure the full benefit of these celebrated Pills, they should be kept in the house, so that upon the first commencement of sickness, they may be at once resorted to. One dose then is better than a dozen after disease has become established in the system. AUGUST. THE BRANDRETH'S PILLS are sold for 25 cents per box, at Dr. B. Brandreth's Principal Office, 21 Broadway, New York, and by the following duly authorized Agents: J. R. & J. H. MORRIS, Woodfield, Wm. STREET, Stafford, JOHN R. WHARTON, Carlisle, J. M. ROUND, Summerfield, J. F. BIDEENHARN & Co., Malaga, H. REGIN, Saratoville, Morgan co. WALTON & THOMPSON, Bealville, Va.

Three weddings in our town on the same day, before eight in the morning! Well that's what we call doing things right. The wedding cake was excellent, and we would like to say something pretty on the occasion. But the happy couples can imagine all that we desire to say. If they promise themselves all kinds of happiness and prosperity, it will be nothing more than the printer wishes them. [Our devil says some of the parties forgot the cake.]

JAYNE'S EXPECTORANT always cures

Asthma.—Two or three large doses will cure the Croup or Hives of children in 15 minutes to one hour's time. It immediately subdues the violence of whooping cough, and effects a speedy cure. Hundreds who have been given up by their physicians as incurable, with Consumption, Spitting of Blood, and other Pulmonary Affections, have been restored to perfect health by it. It never fails in giving relief.

From the Spirit of the Times.

A FACT WORTH KNOWING. A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with Ulcerations of the Throat and Nose, and a disagreeable and troublesome eruption of the skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected, that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as a honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loathsome disease, that he commenced the use of JAYNE'S ALTERNATIVE, and having taken sixteen bottles, is now PERFECTLY CURED. This ALTERNATIVE operates through the circulation, and purifies the blood and eradicates diseases from the system, wherever located, and the numerous cures it has performed in diseases of the Skin, Cancer, Scrofula, Gout, Liver Complaint, Dyspepsia, and other Chronic diseases, is truly astonishing.

FEVER AND AGUE.

CURE WARRANTED.—JAYNE'S AGUE PILLS, which may be had at No. 8 South Third street, Philadelphia, are warranted to cure the worst forms of Fever and Ague. The money will be refunded in all cases if they fail to cure; but they never do fail. Prepared only by Dr. D. Jayne, Philadelphia, and sold on agency by J. G. FLEMING, P. M., Woodfield, MOSES P. MILES & SON, Somerton, J. K. HOLMES, Clarington, F. MYERS, New Castle, E. HEADLEY, Jamestown, ELI BROCK, Stafford.

BOWEL COMPLAINTS, COLICS, &c.

Positively cured by JAYNE'S CARMINATIVE BALSAM. Chicago, Ill., March 27, 1845. Dr. D. Jayne—Dear Sir, You ask me what proofs I meet with of the efficacy of your Carmivative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedily and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such and such a child," I have repeatedly heard said. In dysentery affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours. I may say in a few minutes. In fine it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D. Professor of Materia Medica in the Laporte University, Indiana. Prepared only by Dr. Jayne, Philadelphia, and sold on agency by J. G. FLEMING, P. M., Woodfield, MOSES P. MILES & SON, Somerton, J. K. HOLMES, Clarington, F. MYERS, New Castle, E. HEADLEY, Jamestown, ELI BROCK, Stafford. Also Jayne's Carmivative, a never failing remedy for the Bowel Complaint, Colic, &c.

CAUTION.—As attempts are constantly made

to deceive the public with spurious imitations of almost every valuable medicine offered to the public notice, I deem it necessary to request all purchasers to observe the following marks of the genuine BALSAM. It is put up in bottles with the following words "WISTAR'S BALSAM OF WILD CHERRY, PHILADELPHIA," blown in the glass; also, each bottle bears a label on the front, with the signatures of Henry Wistar, M. D., Philadelphia, and Sandford & Park, which, to imitate or counterfeit, will be prosecuted as a forgery. It is therefore necessary to be particular, and as Dr. Wistar's Balsam, as all other preparations of Wild Cherry are entirely different from this medicine, and possess none of its virtues.

ANOTHER INVALID RESTORED TO HEALTH.

[Read the following statement of facts from Mr. Eli Bailey, a highly respectable merchant of Vienna, Johnson co., Illinois.] Messrs Phelps & Blackley, St. Louis, Mo. Gentlemen—A desire to benefit the afflicted throughout the land has alone induced me to make the following statement of facts respecting one of the most astonishing cures ever recorded. My son, now seventeen years old, has been afflicted during his whole life, with a constant cough, pain in the side and chest, accompanied with night sweats and hectic fever, which produced emaciation and debility; and at intervals during the night, his expectation would become so great as to endanger his life from strangulation. During the time he was attended by many physicians of the highest repute, whose prescriptions gave but temporary relief—in fact, so alarming were the symptoms, and so inveterate was his disease, that I was compelled to believe him beyond the reach of medical aid.

All our neighbors and friends who saw him, regarded him as one who was rapidly approaching an early and premature grave. After having thus exhausted the skill of our best physicians, without obtaining relief—I was prevailed upon by the advice of a friend to make use of Wistar's Balsam of Wild Cherry. He commenced its use about the 30th of December, 1844, the first bottle of which gave astonishing relief, and I began to indulge in the fond hope that the night might yet be restored to health. After having continued the use of it until three bottles had been taken, the disease was entirely overcome, and his shattered constitution and emaciated form restored to sound and permanent health, which he continues to enjoy up to the present time.

I believe the genuine Dr. Wistar's Balsam of Wild Cherry to be one of the most valuable medicines ever discovered—knowing as I do, that the above cure was effected solely by its use. I am, gentlemen, very respectfully, Your most obedient servant, April 9, 1846. ELI BAILEY.

CONSUMPTIVE PATIENTS!

Will please read the following statement from the Harrison Gazette. The incredulous are invited to read the following note from Reverend Mr. Coldron, whose character for truth and veracity stands above suspicion, and have their doubts dispelled as to the superiority of WISTAR'S BALSAM OF WILD CHERRY, over all other remedies now before the public of the same character. CONYDON, Ind., Jan. 28, 1848.

It is no less a duty than a pleasure to state, for the benefit of those afflicted, that I do consider WISTAR'S BALSAM OF WILD CHERRY, a great blessing to the human race. Having inhaled it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand. WILLIAM COLDRON.

There is a difference between "WISTAR'S BALSAM OF WILD CHERRY" and all other

preparations of Wild Cherry. The true and genuine Balsam, as sold by us, contains, besides the extract of wild cherry bark, other medicinal agents of great character and efficacy in curing coughs, colds, and general diseases of the chest and lungs. But the all important difference between this medicine and all other kinds is, that Wistar's Balsam cures, while other remedies give only temporary relief to the sufferer. Sold by J. D. PARK, (successor to Sandford & Park,) Fourth and Walnut streets, Cincinnati, O., general agent for the South and West, to whom all orders must be addressed. J. A. & G. H. DAVENPORT, Woodfield, ANSHUTZ, POLLOCK & Co. Sunfish, J. F. BIDEENHARN & Co. Malaga, Wm. C. & Thompson, Bealville, J. F. BIDEENHARN & Co. Williamsburg, B. DAVENPORT, Williamsburg.

D. 1848. Terms.—One-third in hand, one-third in one year, and one-third in two years, with interest from the day of sale; the unpaid purchase money to be secured by mortgage on the premises.
