"TAKE CARE of the pennies and the pounds will take care of themselves." Large things are but an aggregation of small things. If we take care of the small things we are in effect taking care of the large things which the small things combine to make. That is the philosophy of the old financial proverb, and its application is as broad as human life.
 Take care of what you eat, when you eat, and how you eat, and your stomach will take care of itself. But who takes care of such trivial things? That is why, someday, the majority of people have to take care of the stomach. When that day comes, there is no aid so effective in undoing the results of past carelessness as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, and restores the organs of digestion and nutrition to a condition of healthy activity. It cures biliousness, heartburn, flatulence, indigestion, palpitation, dizziness, cold extremities, and a score of other ailments which are but the symptoms of disorder in the stomach and its allied organs.
 If you are sick you can consult Dr. R. V. Pierce, Buffalo, N. Y., by letter, free of charge. Each letter is treated as sacredly confidential, and an answer is promptly sent in a plain envelope without printing or advertising upon it.
 "I was troubled with very frequent headaches, often accompanied by severe vomiting," writes Miss Mary Belle Sumner, of San Diego, Duval Co., Texas. "My bowels were irregular and my stomach and liver seemed continually out of order. Often I could eat almost nothing, and sometimes absolutely nothing for twenty-four hours at a time. I was entirely unfit for work, and my whole system seemed so run-down that I feared a severe sick spell, and was very much discouraged. I was advised to try Dr. Pierce's Golden Medical Discovery and did so with such satisfactory results that before finishing the third bottle I felt perfectly able to undertake the duties attending public school life, and contracted to do so. I most heartily advise those suffering with indigestion, and its attendant evils, to give this great medicine a fair trial."
 Use only Dr. Pierce's Pleasant Pellets with "Golden Medical Discovery" when a laxative is needed.

Paint Neglect Costs Money.
 Many who care little for appearances are equally regardless of the preservative value of paint. Such economy brings an actual loss. A poorly protected building suffers more damage in one year than it should in ten.
 Good paint is always worth twice its cost. It is worth its cost as a beautifier, and it is worth still more for the protection it affords.
 We handle nothing in paints that is not of the most worthy quality, and our prices will appeal to all who seek real economy.

It's up to You.
 The blush of the wild rose will tinge the uncultivated flush of your complexion and the soul of health will lie in the shade of your existence, cooling the hot fevers of your blood that are burning to burst their confines and grapple with you in the grip of death if you take Cranberry Tone—the one easy way of pulling out of the dumps. I could fill this paper with testimonials telling of Cranberry-Tone cures but you are not interested in the affairs of others. Now let's get together, be honest, tell me how many bottles of spring wash you have guzzled? How many beautiful little pills have stuck in your throat until coasted down on a gag? Now don't look coy, but tell me, do you feel better? No, of course not, and you've coughed up from \$5 to \$20 to help buy a horse for a patent medicine fakir.
 Say, Cranberry Tone is the only really, truly remedy for that dreamy, drowsy, lazy languor that saps the snap of life away, caused by a pathetic liver, indolent kidneys and supine blood.
 Brace up—be a man.
 Cheer up—be a woman.
 And take Cranberry Tone.
 Price 75c a bottle, 3 bottles \$2.00.

SEVERAL APPOINTMENTS
 Have Just Been Announced by Governor Nash.
 Special to the Leader.
 Columbus, O., May 2.—Governor Nash has made several minor appointments. The only one in which there was any contest was member of the board of control of the state agricultural experiment station. James T. Robinson, of Seneca county, was a candidate for re-appointment and the farmer's organizations of the state urged the appointment of R. O. Hinsdale, of Medina county. The governor re-appointed Mr. Robinson. He has served but one term.
 The other appointments were as follows:

TRAGEDY CLEARED
 After Many Years by Establishing Identity of Dead Man.
 Special to the Leader.
 Ottawa, Ohio, May 2.—Two and one-half years after a sensational tragedy occurred in this county a photograph of a man killed in the affair has cleared up a mystery and established the identity of a noted crook.
 In the hope of gaining a clue to the identity of some tough characters he now has in keeping, Sheriff Miller sent out to the different police departments over the country photographs of his "birds," and among them he placed the photograph of an unknown man who was killed at Cascade, this county, in 1898.
 One night in September of that year two men tried to gain entrance to the home of Henry Meyers, a bachelor farmer, for the purpose of burglary. As they came through the door Myers fired with an old rifle loaded with shot, and the foremost burglar dropped dead, with his revolver by his side. The second man grabbed the gun and splintered the stock over Myers' head, and then ran. No clue to the identity of the dead man was ever discovered until today. In response to the picture sent out, Sheriff Miller received a letter from Chief of Police Ramsey, of Findlay, saying that he had positive proof that the dead man was John Beach, a noted crook, who had done time in Allegheny, and for whom warrants were got out. Chief Ramsey also says he knows who the man was with Beach at Cascade, and is now working on a clue that will soon land him behind the bars.

DIED FROM GRIEF
 Just One Week After Burial of His Wife.
 Special to the Leader.
 Bowling Green, O., May 2.—Just one week after the interment of his wife, S. C. Dimick died from grief. He had recently sold his farm with the intention of moving back to New Hampshire where he and his wife passed their childhood days.
 A few days before the time set for their departure Mrs. Dimick took sick and died. Her funeral was held and upon returning to the home of his son Mr. Dimick was taken ill. He said that he had planned everything for his wife's comfort and pleasure and now that she was gone he had no desire to live longer. He sank steadily, despite the constant attendance of a physician and died a week later. His death is ascribed to grief over the loss of his wife.
 Appeals to the reason of thinking people. The world is weary of substitution, therefore see that you get Rocky Mountain Tea made by Madison Medicine Co. 35c.

NEARING A CENTURY
 Harvey Demming, Aged 98 Years, Walks to Marietta.
 A most wonderful example of physical manhood is represented in Mr. Harvey Demming, whose home is near Constitution, this county.
 Mr. Demming is ninety-eight years of age and is in excellent health. As evidence of his strength and vigor it may be said that he walked to Marietta from his home Thursday morning, the distance being six miles, and that the journey did not seem to tire him in the least. He arrived here at an early hour, transacted what business he had to do, and returned home the same way he came. Railroads to him are useless.
 Mr. Demming is said to be the oldest man in Washington county, and he stands a good chance to pass the century mark.
