Read Who Says So. FROM THE HON. THOS. B. FLORENCE.

Washington, Jan. 1st, 1864. Gentlemen-Having stated it verbally to you, I have no Gentlemen—Having stated it verbally to you, I have no besitation, in writing the fact, that I experienced marked benefit from your Hoofsand's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the proparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. Truly, your friend,

THOMAS B. FLORENCE.

From John B. Wickersham, Eq., 117m of Wickersham & Hutchinson, the celebrated Manufacturers of Fancy Iron Works, 250 Canal Street.

I am the recipient from you of one of the greatest favors that can be conferred upon man, viz. that of health. For many years have I suffered from one of the most annoying and debilitating complaints that the human family can be afficied with, Chronic Diarrhea.

During the long time I was suffering from this disease I was attended by regular physicians, giving me but temporary relief. The cause seemed to remain until I was induced to try Hoofland's German Bitters. After the use of a few bottles of that invaluable medicine, the complaint appeared to be completely eradicated.

I often inwardly thank you for such a valuable specific, and, whenever I have an opportunity, cheerfully recom-

and, whenever I have an opportunity, cheerfully recommend it, with full confidence in its reliability.

From the Hon. JACOB BROOM. Philadelphia, Oct. 7, 1964.

Gentlemen:—In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no heeitation in saying that it has been highly beneficial. In one instance a case of Dyspepsia of thirteen years standing, and which had become very distressing, the use of one bottle gare decided relief, the second effecting a cure, and the third it seems has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to sufferers. Yours, truly,

JACOB BROOM, 1707 Broom Street.

From Rev. W. D. Seigfried, Paster of the 12th Baptist Church. Philadelphia, December 26th, 1863.

Measis. Jones & Evans—Gentlemen:—I have been recently laboring under the distressing effects of Indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of the Bitters induced me also to try them. I must confess that I had an aversion to Patent Medicines, from the "thourand and one" quack "Bitters," whose only aim seems to be to palm off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation, I took it with happy effect. Its action not only upon the stomach but on the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,
