PURIFYING the BLOOD, and thus curing all Humors, Cutaneous Eruptions, Scrofula, Salt Rheum, Erysipelas, Scald Head, Cancer, Pimples on the face, Blotches, Ulcers, Tumors, Mercurial Diseases, Cancers, &c.; Regulating the secretory organs, and by enabling them to perform their proper functions, preventing and curing many painful and dangerous diseases: Strengthening and quieting the Nervous System, thus allaying Nervous Irritation, and curing all diseases of the nerves, as Hysteria, Neuralgia, Cramps, &c.

It is Unrivalled in the Cure of all Female Complaints, as weakness, general debility, irregularity, obstructions, swelling of the feet, limbs, joints, &c., caused by weakness: Also, Lung and Throat Complaints, as Colds, Coughs, Asthma, Consumption, &c., also, Dropsy.

Having made use of the Compound Syrup of Yellow Dock Root, prepared by C. MORSE & CO., either ourselves or in our families, and finding it to be a very salutary and effectual preparation, we do most cheerfully recommend it to the public as a very valuable medicine.

E. Bourne, Esq., Cashier National Bank, Providence, R. I.; A. W. Spencer, Esq., Cash, Lime Rock Bank do do do; Rev Wm Phillips, Rev J. B. Richmond, C. S. Jones, editor Providence Gen. Advt.; Wm Field, M. W. G. M., Cyrus Fisher, M. E. H. P., James Hutchinson, G. S. Dea, V. J. Bates, Dr. Ben Colby, and one hundred others of the most respectable families of Providence.

This certifies that I have for a number of years been acquainted with the composition and mode of manufacture of MORSE'S COMPOUND SYRUP OF YELLOW DOCK ROOT. I have also been acquainted with its modus operandi in disease, and can say that in all respects it is admirably calculated to remedy that class of diseases for which it is designed. It is especially valuable in Indigestion and all its attendant symptoms; it excites to healthy action the Liver, removes torpor and inactivity of this organ, and stimulates healthy action in all the system. As a depurative or purifier of the blood it has no superior. DAVID HOLMES, M. D. Providence, R. I., Jan. 4, 1854.

Prepared by C. MORSE & Co., 446 Broadway, N. Y., and sold by PECK & ROBERTSON, Perrysburg, and by Druggists and others throughout this and other countries.—12x1

He keeps constantly on hand for sale, LUMBER WAGONS, ONE HORSE WAGONS, CUTTERS, SLEIGHS, &c.

Farmers, Look Here!

He manufactures Ball & Post's CULTIVATOR, a new article patented April 6th, 1852, to which he would call the attention of agriculturists. As a labor-saving machine, it is capable of doing double the amount of work of any ordinary Cultivator.— This implement has two long shares, one on each side, constructed of steel, and fastened on the mould boards in such a manner as to move the entire surface of the ground, thereby cutting all roots and weeds that come in contact with the shares which may be graduated by the elevy to run from two to six inches in depth.

The three small plows attached to the shares answer the same purpose of the common tooth cultivator, and in addition to the shares and plows, is a metallic blade rake attached to the rear of the Cultivator, which serves to rent and break up the sod and hard lumps, leaving the earth in a fine and pulverized condition. The effectiveness of this cultivator renders second hoeing unnecessary, which is a saving of time and labor.

Mr. Perrin also manufactures a larger sized machine, constructed upon the same principle as the above, but with larger shares, and containing two small plows in addition to the corn cultivator, which is designed to put in grain, and working upon summer fallows. They are light, and of durable construction, readily handled and of easy draught.

This CULTIVATOR obtained the first premium at the Ohio State Fair, held at Cleveland in Sept., 1852. Shop on Front-st., Perrysburg, Ohio.—14x1

REFORM or ECLECTIC PHYSICIAN.

I hereby give notice to the people of Perrysburg and elsewhere that I am now fully prepared to treat persons afflicted with diseases of any kind, and all such are respectfully invited to come and be cured. My mode of removing disease is by the use of

Vegetable Medicines.

Selected from all the best made use of by physicians, always acting in unison with the powers of life, and which do not leave the system in a shattered and debilitated condition, such as generally follows the use of Mercury and mineral medicines. From many years experience in the use of Vegetable Remedies, I feel justified in saying that every form of disease can be entirely cured by the use of my medicine, for thousands of people are annually cured of every kind of disease by the use of these medicines. I am also assisted by the advice of many eminent Eclectic physicians in the United States.

Among the many diseases which I have cured and am prepared to cure again, are the following: Fever and Ague, Bilious, Typhus, and febrile diseases of every type; diseases of the stomach and bowels; inflammation and debility of the Liver and Lungs; Rheumatism of all kinds; White Swelling; Scrofula; all kinds of Old Sores; old Ulcers and Old Sore Legs. Come and converse with those that I have cured, and they will tell you that three dollars has cured them, with me when forty dollars elsewhere did not. Sore Eyes, Asthma, all diseases of the throat, mouth and head; pain in the side; weakness in the back; Dropsy; breaking out on the surface; humors in the blood; Piles; Venereal diseases cured in a few days; all diseases of Children, and particularly all diseases of Women;—those weaknesses so common to them can be removed;—and other diseases too numerous to mention, both general and local, will be cured in the shortest possible time. Come and see, and put away your prejudices and be cured.

If any reasons be asked for the decided stand I take on this subject, they can be given. In the first place, so many of the inhabitants of the world as are acquainted with me, either personally or by character, will expect this duty at my hands. Second, my conscience, which I cannot with any degree of propriety resist, is night and day exciting me forward by every allurement of happiness to embark in this glorious cause, and by every degree of unhappiness if I faint-heartedly shrink back into apathy after being so long as 15 years using every means in my power, both in and out of the profession, to stir up some able hand to undertake this, of all reforms, the most necessary. And third, my God, whom I incline to serve with all my heart, soul, strength and mind, says in Exodus, "Thou shalt not kill;" hence, if I suffer any false system to oppress the human family, and countenance the same, and do not lift up my voice against it, He will rank me as a murderer, and punish me accordingly, see the 27th and 28th chapters of Deuteronomy. Read also the 25th chapter of Matthew, where every one of us is called upon not to hide our talents, be they ever so few or weak; and hence I contend, that if I possess only one talent as a qualification to eradicate only one error of medical practice, or establish only one truth of medical theory, and do not make proper use of that talent, I am as culpable as if I had five talents rolled in a napkin.

My office is on Front street, opposite Hopkin's store. Also, Botanic Medicines for sale.
