Perrysburg Journal.

THE STARS AND STRIPES.

O God! protect the Stars and Stripes,
Though storms are fiercely raging,
And murky clouds of sad dispair
Ev'ry ill presaging;
Our glorious flag that proudly floats
Upon the land and sea,
Protected by brave gallant hearts,
Must still respected be.

O God! protect the Stars and Stripes,
Let peace be ours forever;
And curse the dastard miscreant knave
That would these States dissever,
Our Father's won these Stars and Stripes
On many a bleeding field;
And to their sons they left the charge—
To tyrants never yield,

O God! protect the Stars and Stripes,
Our country's hope and pride;
'Tis only fools and traitors base,
That would this flag deride.
On every tower throughout the land,
Its folds toast proudly wave;
The honor, pride, and glory of
The great, the good, the brave.

—The Maine lumbermen are in the field. They are a hardy race, being almost constantly in camp, they will be first in their element in campaigning. One regiment of such men have reported themselves and their weapons for duty, and are anxious to get a crack at the rebels. Should their wishes be gratified it will be a bad thing for those who stand before them.

—A Virginia correspondent of the Gazette says: "The successful and brilliant opening of the campaign in western Virginia, I need not repeat to you as you will see it in all the papers. The passage of raw troops over a distance of 100 miles; building two important railroad bridges on the way; mending and securing the telegraph lines over the route; capturing divers secessionists and conspirators; and at the end dispersing without firing a gun, 1,500 of the enemy, all in three days and a half, is doing pretty well for the beginning. *Thank God we have a government.*"

The Neutrality of the Kentucky Secessionists.

What Kentucky secessionists mean by neutrality, may be inferred from the following extract from the Lexington Statesman:

It is at last reported from Washington through the medium of the Cincinnati Gazette, that the "Military Department of Kentucky" has been established, headquarters at Louisville. Major, now Colonel, Anderson is to be the commandant. This can be regarded no otherwise than as the initiation of a movement in Kentucky similar to that which has resulted in the subjugation of Maryland and Missouri. Resistance alone will save the liberties of the people.

MEDICINAL.

Cephalic Pills
CURE
Sick Headache.
CURE
Nervous Headache
CURE
All kinds of
Headache.

By the use of these, periodic attacks of Nervous or Sick Headache may be prevented; and if taken at the commencement of an attack immediate relief from pain and sickness will be obtained.

They seldom fail in removing the Nausea and Headache to which females are so subject.

They act gently upon the bowels,—removing Costiveness.

For Literary Men, Students, Delicate Females, and all persons of sedentary habits, they are valuable as a Laxative, improving the appetite, giving tone and vigor to the digestive organs, and restoring the natural elasticity and strength of the whole system.

The CEPHALIC PILLS are the result of long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from Headache, whether originating in the nervous system or from a deranged state of the stomach.

They are entirely vegetable in their composition, and may be taken at all times with perfect safety without making any change of diet, and the absence of any disagreeable taste renders it easy to administer them to children.

MEDICINAL.

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

These medicines have now been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; Flatulency, Loss of appetite, Heartburn, Headache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dispepsia, will vanish, as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflamation from the muscles and ligaments of the joints.

Diseases of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of Gravel.

Also Worms, by dislodging from the turnings of the bowels, the slimy matter to which these creatures adhere.

Scurvy, Ulcers, and Inveterate Sores, by the perfect purity which these Life Medicines give to the blood and all the humors.

Scorbutic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Coxsos Colds and Influenza will always be cured by one dose, or by two in the worst cases.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years standing, by the use of the Life Medicines alone.

Fever and Ague.—For this scourge of the Western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to the return of the disease—a cure by these medicines is permanent—Try them, be satisfied, and be cured!

Bilious Fevers and Liver Complaints,—General Debility, Loss of Appetite, and Diseases of Females—the medicines have been used with the most beneficial results in cases of this description.—King's Evil and Scrofula, in its worst forms, yields to the all but powerful action of these remarkable medicines. Night Sweats, Nervous Debility, Nervous Complaints, of all kinds. Palpitation of the Heart, Painters' Colic, are speedily cured.

Mercurial Diseases.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these medicines a perfect cure, as they never fail to eradicate from the system, all the effects of mercury, infinitely sooner than the most powerful preparation of sarsaparilla.

Prepared and sold by W. B. MOFFAT,
335, Broadway, New-York.

For sale by Peck & Hamilton and by all Druggists. December 19th, 1860—33ly.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as Eruptive and Skin Diseases, St. Anthony's Fire, Rose, or Erysipelas, Pimples, Pustules, Blotches, Blains and Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Rheumatism, Syphilitic and Mercurial Diseases, Dropsy, Dyspepsia, Debility, and, indeed, all Complaints arising from Vitiated or Impure Blood. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S
Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which, while it cures the above complaints with certainty is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting disorders prevail. This "Cure" expels the miasmatic poison of Fever and Ague from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are *Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis,* and *Derangement of the Stomach*, all of which, when originating in this cause, put on the *intermittent type*, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to Immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

SEWING MACHINES.

BUY THE BEST,

Which is the End is the Cheapest.

USE LADD, WEBSTER & CO.'S

TIGHT STITCH SEWING MACHINE?

☞The Stitch Alike on Both Sides.☜

The Ladd, Webster & Co.'s Machines are of the most substantial make and elegant finish, are strong, reliable, simple in construction, easily operated, by a novice, and with ordinary care, last years without the annoying expense of repairing always incurred on the cheaper, less reliable and more complicated machines.

There is no instrument in use for sewing, capable of doing a greater variety of work than these machines: with the celebrated wheel feed they will handle the finest muslin, the heaviest broadcloth, or will work in the thickest leather used by shoemakers, or carriage trimmers. They will also run over seams and gathers with the same facility as over plain work. The stitch made from them is by two threads, alike on both sides of the fabric leaving no ridge on the under side to wear out and loosen the work, a decided fault with all loop or chain stitch machines.

The needles are not curved and liable to brake, but are straight and have a perpendicular motion, which is absolutely necessary to adapt the machine to all sort sof work. They will bind with a binder and hem with a hemmer; will stitch, fell and gather; are fully licensed under "Howe's Extended Patent," and are free from all infringements. During seven years of use they have won enviable reputation of being "the best family and manufacturing machine in the country." We have numerous testimonials: read a short and comprehensive one from the

Navy Office, Washington, Aug. 12th, 1859.

Gentlemen—The Sewing Machine ordered from you is safely at hand, and Mrs. M. is fully satisfied with it. As an evidence of its simplicity, without directions or explanations, she commenced working with it after a very short trial, and has not experienced the least difficulty in its operation. I cheerfully give you my testimonial in its favor.

I am respectfully, your obedient servant,
Lieut. Wm. L. Maury.

The Editor of the Christian Watchman and Reflector says, "We have seen testimony in favor of the Machine made by Ladd, Webster & Co., which from the moral and religious character of the writers, we are satisfied could never have been obtained, had not the instruments fully realized the representation of the makers respecting it: these testimonials are from clergymen and persons of high moral worth and integrity in the community, well known to our readers, and are of the most flattering character."

PROBATE NOTICE.

Notice is hereby given that Simpson Jones, executor of the last will and testament of Skiff Bassett, dec., has filed his account for the final settlement of said estate, which matter is set for hearing on the 8th day of June, 1861.

DANIEL POE
May 17, 1861—3w5 Probate Judge.

MEDICINAL.

DR. J. B. SMITH!

Would respectfully inform the citizens of Wood county that he has permanently located himself in Bowling Green for the purpose of practicing Medicine and Surgery. In addition to a regular course of study, Mr. S. has made himself acquainted with the special mode of distinguishing diseases by an examination of the urine of the patient as practised by the late DR. DELANDAUGH, and for all Chronic Diseases will say unhesitatingly that by following Mr. D's practise in such cases, he has had better success than from any other method of treatment.—Among the diseases which Dr. S. professes to treat successfully may be mentioned the following, viz: Dyspepsia, Liver Complaint, Consumption in its early stages, Diseases of the Spleen, Asthma, Spitting of the Blood, Palpitation of the heart, Rheumatism, White Swelling, Dropsy, Scrofulous Diseases, Jaundice, Female Complaints, in all their varied forms, Low Spirits or Melancholy, Fever Sores, Ulcers, &c. If patients with any of the above or kindred Chronic Diseases will send some of their urine taken in the morning in a clean vial, Dr. S. can make a satisfactory diagnosis of the case nearly as well as if the patient were present.

BLOOD PURIFIER AND BLOOD PILLS.

BOTANY. EXPERIENCE. CHEMISTRY.
PHARMACY.

DR. ROBACK'S SCANDINAVIAN REMEDIES.

When Dr. Roback, the renowned Swedish Physician, introduced his Blood Purifier and Pills into the United States, he set forth in plain terms their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men, whose character for sound judgment and philosophy gives their opinions weight in the community, men who observe, reflect and make "assurance doubly sure," before they decide, are everywhere approving and urging the use of these wonderful preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves, are now of one mind on this important subject.

The evidence in the possession of Dr. Roback which is at all times accessible to the public, establishes the following:

FACTS:

That the BLOOD PURIFIER and BLOOD PILLS have been proved by a very short time,

CONTAIN NO MINERAL:

That they cure the almost universal complaint,

DYSPEPSIA,

with unerring certainly, and in a very short time,—That after all other medicines have proved useless they relieve LIVER COMPLAINT,

and restore the health and strength of the sufferer. That SICK FEMALES,

who have languished for years in helpless weakness and dependency, recuperate with almost miraculous rapidity under their invigorating operation. That all Sexual Disabilities are removed by their cordial and gently stimulating properties. That they recruit SHATTERED CONSTITUTIONS,

however, they may have been trifled with and abused. That their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of disease in the blood, they

CAUSE SORE TO HEAL,

and discharge from the system every taint of Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the stomach or bowels, the liver, the nervous system, the glands and muscels,

ARISING FROM IMPURITIES OR OBSTRUCTIONS OF THE BLOOD OR SECRETIONS,

in which they do not give prompt relief, and, (if administered before the very citadel of life has been invaded,) effect a painless and perfect cure.

Bear in mind that the Scandinavian Blood Pills are endorsed by the experience of thousands of living who, letter, affidavit, medical works and word of mouth proclaim them to be the very best preparation ever offered to the broken down victims of ill-health. It haunts disease through every avenue and organ of the system, and expels it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better, but also cheaper than any other Pills, for it takes a less number of them to produce a better effect.

Price of the Purifier, $1 per bottle, or $5 per half dozen. Of the Pills, 25c. per box, or 5 boxes for $1.

Read Dr. Roback's special notices and certificates published from time to time in this paper.

Dr. R.'s Medical Almanac and Family Adviser, containing a great amount of valuable and interesting medical information can be had gratis of any of his agents throughout the country.

In difficult or complicated cases, Dr. Roback may be consulted personally or by letter, enclosing one stamp for a reply.

A NEW ARTICLE.

DR. ROBACK'S STOMACH BITTERS.

A new and delightful Stomachic and Cordial, for giving tone to the Stomach, and for the prevention of bilious complaints incident to the Western country. Try it.

As a morning drink, to assist digestion and relieve Dyspepsia, it has no equal. Try it.

In flavor it is superior to all other Bitters. Try it.

The formula of these Bitters, now (1861) the sole property of Dr. Roback, originated with one of the oldest and most eminent Medical Practioners of the West, and it is directly predicated upon the wants of Western people.

These Bitters derive their stimulus from the powerful tonic nature of the roots and herbs of which they are composed, and as they are, by allaying unnatural cravings of the stomach, directly promotive of TEMPERANCE,

the present proprietor believes that in making them widely known the public welfare is subserved.

It will soon be for sale by all of Dr. Roback's numerous Agents, and at Hotels, &c., the country over. In the meantime, orders will be filled direct from Cincinnati in any quantity, and at the lowest rates. It is put up in Quart Bottles, and securely packed in one doz. cases. Half doz. sample cases will, however, be packed and sent to any address, if desired.

Retail Price, $1 per bottle, or six for $5.

This institution is now permanently situated in one of the handsomest localities in North-Western Ohio, and offers to its patrons unprecedented advantages in the way of completing a thorough course of Mercantile Instruction.

Our instructions in Book Keeping, Commercial Calculations and Accounts are conducted upon the Counting Room System, the object of which is to render them purely practical, enabling the student to enter at once upon the discharge of the most intricate business with comparative ease. Students who have graduated from this institution have found no difficulty in obtaining situations, giving entire satisfaction of their employers.

COMMERCIAL LAW.

Lecturers on this subject are delivered regularly every Thursday evening, by one of our most prominent practitioners, giving our students the most thorough instruction in this important branch.

PENMANSHIP,

Practical and Ornamental in all its varieties, will be taught in the most thorough and efficient manner. The good old Spencarian system is our standard.

TO PARENTS,

We would say, your children can here receive as full thorough and complete a course of instruction as in any Commercial College in the United States, free from exposure to those pernicious influences which in large cities they are liable to come in contact with. Life Scholarships are issued. Students can enter at any time. Diplomas awarded only to those who master the course of study. Situations procured for students as far as possible upon graduating. Recollect that the expense of completing a course of instruction in this institution is less than half that of any other. JEROME MURRAY.
