New potatoes, peas and beans have made their appearance in our market.

Deaths.—Augustus Bradford and the youngest child of A. Boyer, Esq., were buried on Sunday last.

A Magnificent Display of the Aurora Borealis occurred on Friday evening last. We remember to have seen but one, that surpassed it in length of duration and brilliancy.

The individual who openly attempts to diminish the circulation of his own party papers during a political canvass should at once go where he belongs—namely, on the other side.

The Heat has been so intense that a number of out-door laborers have been compelled to desist from work for several days. It is indeed a matter of surprise that the health of our town continues so good during the "heated term."

Who Can Beat This!—The Fostoria *News* says that Mr. Josiah Richardson, of Perry Township, Wood County, has a cow from which he milked, from May 10 to June 10, thirteen hundred and twenty-nine pounds of milk. The milk was weighed at every milking.

Hot is no name for the weather since the beginning of July. A Georgia costume has been preferable to all others. But while sweltering humanity suffers, the *gorgels* are putting in their very prettiest promises for the harvest that is coming.

Information Wanted.—Says the Hancock *Jeffersonian*:

About the middle of May last, a little girl named Caroline Blaze, aged eight years, dark auburn hair, blue eyes, left Geore Bagly's in Wood county, and has not since been heard from. She had on when last seen, a dark calico dress and pink sun-bonnet. It is feared that she has been abducted by her drunken father, who is a dangerous character. Any information regarding her whereabouts will be thankfully received by her sister, Susanna Blaze, Findlay, Ohio.

The Weather.—Hot, hotter, hottest, Hottens tot! Boil, boiler, bust!

The heat is simply terrible.

Oh! for a lodge in some vast wilderness—some boundless contiguity of shade—somewhere in Alaska, for instance.

A little darkey accidentally fell in the river, and, while standing in the sun to dry himself melted away and ran over the ground. His remains were gathered up in a dish-pan. It was a melting spectacle.

The chief employment of our citizens just now consists in vigorous efforts to keep cool. Coats are voted a nuisance, shirt-collars are thrown aside in a wilted condition, and fans and umbrellas are in demand.

Instances of sun-stroke are reported in almost every city and village, east and west.

Hotter in New York than it has been during the past fourteen years.

The Toledo *Commercial* reports the mean temperature, since the first of the month, ten degrees greater than during the same period last year.

We are decidedly in favor of undress parade, and wish we were a fan-tailed pigeon.

[Communicated.]

Editor Journal: It is said that gen in their cups have been known to be truthful when not distinguished for that virtue out of their cups. An instance of this amiable weakness occurred recently in our village. On the night of information was received of the nomination of Seymour, by the New York Convention, one of our Democratic citizens was seen rearing on the ground in an alley. Another citizen of the same persuasion was standing over him holding himself up by the coat-tail of the recumbent, and urging him—the recumbent—to get up.

"Le' me 'lone, (hic)" says he of the ground. Le' me 'lone! I'd jus' s-soon lay here 's any ace! Th' Dem'cratic party's gone to hell any'y! Wha's difference? Sin? Pen'tion's on sin (hic)! I should wish! (hic). Wha' can I (hic). I got t' take back all I said las' fall oy way (hic)!" X.

CONQUERED AT LAST.

An unhealthy system is generally produced by an unhealthy stomach and the latter is a sure indication of poor digestion. When digestion is bad every part of the entire system must necessarily suffer, and the mind itself shows the effects of it in the low spirits of the patient. Indigestion is the parent of a thousand indescribable miseries—all symptoms of worse disorders yet to come. The promontory indications of that terror of our race—Dyspepsia—every one knows. Now, why suffer the penalties of delay when by the use of the well known Bitters, not only immediate relief but positive and permanent cure can be realized. This celebrated Household Remedy is an infallible remedy for all diseases arising from a disordered stomach and will eradicate them. Be reasonable with yourself—consult your own interests—throw away pharmacopeia prescriptions and take a course of Malcher's Herb Bitters. Sold by all druggists and dealers. Dr. S. B. Hartman & Co., Proprietors, Lancaster, Pa.

Gift Jewelry Enterprises have so long monopolized the public mind, that it is not at all improbable some have overlooked the important fact, that *Dr. J. W. Poland's White Pine Compound* is the only *reliable and never failing* Cough Medicine in the world. Where all others fail it finds its greatest success. Sold by all druggists at one dollar per bottle.

To Make the World Better you must make the people wiser. To learn how to purify the blood is the first step towards wisdom. Use Dr. J. W. Poland's Humor Doctor for all diseases of the blood. Sold by Fegg & Hamilton.

A Cheap Ice Pitcher.—The following is a simple method of keeping ice-water for a long time in a common pitcher: Place between two sheets of paper (newspapers will answer, thick brown is better) a layer of cotton batting about half an inch in thickness, fasten the ends of paper and batting together, forming a circle, then sew or paste a crown over one end, making a bag the shape of a stove-pipe hat, minus the rim. Place this over an ordinary pitcher filled with ice-water, making it deep enough to rest on the table, so as to exclude the air, and the reader will be astonished at the length of time his ice will keep and the water remain cold after the ice is melted.

Enlarged and Improved.—Mr. Oblinger is putting the Perrysburg Journal, in first-class trim. It appears on an enlarged sheet and in new dress, presenting a highly attractive appearance, and under its efficient management will maintain its good standing as a Republican journal.—*Toledo Commercial.*

WOOLEN MANUFACTORY.

(Near the Maumee Bridge)

Haumee City, Lucas County, O.

THE undersigned respectfully announces to the citizens of Lucas and the adjoining counties, that he has recently clothed his carding mill, and thoroughly refitted his machinery in in the most perfect manner, so that he is now prepared for the manufacturing of Wool in its various branches, in a style which, for durability, will be surpassed by no other manufactory, either East or West.

WOOLEN FABRICS

Are constantly kept on hand, among which may be found Cassimeres, Fall Cloths, Sattinets, Jeans, Tweed, Plain and Twilled Blanketing, Plain and Plaid Flannels, Sheeting and Stocking Yarn, Linseys, etc., etc., etc.,

All of which will, if desired, be exchanged for Wool, on the most reasonable terms. Wool will also be manufactured by the yard or on shares, as customers may prefer.

Card and Spin Wool for Customers.

Wool Carding and Cloth Dressing

Warranted to be well done and to give satisfaction, if the Wool be free from gum and burrs.

☞ Wool will be cheap this season, therefore it will be to your advantage to get your Wool manufactured into Cloth, that will do you good service. JAMES E. DEAN.
