Ayer's Cherry Pectoral
Should be kept constantly at hand, for use in emergencies of the household. Many a mother, startled in the night by the ominous sounds of Croup, finds the little sufferer, with red and swollen face, gasping for air. In such cases Ayer's Cherry Pectoral is invaluable. Mrs. Emma Gedney, 159 West 125 st., New York, writes: "While in the country, last winter, my little boy, three years old, was taken ill with Croup; it seemed as if he would die from strangulation. Ayer's Cherry Pectoral was tried in small and frequent doses, and, in less than half an hour, the little patient was breathing easily. The doctor said that the Pectoral saved my darling's life." Mrs. Chas. B. Landon, Guilford, Conn., writes: "Ayer's Cherry Pectoral."

Saved My Life,
and also the life of my little son. As he is troubled with Croup, I dare not be without this remedy in the house." Mrs. J. Gregg, Lowell, Mass., writes: "My children have repeatedly taken Ayer's Cherry Pectoral for Coughs and Croup. It gives immediate relief, followed by cure." Mrs. Mary E. Evans, Seranton, Pa., writes: "I have two little boys, both of whom have been, from infancy, subject to violent attacks of Croup. About six months ago we began using Ayer's Cherry Pectoral, and it acts like a charm. In a few minutes after the child takes it, he breathes easily and rests well. Every mother ought to know what a blessing I have found in Ayer's Cherry Pectoral." Mrs. Wm. C. Reid, Freehold, N. J., writes: "In our family, Ayer's medicines have been blessings for many years. In cases of Colds and Coughs, we take Ayer's Cherry Pectoral, and the inconvenience is soon forgotten."

SPECIAL NEWS
From Our Efficient Corps of Correspondents.

LA GRANGE.
April 5th, 1886.
Township and corporation election passed off very quietly. The entire Republican ticket was elected, except marshal. Many Republicans voted for the Democratic candidate, as they felt his course for the past two years ought to be vindicated. Below we give vote; names of Republicans first:
Trustees, H. J. Wilkins, 158; Edson Hastings, 157; Geo. Foster, 156; D. Nichols, 107; H. Ryan, 112; Geo. Kilner, 102. Treasurer, F. V. Sheldon, 163; W. H. Gott, 104. Clerk, C. W. Hastings, 162; D. D. Gott, 104. Assessor, Z. R. Parsons, 156; S. Hastings, 108. Constables, J. B. Sheldon, 253; H. Forbes, 165; M. C. Holcomb, 101. Cemetery trustee, S. M. Powers, 148; E. Griffith, 105. Justice of Peace, L. G. Parsons, 161; R. E. Underhill, 96. Corporation: Mayor, W. F. Wolcott, 71; S. Hastings, 35. Clerk, Geo. E. Ryan, 77; Ford Gott, 34. Marshal, J. B. Sheldon, 50; F. L. Bates, 63. Councilmen, G. N. Snyder 71; D. S. Miller, 74; L. B. Sweet, 73; H. Williams, 73; S. N. Kelner, 39; W. H. Gott, 40; E. M. Griffith, 39; E. Yeaman, 34.

The literary Saturday evening was another success. At an early hour the hall was filled by an audience who came to listen and enjoy. Had the roads been passable the hall could not have contained the crowd. The first part of the part of the program passed off very pleasantly. The musical and literary part was of high order. Several of our former students did much toward making a successful entertainment, and many thanks are due them for their continued interest in the literatures. The Mistletoe Bough, with some changes, was even better than the first time. Much credit is due to those who did so much toward its success. I think our young people, one and all, deserve much commendation for working so hard in whatever line that tends to give them healthful and agreeable pleasure, refinement and culture. Net receipts for the evening over \$11. **YOURS DRYLY.**

At the school meeting last evening, Dell Johnston was elected director. H. wanted to be leader, as usual, as soon as the meeting was called to order, he having a scheme worked up to a high state in his own mind; but the scheme did not work and he got left. Our streets are in the worst condition they have been for a long time. If the proposed \$25,000 bonds are issued for paving the streets, it will be a step in the right direction. Some are opposed to bonding the town, and paying interest, but it will cost no more to pay the interest than it will to sandpaper the roads as heretofore. Besides half the money can be borrowed this year and half next, thus saving one year's interest. It will also give employment to many idle men, who are willing and anxious to go to work.
Elyria has too many old fogies in it, who are too careful for their own good and the town's advancement. We believe they would kick if they were going to be hung. Let us have paved roads by all means.
