He Will Refuse to Give Up His Ordination Papers Demanded by the North Ohio Conference of the Methodist Church.

PLAIN DEALER, OCT 5TH.

At Sandusky last week the North Ohio conference of the Methodist church adopted a resolution calling upon Rev. Dr. T. F. Hildreth to give up his parchments, or ordination papers. Publicity was not given to this action but the friends of Rev. Dr. Hildreth on the West Side got hold of it and are again rehearsing the stories surrounding the investigation brought on by Rev. Dr. Russel B. Pope while Dr. Hildreth was pastor of the Lorain street M. E. church. Dr. Hildreth says he will not give up his parchments and more interesting proceedings are looked for. It will be remembered that the charges were not sustained before the special committee to which they were referred and the conference failed to take action on them afterward.

Dr. Hildreth said last evening that the action of the conference in asking for his parchments had no connection with, as he expressed it, "that old affair which they had about me some time ago." Continuing, the doctor said: "I voluntarily withdrew from the conference when it met in Ashland last year so that I could take charge of the congregation at Music Hall. At that time Prof. Whitlock, one of my friends, asked Bishop Warren, who was presiding at the conference, whether it would be necessary for me to surrender my parchments. The bishop replied that it would not unless I should become a pastor in a church of some other denomination. Since my withdrawal I have not claimed to be a Methodist preacher, but have not joined any other denomination. I am the pastor of an independent, undenominational church. I have not received an official request, to return my parchments, and if I do I shall simply decline to surrender them, on the ground that the conference has no right to demand them."

Are quickly given to every part of the body by Hood's Sarsaparilla. That tired feeling is entirely overcome; the blood is purified, enriched and vitalized, and carries health instead of disease to every organ. LAST CHRISTMAS

His Trouble Began—A Plain Statement of the Case—A very Satisfactory Result.

FROM THE CLEVELAND LEADER.

The following interesting statement was made by Mr. Daniel Carlson who is living at 232 Kennard street:

"My trouble began last Christmas. It seemed to be in my chest. I took medicine for it constantly until about the middle of last August. The medicine did me no good for I grew worse steadily till I was so much reduced in strength that I was about to give up work.

"I coughed night and day, suffered from pain in the chest, had night sweats, no appetite, poor digestion, was feverish, and had severe headaches.

"In August I was advised to try Dr. Gatchell's treatment by direct inhalation. I began the treatment and the night sweats ceased in forty-eight hours, the cough steadily disappeared, and my appetite, digestion, and strength increased rapidly.

"I believe in this way of treating catarrh and lung diseases, for it accomplished in a few weeks what medicine taken into the stomach failed to accomplish in eight months."

The treatment consists in the direct inhalation of Medicated Balsam Vapor and of Strengthening Gases.

A pamphlet explaining the treatment will be sent to anyone sending a stamp with his address to Drs. Gatchell, 174 Euclid ave., Cleveland, O.

Impurities of the blood often cause great annoyance at this season; Hood's Sarsaparilla purifies the blood, and cures all such affections.

Frank Cornelius, Purcell, Indian Ter., says: "I induced Mr. Pinson, whose wife had paralysis in the face, to try a bottle of Chamberlain's Pain Balm. To their great surprise before the bottle had been used she was a great deal better. Her face had been drawn to one side; but the Pain Balm relieved all pain and soreness, and the mouth assumed its natural shape."
