

THE ENTERPRISE. J. B. SMITH, Proprietor. WELLINGTON, OHIO.

General News Summary.

Interesting Home and Foreign News.

WASHINGTON.

The following were among the appointments announced by the President on the 24th: Edward T. Green, United States District Judge for the district of New Jersey; Alfred E. Buck, United States Marshal for the Northern district of Georgia; Joseph W. Adu, United States Attorney for the district of Kansas; and Albert M. Lee, United States Attorney for the Southern district of Mississippi.

Admiral Gillis, in command of the South American squadron, has written to the Navy Department stating that yellow fever is breaking out in all parts of Brazil, besides Rio Janeiro.

The annual report of the Supervising Inspector of Steam Vessels shows that during fifteen years past the number of steam vessels in the United States has increased from 3,885 in 1875 to 6,725 in 1889, and the gain in license officers during the same period is from 14,571 to 31,633. During the past fiscal year there were thirty-two accidents to steam vessels, resulting in the loss of 361 lives, of which ninety-two were passengers and 269 employees.

Pension Commissioner Raum has made special a case which is of more than usual interest. It is that of a lady who was born under the administration of General Washington and is now ninety-three years of age. She is entitled to a pension as a widow of a soldier of the war of 1812, but has never before made an application.

The President has granted an absolute pardon to George G. Wood, convicted of polygamy in Utah, and sentenced to five years' imprisonment in the penitentiary and to pay a fine of \$500.

At Washington on the 26th occurred the death of Judge Arthur T. Reese, chief of the seed division in the Agricultural Department, and Alexander Somerville, chief of the money order division of the Post-office Department.

The gunboat Petrel has been formally accepted by Secretary Tracy from the contractors, the Columbia Iron Works Company of Baltimore. Her contract price was \$245,000, but of this amount \$48,000 has been retained by the Government as a penalty for failure to complete the vessel in the time specified in the contract. She is about two years overdue.

In his forthcoming annual report Postmaster General Wanamaker will recommend that post-offices be established on the principal steamers that ply between the ports of the United States and Europe, similar to the postal service on railway trains. He will ask Congress for an appropriation to carry his recommendation into effect.

Acting Secretary Batcheller has appointed Milton M. Holland, of Washington, to be chief of a division in the Second Auditor's office. Holland is a well known colored lawyer.

William Miller, Jr., of Mercer, and De La Greene, of Muncy, Pa., have been appointed examiners of National banks in the State of Pennsylvania.

THE EAST.

The case of Assemblyman Smith, on trial at New York for bribery at elections, ended on the 24th in a disagreement of the jury.

During the seven days ended October 26 the business failures occurring throughout the country numbered for the United States 188, and for Canada 37. For the corresponding week last year the figures were 223 failures for the United States, and 32 in the Dominion Canada.

The Peerless Plush Manufacturing Company's establishment at Paterson, N. J., was burned on the 25th, entailing a loss of \$80,000.

Jessie Treitt and Maggie Canmick, aged respectively twenty-five and twenty-two years, residents of South Chesterboro, Pa., were run over by a train on the 25th and killed.
