THE Prohibition vote reached twenty-six thousand.

THE natural gas wells in the vicinity of Findlay are said to be weakening.

LORAIN county has no cases of prominence at the present term of court.

THE prisoners at the penitentiary will have new bosses on or about Feb. 1st.

PRESIDENT HARRISON is to receive his Thanksgiving turkey from the State of Rhode Island.

EX-PRESIDENT HAYES delivered an address at Nashville, Tenn., Saturday on prison reform.

OUR Southern exchanges take a great deal of interest in the elections in the Buckeye State.

J. B. FORAKER got slashed in every direction, and Lieutenant Governor-elect Lampson got terribly wounded.

MRS. GOODLOE, widow of the late Col. Goodloe of Lexington, Ky., has applied to President Harrison for the collectorship of internal revenue.

THE city of Cleveland has been compelled to bring an action against the bondsmen of absconding Treasurer Axworthy to enforce payment.

WHEN the official count is declared by the Secretary of State something will be said about the Constitutional Amendments that have been adopted.

MR. HARK, the member-elect of the Board of Public Works, received the highest number of votes of any State official on the Republican ticket. His plurality is 4,400.

B. S. BARRETT, a piano dealer of Cleveland, skipped out and left his creditors about \$80,000 out of pocket. Instead of playing on a harp of one thousand strings it is increased to sixty thousand this time.

CANDIDATE Marquis will contest the seat for the Presidency of the Senate. Lieutenant Governor Lampson was counted in by a plurality of twenty-two votes. The Democrats claim that illegal votes were cast at the soldiers' home.

EX-PRESIDENT HAYES has turned his attention to prison reform, and Ex-President Cleveland is practicing law. One seeks to get a person into the penitentiary and the other to bring about a reform while there and after he gets out.

AT THE centenary held in Baltimore last week by the Roman Catholics a resolution was unanimously adopted to abrogate objections to all societies of secrets except the Masonic fraternity, and everything indicates a speedy lifting of the veil of prejudice against them.

THE election matter in Montana is still undecided. One District Judge attempted to decide the whole case by refusing to give the defendants an appeal; but the appeal has been taken, just the same, and it is expected that a decision will be reached at an early date by the Supreme Court.

THE people of Baltimore are taking steps to reduce the number of saloons in their city by placing a high license upon a permit to sell. An individual can get just as drunk and do just as much mischief on whiskey procured in a saloon where a high license is imposed as they can where it is free to all.

OUR exchanges in local option towns speak of individuals getting ready to open up saloons just as soon as the Democratic General Assembly convenes and has time to repeal the Dow law. The parties claim they had this promise if the Democrats got in. If this be true it is an excellent advertisement for any political party.

THE Mormons have begun to show their hands again in the Northwest. The rule or ruin plan seems to be their manner of procedure. The anarchists had to suffer for their transgressions, and others will have to receive the same treatment if they continue to defy the laws. This is a republic, and a great deal of leniency is indulged in on the part of the people, but when they become once aroused on account of continued bad conduct, the transgressors get badly handled.

A SPECIAL from Rio Janeiro of November 16 states that Dom Pedro has been deposed of his seat of Emperor, and has gone to Lisbon; and thus the old monarchical governments tumble down as the people become more enlightened. Dom will get very little consolation from this government. The people will recollect when he landed in New York harbor in April

1876, and declined to stop and be introduced to the special delegation of our officials who went out to meet him. Dom has been relieved of his title of Emperor and we are glad of it.

The Vote in Detail.

The following is the total Republican and Democratic vote in Lorain county, and the majorities, at the late election: For Governor, Foraker, 4686; Campbell, 2608. Maj. 2078. For Lieutenant Governor, Lampson, 4717; Marquis, 2587. Maj. 2130. For Treasurer of State, Brown 4725; Boden, 2584. Maj. 2141. For Attorney General, Watson, 4723; Lewis, 2585. Maj. 2138. For Judge of Supreme Court, Dickman, 4725; Follett, 2584. Maj. 2141. For Board of Public Works, Hahn, 4723; Reynolds, 2585. Maj. 2137. For School Commissioner, Hancock, 4723; Miller, 2587. Maj. 2136. For Clerk Supreme Court, Hester, 4721; Schumaker, 2587. Maj. 2134. For State Senators, Kerr, 4711; Dill, 2597. Maj. 2114. Hildebrand, 4787; Noggle, 2590. Maj. 2197. For Representative, Braman, 4699; Folger, 2589. Maj. 2110. For Auditor, Herrick, 4729; Babcock, 2555. Maj. 2174. For Surveyor, Snow, 4705; Ferguson, 2587. Maj. 2118. For Commissioner, Fauver, 4684; Jenne, 2584. Maj. 2100. For Infirmary Director, Foster, 4705; Powell, 2580. Maj. 2125.

Taxation Amendment—YES, 4788; Taxation Amendment—NO, 1417. Maj. 3371. Legislative Single Districts—YES, 5011; Legislative Single Districts—NO, 1169. Maj. 3842. Biennial Elections—YES, 5072; Biennial Elections—NO, 1080. Maj. 3992.

The vote on constitutional amendments is given as they were cast, but many votes were cast without erasing either yes or no on the Democratic ticket, and by erasing the yes on the Republican ticket. All such votes will be counted against the amendments, because to be adopted they must receive a majority of all the votes cast at the election. There were 7,855 votes cast in the county, and a majority of those will be 3,928. The three amendments are therefore carried in this county by the following majorities: Taxation amendment, 800; Legislative single district, 1083; Biennial elections, 1144.

THE RESULT IN THE STATE. Campbell, 379,434; Foraker, 368,551; Helwig, 26,504; Campbell over Foraker, 10,873. For Lieutenant Governor, Lampson, 375,110; Marquis, 375,069; Sharp, 26,587.
