Is Life Worth Living?

That depends upon the
Liver, for if the Liver is
inactive the whole system
is out of order—the
breath is bad, digestion
poor, head dull or aching,
energy and hopefulness
gone, the spirits are de-
pressed, a heavy weight
exists after eating, with
general despondency and
the blues. The Liver is
the housekeeper of the
health; and a harmless,
simple remedy that acts
like Nature, does not
constipate afterwards or
require constant taking,
does not interfere with
business or pleasure dur-
ing its use, makes Sim-
mons Liver Regulator a
medical perfection.

I have tested its virtues personally, and
know that for Dyspepsia, Biliousness and
Throbbing Headache, it is the best medi-
cine the world ever saw. Have tried forty
other remedies before Simmons Liver
Regulator, and none of them gave more
than temporary relief, but the Regulator
not only relieved but cured.

convention at Cleveland last week and re-
ports a pleasant time.

ests of his friend, Col. Couch.

J. T. Haskell, of Wellington, was in
town Thursday putting up his political

The aged mother of Mrs. John Harvet
is very sick and there is little hopes of
her recovery.

That sensation will not appear in print
until the weather becomes warm enough
for us to get our hair clipped. The peo-
ple interested "got onto" us and served a
white cap notice on us.

Tuesday evening Frank Keizer's barn
was burned together with most of the con-
tents. Six horses were in the barn when
the fire was discovered and three of them
were all that could be saved. Those
which were burned were all very valuable
horses, one alone being valued at \$300.

Loss over \$2000; insurance, \$1000. Dr.
Holland is treating the horses which were
saved but badly scorched. Mr. Keizer
was badly burned in trying to save his
horses.

The remains of Mrs. Rinehart were
brought here from Toledo last Tuesday.
Funeral services were held at the resi-
dence of Frank Behner Wednesday.

Lightning struck the barn of W. H.
Gott during one of our recent storms.
Mr. Gott and a horse were standing near
the post where the lightning came down
and an old gun which was loaded hung
near the post. The horse was knocked
down and Mr. Gott was dazed and it was
some time before he could realize that
the old gun hadn't gone off, but that light-
ning was what raised hob so. X. L.

"For a long time I had no appetite, was
restless at night, and very much debili-
tated. After taking two bottles of Ayer's
Sarsaparilla, my strength and appetite re-
turned, and my health was completely
restored."—D. M. Fleber, Oswego, N. Y.

PENFIELD.

JUNE 8.—The Grangers held a farmers'
picnic on the town hall grounds Saturday.

ed in the Congregational church Sunday

Weak Women.

The more sensitive nature of the female
sex renders women much more suscepti-
ble than men to those numerous ills
which spring from lack of harmony in the
system. The nervous system gives away,
sick headaches is frequent, the appetite is
lost, and other ailments peculiar to the
sex cause great suffering. Hood's Sarsa-
parilla is peculiarly adapted for such
cases, and has received the most gratify-
ing praise for the relief it has afforded
thousands of women whose very exist-
ence before taking it was only misery. It
strengthens the nerves, cures sick head-
aches and indigestion, purifies and vital-
izes the blood, and gives regular and
healthy action to every organ in the body.

next Sunday morning in the Baptist
church.

place in the Baptist church on next Tues-
day, the 10th. Ordinator sermon on
Tuesday evening by Elder Hartman, of
Cleveland.

The annual Baptist Sunday-school con-
vention will meet in the Baptist church
on Wednesday and Thursday of this week.

Father Burroughs preached last Sunday
morning in the M. E. church from the
eighth verse of the thirtyfourth Psalm.
His sermon was very interesting. He
said that when he was riding on a circuit
it there were as many persons present as
there were saved in the ark he always
preached.

There were not as many present as on
pleasant Sundays.

Rev. and Mrs. Pappenhagen spent part
of last week in Cleveland.

Mrs. Powell, from Kansas, has been
spending a couple of weeks with her friend,
Mrs. Wm. Ward.

J. L. Chapman and his wife spent last
Sunday at Mrs. Wm. Noonan's.

A new sidewalk on the south side of
the Baptist church adds a good deal to the
looks of the center.

Sunday evening was very good. The
house was well filled.

Sunday evening at the M. E. church.

For constipation, biliousness and kid-
ney affections remember Simmons Liver

PITTSFIELD.

JUNE 9.—Ralph Kingsbury arrived here
June 4 on a visit to his mother who is
falling all the time.

The ice cream social at the town hall
given by the Pittsfield literary society
Thursday evening was well attended not
withstanding the cold weather.

Children's day at the M. E. church June
7, one week earlier than the regular time,
on account of the pastor being at Elipton
June 14. The sermon in the morning was
for the young people and children, the
evening being given to the Sunday school.

The church was very tastefully decorated
and the exercises were most thoroughly
enjoyed by a large and attentive audience.
The order was excellent, one or two out-
bursts of clapping of hands being soon
checked by the efficient presiding officer.

Biliousness, bile, boils and the blues
can be cured by taking Simmons Liver
Regulator.

A precious one from us has gone.
A voice we loved is stilled.
A place is vacant in our home
Which never can be filled.

God in his wisdom has recalled
The boon his love has given.
Though the body's moldering here,
The soul is safe in Heaven.

NEW LONDON.

JUNE 8.—The graduation exercises of
the high school passed off very pleasantly.
The class numbered nine—four ladies and
five gentlemen—the largest class ever
graduated here. All the participants did
honor to themselves and to their worthy
superintendent. A reception was held
for them at the residence of Mr. and Mrs.
McLellen on Friday evening, May 29,
which pleasant gathering will long be re-
membered by those fortunate enough to
have been present.

Nature wore one of her sweetest smiles
on decoration day and a large number of
people came out to participate in and
witness the exercises. Special praise is
due a recitation given by a little girl from
Greenwich by the name of Wagener.

The sound of the carpenter's hammer
will be heard on various streets in our
town this summer. G. E. Washburn is
going to remodel the old Lanning house,
which he has purchased and moved on a
lot in the west part of town; and we un-
derstand he intends to erect a fine resi-
dence on the former site of said house.
Frank Skellenger has the foundation up
for a new house on South Main street.

The editor of The Record and his wife
have been taking a vacation.

Miss Carrie Clark has gone to Indiana
for the summer.

A few evenings since Miss Jessie Har-
tupsee, while walking over a bad place in
the sidewalk, stumbled, fracturing the
bones in the ankle, which will cripple her
for some time.

Rev. N. J. Close is convalescing. He
will soon be out again if no relapse comes.

Mr. and Mrs. Knight, by way of a bounc-
ing big boy.

boys, filled the pulpit at the M. E. church
Sunday morning and at the Baptist church
in the evening.

C. C. Post's father has been visiting him
for several days past.

The M. E. aid society will meet with
Mrs. B. F. Starbird on Friday afternoon of
this week.

Mrs. G. H. Hartupsee and Mrs. A. H.
McConnell attended the annual confer-
ence of the W. H. M. S. at Mansfield last
week.

dence of the bride's mother, by Rev. E.
C. Myers, brother of the bride, Mr. Mc-
Clelen, of Wellington, and Miss Lillie
Myers, of New London.

& Miller, each has a delivery wagon.

A "Balm in Gilead" for you by taking
Simmons Liver Regulator for your dis-
eased liver.

OVERLIN.

A colored glee club from Oberlin under
the management of Evangelist John Bax-
ter, has been giving concerts in Seneca
county. . . . The Young People's society
and Sabbath school of the First M. E.
church, presented their leader, T. J.
Elliott, with a handsome bible on Tues-
day evening, T. J. Henderson making
the presentation speech. Mr. Elliott was
taken by surprise by the young people
who called at his residence. . . . During
the thunder storm on Wednesday fore-
noon last, Mr. Adam Burke's barn was
struck by lightning, a rafter completely
splintered, some shingles torn off, a pig-
eon and some chickens killed. It is just
four years since Mr. Burke's house was
struck by lightning in a similar manner.
It came very near striking twice in the
same place.—News.

Some fancy the charms of the lily-white
maid,
Of ethereal form and languishing eye,
Who faints in the sunshine and droops in
the shade,
And is always "just ready to die."

But give me the girl of the sunny face,
The blood in whose veins courses healthy
and free,
With the vigor of youth in her movements
and grace.

Oh, that is the maiden for me!
She is the girl to "tie so" for life. The
sickly, complaining woman may be an
object of love and pity, but she ceases to
be a "thing of beauty" worn down by fe-
male weakness and distress, subject to
hysteria and a misery to bearing down
pains. Dr. Pierce's Favorite Prescription
is a sure cure for these distressing com-
plaints, and will transform the feeble,
drouping sufferer into a healthy, happy,
blooming woman. Guaranteed to give
satisfaction in every case, or money paid
for it refunded.
