

TROUBLESOME NEIGHBORS.

Oh, could there in this world be found some little spot of happy ground... Where a village pleasure might go round...

JOSIE'S MARRIAGE.

A Chicago Heiress Weds an English Aristocrat

Supposing Him to Be a "Lord"—She Gets a Divorce—Suddenly Becoming Viscount She Desires a Relict, But He Cautions, You Know.

From Hon. Frederick Galloway in his later Grand Pacific Herald, Chicago, April 12, 1888.—Dear Frank: It is ages since I heard from you...

Every body here makes a awful fuss over me, and will insist on calling me "Lord Galloway."

There is one curious mistake that every one has made here, and that is that they have all taken it for granted that I am the older son and heir to the title...

From Mrs. Frederick Galloway to her father, Jeremiah Fairfield.

GRAND HOTEL, LONDON, June 10, 1888.—Dear Pa: I am writing you with a broken heart...

Sitting on The Safety Valve.

Many are they who have laughed at the story of the green steamboat fireman who sat on the safety valve to prevent his "leaking."

Yet thousands are repeating his folly every day. They are troubled with blotches, pimples, eruptions, salt rheum, boils, carbuncles, ulcers and old sores, and are contenting themselves with suppressing the symptoms without removing the cause.

Do you think the proprietors of Dr. Sage's Catarrh Remedy would offer, as they have done for many years, a standing reward of \$500 for a case of Catarrh which they cannot cure, if they did not positively know that the Remedy will absolutely and permanently cure catarrh? Sold by druggists, at only 50 cents.

Judging from what I have seen, I regard Swift's Specific the king patent medicine of the day. I know several persons who have been permanently cured of serious cases of blood poisoning by its use after prolonged and unsuccessful remedies.

James C. Patton, Attorney at Law, Dallas, Texas.

Renews Her Youth. Phoebe Chesley, Peterson, Clay Co., Iowa, tells the following remarkable story of the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness and am able to do all my own housework."

Worth Knowing. Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold, attended with a distressing cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse.

THE ESTEY ORGANS!

One of the best testimonials to the value of the Estey Organ is the fact that, notwithstanding the very many Organ enterprises that have been started by ambitious employes of the Esteys, the business of this original maker continues to grow.

It is the largest reed Organ Factory in the world; turns out a completed organ every eight minutes each day. Because of their peculiar sweetness and volume of tone, thoroughness in manufacture and popular styles, these Organs hold the wide world for a market with increasing vigor. Our opponents claim

"JUST AS GOOD AS THE ESTEY" but no man wishes to say "he is prepared to furnish a better." Great numbers have been wise in their choice of an Organ, and we hope many more will make the same selection, "THE ESTEY."
